Subject: Item # 14 First reading of Ordinance

To: Cheryl Smith <csmith@keywestcity.com>

Dear Mayor and Commissioners -

I urge you to vote yes on Item #14 requiring a super majority of the Commission.

This just in case a few individuals (only 24% supported the study) want to again bring up altering the main ship channel in any way, or a channel widening study might rear its ugly head again.

Your constituents spoke very clearly to YOU in an overwhelming defeat of the Referendum last year.

Please vote to represent their concerns and desires.

Sincerely,

Christine Russell
