ATTACHMENT B: GENERAL CONDITIONS

Initials of Applicant 

- a. The Licensor hereby grants to the Licensee the right to use the premises or facilities described in item 3, together with the necessary rights of ingress and egress.
- b. This License shall be effective for the period stated in item 2 and is revocable at any time without notice at the option and discretion of the Licensor or its duly authorized representative.
- c. The use shall be limited to the purposes specified herein. Licensor does not warrant or represent that the property is safe or suitable for the purpose for which Licensee intends to use it, and Licensee assumes all risks in its use.
- d. This License shall be neither assignable nor transferable by the Licensee.
- e. If utilities and services are furnished to the Licensee during License period, the Licensee shall reimburse the Licensor for the cost thereof as determined by the Licensor in accordance with applicable statutes and regulations.
- f. The Licensee, at its own cost and expense shall protect, maintain, and keep in good order, the premises or facilities licensed hereby. At the discretion of the Licensor this obligation shall include, but not be limited to, contribution toward the expense of long-term maintenance of the premises or facilities, the necessity for which accrued during the period of Licensee's use. The amount of expense to be borne by the Licensee shall be determined by prorating the total expense of the item of long-term maintenance on the basis of fractional use by the Licensee. This fractional part of the total expense shall be prorated further if the item of long-term maintenance did not accrue in its entirety during the Licensee's use. Upon a determination by the Licensor that the necessity exists for an expenditure of funds for maintenance, protection, preservation or repair, the Licensee shall pay to the Licensor its proportionate share on demand.
- g. No additions to, or alterations of, the premises or facilities shall be made without the prior consent of the Licensor. Upon revocation or surrender of this License, to the extent directed by the Licensor, the Licensee shall remove all alterations, additions, betterments and improvements made, or installed, and restore the premises or facilities to the same, or as good condition as existed on the date of entry under this License.
- h. The Licensee shall be liable for any loss of, or damage to, the premises or facilities incurred as a result of its use and shall make such restoration or repair, or monetary compensation as may be directed by the Licensor. The Licensee shall not be liable for loss of, or damage to, the premises arising from causes beyond the control of the Licensee and occasioned by a risk not in fact covered by insurance and not customarily covered by insurance in the locality in which the premises are situated. Nothing contained herein, however, shall relieve the Licensee of liability with respect to any loss or damage to the premises, not fully compensated for by insurance, which results from willful misconduct, lack of good faith, or failure to exercise due diligence, on the part of the Licensee. All insurance required for the Licensee on the premises shall be for the protection of the Licensor and the Licensee against their respective risks and liabilities in connection with the premises. Each policy of insurance against loss or damage to City of Key West property shall name the Licensee and the City of Key West, as the insured and shall contain a loss payable clause reading substantially as follows: "Loss, if any, under this policy shall be adjusted with (Name of Licensee) and the City of Key West and the proceeds shall be payable to the City of Key West". In the event that any item or part of the premises or facilities shall require repair, rebuilding or replacement resulting from loss or damage, the risk of which is assumed under this paragraph h, the Licensee shall promptly give notice thereof to the Licensor and, to the extent of its liability as provided in this paragraph, shall, upon demand, either compensate the City of Key West for such loss or damage, or rebuild, replace or repair the item or items of the premises or facilities so lost or damaged, as the Licensor may elect. If the cost of such repair, rebuilding, or replacement exceeds the liability of the Licensee for such loss or damage, the Licensee shall effect such repair, rebuilding or replacement if required so to do by the Licensor and such excess of cost shall be reimbursed to the Licensee by the Licensor. In the event the Licensee shall have effected any repair, rebuilding or replacement,

which the Licensee is required to effect pursuant to this paragraph, the Licensor shall direct payment to the Licensee of so much of the proceeds of any insurance carried by the Licensee and made available to the City of Key West on account of loss of or damage to any item or part of the premises or facilities as may be necessary to enable the Licensee to effect such repair, rebuilding or replacement. In event the Licensee shall not have been required to effect such repair, rebuilding, or replacement, and the insurance proceeds allocable to the loss or damage which has created the need for such repair, rebuilding or replacement have been paid to the Licensee, the Licensee shall promptly refund to the Licensor the amount of such proceeds.

- i. The Licensee shall indemnify and save harmless the City of Key West, its officers, agents, servants and employees from all liability or otherwise, for death or injury to all persons, or loss or damage to the property of all persons resulting from the use of the premises by the Licensee, and shall furnish the insurance specified in Item 9. Each policy of insurance required in Item 9 covering bodily injuries and third party property damage shall contain an endorsement reading substantially as follows: "The insurer waives any right of subrogation against the City of Key West which might arise by reason of any payment made under this policy." This indemnity shall survive the expiration of this License.
- j. All insurance required by this License shall be in such form, for such periods of time, and with such insurers as the Licensor may require or approve. A certificate of insurance or a certified copy of each policy of insurance taken out hereunder shall be deposited with the Licensor's local representative prior to use of the premises and facilities. The Licensee agrees that not less than thirty (30) days prior to the expiration of any insurance required by this License, it will deliver to the Licensor's local representative a certificate of insurance or a certified copy of each renewal policy to cover the same risks.
- k. The Licensee warrants that it has not employed any person to solicit or secure this License upon any agreement for a commission, percentage, brokerage or contingent fee. Breach of this warranty shall give the City of Key West the right to annul this License or in its discretion to recover from the Licensee the amount of such commission, percentage, brokerage or contingent fee in addition to the consideration herein set forth. This warranty shall not apply to commissions payable by the Licensee upon contracts or sales secured or made through bona fide established commercial or selling agencies maintained by the Licensee for the purpose of securing business.
- l. In connection with the performance of work under this License, the Licensee agrees not to discriminate against any employee or applicant for employment because of race, religion, color, or national origin, sex, disability, ancestry, sexual orientation, gender identity or expression, marital status, parental status or source of income. The aforesaid provision shall include, but not be limited to, the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The Licensee agrees to post hereafter in conspicuous places available for employees and applicants for employment, notices to be provided by the Licensor setting forth the provisions of the nondiscrimination clause. The Licensee further agrees to insert the foregoing provision in all subcontracts hereunder, except Subcontracts for standard commercial supplies or raw materials.
- m. All activities authorized hereunder shall be subject to such rules and regulations as regards supervision or otherwise, as may, from time to time, be prescribed by the local representative of the Licensor as designated in Item 5a.
- n. The laws of the State of Florida shall govern the validity of this license agreement, interpretation, performance, and any other claims related to it. The venue for any and all claims or legal actions will be Monroe County, Florida.
