RE: Resolution 10-082, City's Exercise of Option to Renew

To Whom it May Concern:

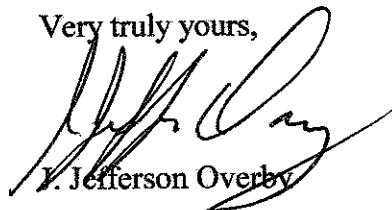

Two years ago, the City entered into the above resolution to hire my firm to conduct Special Magistrate Hearings for Code Compliance. I thank you for notifying me that you wish to exercise your right to extend the agreement for one additional year.

It has been brought to my attention that many city employees received a 2% COLA increase this budget year. I would respectfully request that the city also provide me with a raise in, at least, that amount for the new contract year, starting March 1, 2012.

If you have any questions, please do not hesitate to contact me

Thanking you in advance for your consideration of this request, and for extending my contract, I remain,

Very truly yours,

J. Jefferson Overby

Debbie, could you please request that the contract start date is Feb 28, instead of the March 1 I put in my letter to you?
thanks, Jeff Overby
