Dear Key West Planning Committee:

My husband and I live across the street from Ted Kutcher at 1022 Varela. We are very excited about all the improvements made to the property on 1019 Varela. We have seen the plans for the improved landscape, front porch, pool and setback variances and we have no conflicts with any of the planned improvements, and we fully endorse all of the planned improvements and setback variances to the property. We feel it will enhance the neighborhood and the property.

Warm regards,

Patricia & Louis Martinet
