Event Name: Casa Marina Resort Renovation Event Date: May 15 - Dec. 1, 2023

Excerpt from City Code Sec. 26-192. - Unreasonably excessive noise prohibited.

Noise limitations - Within a core commercial district as defined in this article, the maximum dBA and dBC sound levels permitted on any property located therein shall be as follows:

The average measurement taken between ten (10) and twenty (20) seconds shall be no greater than the maximum levels set out below. The measurement shall be taken from the sound source property line, or individual lease boundary in the case of property which has been subdivided by the execution of individual leases, of the noise generating property at a location that is closest to the complainant's property line:

- a. Eighty-five (85) dBA or ninety-four (94) dBC between the hours of 11:00 a.m. and 2:59 a.m.
- b. Seventy-five (75) dBA or eighty-four (84) dBC between the hours of 3:00 a.m. and 10:59 a.m.

In any residential or commercial district as defined in this article, a decibel meter shall be used for a complaint of unreasonable noise made at or within 100 feet of the property line of the sound source. The decibel reading shall be made at the location of the complaint. The investigating officer shall issue a citation for unreasonably excessive noise, unless in his judgment a warning is sufficient to cease the violation. There shall be no more than a total of one warning per offending person or establishment.

Events that expect to exceed decibel levels set for their area must get a Noise Exemption from the City Commission. Noise Exemptions cannot be issued for the same location within 60 days of the last noise exemption approval.

Describe the Potential Noise Sources: Demolition and construction during renovation

Do you wish to apply for a Noise Exemption? Yes Need City Commission Approval No

INITIALS REQUIRED

- go 1. Applicant(s) has reviewed the City Code regarding Noise limitations and understands that an exemption from the noise control ordinance requires approval from the City Commission. Applications for noise exemptions must be received 30 days before the event
- go 2. The processing fee for the application is \$85.16, due upon submission of application. Include this fee in the Special Event Fee Schedule.
- go 3. Notice of the City Commission’s proposed action on a Noise Exemption shall be published in a newspaper of general circulation at least five days prior to the date of the Commission meeting, as well as mailed to all property owners and occupants located within a 100-foot radius of the proposed event. The applicant is required to pay for the newspaper advertisement.

For more information on Noise and Noise Exemptions, consult the Special Event Guide and read the [City Code Section 26-192](#)

Good morning, Heather!

I will get this started. I am not sure if it will make it on our April 4th Commission meeting, however, for sure on the April 18th meeting. Let me know if you have any questions. There is a charge for the mail outs and the advertisement. The amount for the mailing is \$85.16. That is on page 8 of the application. The advertisement in the paper will come later when they give me an amount. It is usually around 50 or 60 dollars. Thanks!

Maria

Hello Maria!

Attached is a completed Special Event Request for the Casa Marina. It's not really a special event – they are asking for permission to extend construction hours within their property as they undertake a major renovation project. I work with the architecture firm on the project, and the contractor is filing the request. Please let me know the next steps for approval. Thank you!

Best,
Heather
