Ref: Impact fees for "Casa de Meredith" at 1620 Spalding Court Key West, Florida 33040

Dear Jim:

On behalf of the Board of Directors we are requesting a payment plan for the impact fees for our project at 1620 Spalding Court. John Woodson gave us a proposal of \$20,653 to be paid to The City of Key West. I do have a question though why do we pay 16 x \$343 plus 9 x \$1,010 for sewer?

As previously stated the grant did not pay impact fees and due to the economics it has been extremely difficult to raise these dollars within the last six months.

We are requesting the following payment plan of five years with no interest and a monthly fee of \$300 per month with a balloon at the end of the plan of \$2,653.00. We are going to be doing fundraisers and whatever it takes to pay this debt off as soon as possible.

We are praying to open this facility by December 1, 2010 and in order to do this we have to have the impact fees paid or we cannot get a certificate of occupancy. Your kind consideration would be appreciated.

Sincerely,

  
Elmira L. Leto
