NOTICE OF HEARING

Date: March 21st, 2019

Check Electric LLC
Karel Bublak
3255 Flagler Ave #303
Key West FL 33040

License # EC13004515

Certified Mail #70031010000374226549

City Municipal Code Section 2-322(a)(1)

The Contractors Examining Board shall have the power to determine if a license or certificate of competency of any contractor should be suspended for any violation of chapter 14, article III of chapter 18 and article II of chapter 34 and fix the length of time for such suspension.

YOU ARE HEREBY NOTIFIED of your alleged violation of the City of Key West Code of Ordinances.

Factual basis for the charge: (Permit Application 18-1908)

Count 1: Sec. 14-37 -Building without a permit

Check Electric LLC applied for the above referenced permit applications. The permit application was placed in call back for the requirement of additional information. Our call back log was recently reviewed. As a measure of quality assurance the building department performed site visits and determined that his work was performed without the benefit of a permit.

Location of Violation(s):

2710 Seidenburg Ave
Key West FL 33040

Date of violation(s):

2018

YOU ARE REQUESTED TO APPEAR before the Contractors Examining Board on **April 3rd 2019** at 3:00p.m. at 1300 White Street to show cause why your permit privileges should not be suspended or revoked and / or show cause why Department of Business and Professional Regulations (DBPR) should not receive a recommendation for disciplinary action.

YOUR RIGHTS, POSSIBLE BOARD DECISIONS, AND THE APPEAL PROCESS are all detailed in Section 2-324 of the City of Key West Code of Ordinances (attached). Be advised that if you decided to appeal any decision of the Board, you shall be responsible to ensure that a verbatim record of the proceedings is made, which record includes the testimony and evidence upon which the appeal is to be based.

Good Morning,

The subject property has a permit application for the "installation of a new 22KW air cooled standby generator with automatic transfer switch" which has been placed in call back since May for required additional information. Please see the notes below. The system has been found to be already in place without the benefit of the required permit. This permit application will be considered **after the fact**. Please submit the required information so that this permit may be processed for consideration of approval.

Attached permit notes:

May 7, 2018 11:21:48 AM keywtnr. Needs detail for the slab and anchoring detail showing 180 mph tie down. Show flood plan elevation (must be +1 foot above). Show the engine shut down as per NFPA.
