**Original Narrative By Victor Arguello, 07/21/25 17:33**

On Monday, July 21, 2025, at approximately 1550 hours, Ofc. Abreu and I (Ofc. Arguello) were dispatched to 201 William Street (Waterfront Brewery), reference to a physical altercation. En route to the scene, Ofc. Vanderhoof stated via radio that he had been battered by the suspect (later identified as Daniel Linfield).

Upon arrival, Ofc. Vanderhoof had Linfield handcuffed. Linfield was pulling away from all the officers and was yelling offensive language around a large crowd that included kids. Linfield was drenched in sweat and smelled of an alcoholic beverage. We escorted Linfield closer to my patrol car, and he pulled away and yelled at us the whole time.

I spoke to Michael Rulli. Rulli is an employee for Fury. Rulli stated he witnessed Linfield yelling at several people on the dock. Rulli stated he tried to intervene and tried calming Linfield. Rulli stated Linfield pushed him, so he disengaged. Rulli stated he did not want to press charges.

I spoke to Linfield's wife (Natalie Linfield). Natalie stated they were celebrating their anniversary. Natalie stated that Linfield had a couple alcoholic beverages. Natalie stated she accidentally spilled her drink on someone that was walking by them. Natalie stated Linfield tried to apologize to the male half and they began to "run their mouth". Natalie stated Linfield became agitated and she attempted to calm him down but was unable.

Christian Alonzo (witness) stated he witnessed Linfield yelling at several people on the dock. Alonzo stated he did not witness Linfield pushing Rulli.

Carri Murphree (witness) and Jeffrey Caparoon (witness) stated they saw Linfield yelling at people on the dock. Murphree and Caparoon both stated they witnessed Linfield pushing Rulli.

Ofc. Vanderhoof informed me he arrived on scene and attempted to handcuff Linfield. Ofc. Vanderhoof stated he attempted to secure the first hand, Linfield resisted and pulled away from Ofc. Vanderhoof. Ofc. Vanderhoof conducted a takedown to secure Linfield. Linfield gets up and strikes Ofc. Vanderhoof in the face. Ofc. Vanderhoof pushed Linfield to the ground and was able to secure handcuffs.

Sgt. Malsheimer reviewed the surveillance video. In the video, Sgt. Malsheimer witnessed Linfield causing a disturbance and pushing Rulli from the dock onto the boat that was behind him. Natalie tries to escort Linfield away from the scene and he pushes her to the ground.

Based on the facts, evidence, and my direct observation there is probable cause to believe on 07/21/25 at about 1550 hours, Daniel Linfield intentionally struck Ofc. Vanderhoof in the face while he was conducting official duties, which is a violation of Florida Statute 784.07.2b.

Based on the facts, evidence, and my direct observation there is probable cause to believe on 07/21/25 at about 1550 hours, Daniel Linfield was yelling and trying to fight bystanders which affected the peace and quiet of the people that witnessed him, which is a violation of Florida Statute 877.03.

Based on the facts, evidence, and my direct observation there is probable cause to believe on 07/21/25 at about 1550 hours, Daniel Linfield intentionally struck Ofc. Vanderhoof in the face while he was trying to detain him, which is a violation of Florida Statute 843.01.

Linfield was transported to the Monroe County Detention Center. This incident was recorded on my BWC.

**Supplemental Narrative By Randolph Ham, 07/21/25 17:58**

On July 21, 2025, at approximately 1550 hours, I, Ofc. S. Ham responded to 200 William St., reference a physical altercation.

Upon arrival, the suspect, later identified as Daniel Linfield, was handcuffed and escorted to the ground. I assisted with standing Daniel up and escorting him towards Ofc. V. Arguello's patrol vehicle. Prior to arriving to the patrol vehicles, we sat Daniel on the ground to wait for Sgt. C. Sims. I stood by with Daniel as Ofc. Arguello returned to the scene to obtain more information and Sgt. Sims to attempt to speak with Daniel.

I assisted escorting Daniel to the backseat of Ofc. Howells patrol vehicle.

I spoke with Gregory Johnson (System security technician for City of Key West) who provided me with a flash drive. The flash drive contained the surveillance camera that captured the altercation. I collected the flash drive and submitted it into KYPD property and evidence division. A copy of the video was also uploaded to evidence.com.

My Axon BWC was activated and uploaded.

## **Supplemental Narrative By Corey Vanderhoof, 07/21/25 18:09**

On Monday 07/21/2025 at approximately 1550 hours, I (Ofc. Vanderhoof) responded to The Waterfront Brewery (201 William St) in reference to a possible physical altercation with a male being pushed into the water.

Dispatch described one of the parties involved as a shirtless white male with long black hair wearing black shorts being held down by 5 guys.

I arrived and was directed by multiple people towards the male. I noticed a male matching the description provided by dispatch being held by another male.

I attempted to handcuff the male, later identified as Daniel Linfield (Arrestee). I told Linfield to put his hands behind his back. Linfield continuously kept tensing and trying to pull away from me. I told the male to stop pulling away multiple times, but he continued to do so. Linfield pulled his arm away from me and started to turn towards me. In response to his active resistance, I took Linfield to the ground. While performing my take down, Linfield and I got separated. While separated Linfield swung at me with a closed fist and struck me in the left side of my face. I was able to regain control of Linfield and hold him on the ground. I again continued to attempt to place Linfield in handcuffs and he continued to refuse to do so. I was eventually able to place Linfield in handcuffs with the help of other bystanders.

Ofc. Wallis, Ofc. Ham, and Ofc. Arguello arrived on scene shortly after this took place.

Ofc. Wallis and I began to escort Linfield to my patrol vehicle. While doing so Linfield continued to shout obscenities. Linfield tripped and fell on his own accord.

Ofc. Ham and Ofc. Arguello then escorted Linfield to their patrol vehicles.

My BWC was active for the encounter. I uploaded my BWC footage to evidence.com.

At this time, no further information.
