

Product Category	Contractors
<p>Facility Management, Monitoring, and Control</p> <ul style="list-style-type: none"> ▪ Access control systems ▪ Detection/Identification systems, such as surveillance systems, closed circuit television cameras, or IP camera networks and the associated monitoring systems ▪ Response systems such as alert systems, desktop monitoring systems, radios, and digital signage ▪ Building and energy controls 	<p>Cisco Systems, Inc.</p>
<p>Networking</p> <ul style="list-style-type: none"> ▪ Network Application Services <ul style="list-style-type: none"> - Virtualized Load Balancers - WAN Optimization ▪ Networking Software <ul style="list-style-type: none"> - Network Management and Automation - Data Center Management and Automation - Cloud Portal and Automation - Branch Office Management and Automation ▪ Network Optimization and Acceleration <ul style="list-style-type: none"> - Data Analytics - Dynamic Load Balancing - WAN Acceleration - High Availability and Redundancy ▪ Optical Networking <ul style="list-style-type: none"> - Core DWDM (Dense Wavelength Division Multiplexing) Switches - Edge Optical Switches - Optical Network Management - IP over DWDM (IPoDWDM) 	<p>Cisco Systems, Inc. CradlePoint, Inc. Extreme Networks, Inc. Hewlett Packard Enterprise Company Juniper Network (US), Inc.</p>
<p>Routers, Switches, Security, and Networking Storage</p> <ul style="list-style-type: none"> ▪ Routers <ul style="list-style-type: none"> - Branch Routers - Network Edge Routers - Core Routers - Service Aggregation Routers - Carrier Ethernet Routers ▪ Security <ul style="list-style-type: none"> - Data Center and Virtualization Security Products and Appliances - Intrusion Detection/Protection and Firewall Appliances - Logging Appliances and Analysis Tools - Secure Edge and Branch Integrated Security Products - Secure Mobility Products - Encryption Appliances - On-premise and Cloud-based services for Network Communications Integrity - Secure Access ▪ Storage Networking <ul style="list-style-type: none"> - Director Class SAN (Storage Area Network) Switches and Modules - Fabric and Blade Server Switches - Enterprise and Data Center SAN and VSAN (Virtual Storage Area Network) Management - SAN Optimization <p><i>Continued on next page...</i></p>	<p>Cisco Systems, Inc. CradlePoint, Inc. Extreme Networks, Inc. Hewlett Packard Enterprise Company Juniper Network (US), Inc. Palo Alto Networks, Inc.</p>

Product Category	Contractors
Routers, Switches, Security, and Networking Storage (continued)	
<ul style="list-style-type: none"> ▪ Switches <ul style="list-style-type: none"> - Campus LAN – Access Switches - Campus LAN – Core Switches - Campus Distribution Switches - Data Center Switches - Software Defined Networks (SDN) - Software Defined Networks (SDN) – Virtualized Switches and Routers - Software Defined Networks (SDN) – Controllers - Carrier Aggregation Switches - Carrier Ethernet Access Switches 	
Unified Communications	ATOS IT Solutions and Services, Inc. Cisco Systems, Inc.
<ul style="list-style-type: none"> ▪ IP Telephony ▪ Instant Messaging/Presence ▪ Unified Messaging ▪ Contact Center ▪ Communications End Points and Applications ▪ UC Network Monitoring ▪ Collaboration ▪ Collaborative Video ▪ Content Delivery Systems (CDS) 	
Wireless	Cisco Systems, Inc. CradlePoint, Inc. Extreme Networks, Inc. Hewlett Packard Enterprise Company
<ul style="list-style-type: none"> ▪ Access Points ▪ Outdoor Wireless Access Points ▪ Wireless LAN Controllers ▪ Wireless LAN Network Services and Management ▪ Cloud-based services for Access Points ▪ Mobile Device Management (MDM)
