Recycling Plan

The Show Director has arranged with Margaret Lara at Waste Management to have the appropriate number of recycling totes delivered to the show area on Friday prior to the show. After Saturday's set up of vendors, the committee volunteers will place the recycling totes and city trash cans in the appropriate spaces throughout the show area. We will include special recycling instructions in all vendor packets and put signage where possible to remind guests to use the recycling containers. Volunteers will monitor totes for non-contamination and to determine if they need emptied and will take the measures to get this done.

This show does not include food or drink vendors, but does have water bottles available for vendor artists. We will have recycle containers at our distribution tent.

At the end of the show, the committee volunteers will move containers to the designated pick up spot for WM to retrieve and empty.

Ms. Lara,

Last year Waste Management helped the Key West Art Center meet the recycling requirements for the City of Key West's permit for our two shows. (KW Craft Show in Jan. and Old Island Days Art Festival in Feb.)

I am beginning the permit process at this time and would like to ask if you will again supply the recycling and help with the plan. These two shows are set up identically to last year, and the dates are Jan. 28, 29 and Feb. 25 & 26.

Thank you for your assistance.
