Whenever two or more bids which are equal with respect to price, quality, and service are received by the City of Boynton Beach or by any political subdivision for the procurement of commodities or contractual services, a bid received from a business that certifies that it has implemented a drug-free workplace program shall be given preference in the award process. - 2) Inform employees about the dangers of drug abuse in the workplace, the business's policy of maintaining a drug-free workplace, any available drug counseling, rehabilitation, and employee assistance programs, and the penalties that may be imposed upon employees for drug abuse violations.
- 3) Give each employee engaged in providing the commodities or contractual services that are under bid a copy of the statement specified in subsection (1).
- 4) In the statement specified in subsection (1), notify the employee that, as a condition of working on the commodities or contractual services that are under bid, the employee will abide by the terms of the statement and will notify the employer of any conviction of, or plea of guilty or *nolo contendere* to, any violation of Chapter 893 or of any controlled substance law of the United States or any state, for a violation occurring in the workplace no later than five (5) days after such conviction.
- 5) Impose a sanction on, or require the satisfactory participation in a drug abuse assistance or rehabilitation program if such is available in the employee's community by, any employee who is so convicted.
- 6) Make a good faith effort to continue to maintain a drug-free workplace through implementation of this section.

## **Exceptions to the Specifications**

### **Pharmaceutical Price Increase**

Regarding price increases, it is Bound Tree's intent not to increase its pricing on pharmaceutical products for the initial term. However, manufacturers have recently been significantly increasing prices on pharmaceutical products due to market conditions and the anticipated costs associated with complying with federal legislation being considered by Congress relating to the manufacturing of drugs. In the event such price increases occur after the award of this bid, Bound Tree will notify you of such increases and provide adequate documentation to demonstrate when the price increase is to go into effect. The parties will then negotiate in good faith a new price for the affected pharmaceutical products. If the parties are unable to reach an agreement on new pricing, Bound Tree reserves the right to find an alternative pharmaceutical product(s) at no additional cost or to discontinue the affected product(s).

### VAWD Certified State and Nationally Licensed

Several of Bound Tree's Distribution Centers have received VAWD (Verified - Accredited Wholesale Distributors) accreditation from the National Association of Boards of Pharmacy (NABP). VAWD accreditation is achieved after a criteria compliance review that includes a rigorous evaluation of operating policies and procedures, licensure verification, survey of facility and operations, background checks and screening through the NABP Clearinghouse. Our accreditation demonstrates that we are in compliance with state and federal laws and that our prescription drugs are distributed safely and securely.

For a complete listing of VAWD-Accredited Facilities, please visit:

### Compliant with DSCSA Requirements

Under the Drug Supply Chain Security Act (DSCSA), entities in the supply chain including manufacturers, wholesale distributors, and dispensers have responsibilities to meet the requirements of the DSCSA. As of May 1, 2015 all wholesalers are required by law, under the DSCSA, to provide transaction information, transaction history and transaction statements for the pharmaceuticals that they supply.

Bound Tree is compliant with these FDA standards which helps improve patient protection by preventing the distribution of substandard or ineffective drugs and while providing our customers with the product and transaction information they need to be in compliance with the FDA standards.

Under the DSCSA you are responsible for knowing that your prescription drug wholesale distributor is an authorized trading partner who holds a valid state or federal license. Bound Tree Medical is licensed federally and in all 50 states. Purchasing from a licensed and VAWD accredited distributor like Bound Tree Medical makes great strides to ensure none of your purchases will ever be counterfeit, contaminated, improperly stored and transported, ineffective, and/or unsafe.

Wholesaler Distributor licenses can be searched online:

Section references are to the Internal Revenue Code unless otherwise noted.  
 Future developments. Information about developments affecting Form W-9 (such as legislation enacted after we release it) is at [www.irs.gov/irb](http://www.irs.gov/irb).

#### Purpose of Form

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) which may be your social security number (SSN), individual taxpayer identification number (ITIN), adoption taxpayer identification number (ATIN), or employer identification number (EIN), to report on an information return the amount paid to you, or other amount reportable on an information return. Examples of information returns include, but are not limited to, the following:

- Form 1099-INT (interest earned or paid)
- Form 1099-DIV (dividends, including those from stocks or mutual funds)
- Form 1099-MISC (various types of income, prizes, awards, or gross proceeds)
- Form 1099-B (stock or mutual fund sales and certain other transactions by brokers)
- Form 1099-S (proceeds from real estate transactions)
- Form 1099-K (merchant card and third party network transactions)

- Form 1098 (home mortgage interest), 1098-E (student loan interest), 1098-T (tuition)
- Form 1099-C (canceled debt)
- Form 1099-A (acquisition or abandonment of secured property)

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN.

If you do not return Form W-9 to the requester with a TIN, you might be subject to backup withholding. See *What is backup withholding?* on page 2.

By signing the filled-out form, you:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued).
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income, and
4. Certify that FATCA code(s) entered on this form (if any) indicating that you are exempt from the FATCA reporting, is correct. See *What is FATCA reporting?* on page 2 for further information.
