My name is Ida Roberts, my family has owned Roberts Plumbing since 1943, and it was located at #1 & #5 Havana St. (Lane) we built new shop at 917 Frances in 1959 and operated there until 2010. I lived at #5 Havana St. from 1951-1959. 1951 the year I married Merrill Roberts.

I can witness to the fact that 907 Frances St was walled off as it is now since I move to the neighborhood in 1951.

My husband would be 91 yrs old now, grew up on Havana Lane, lived at #1 Havana. I recall him speaking about the original owners (both them) and how they would share their cooking & he would go in to the back door to accept it. through the gate in back. The front & back along Frances & Havana have been fenced always.
