-- Javier Antomarchy J Arrest Narrative:

On November 24, 2023, at approximately 2031 hours, Ofc. Hesse and I, Ofc. Lopez were dispatched to Outback Steakhouse located at 3230 N. Roosevelt Boulevard. Key West Dispatched received a 911 call from an employee at the above-mentioned location. The caller told Key West Dispatch a Hispanic male sat at the bar inside the establishment. The caller told Key West Dispatch the male is extremely intoxicated, belligerent and yelling at the customers. The caller told Key West Dispatch the Hispanic male was wearing a black shirt and cargo shorts.

Key West Communications advised me over the radio that the Hispanic male matched the description of the male that was reported causing a disturbance at Regal Cinema. The caller told Key West Dispatch the male was inside Regal Cinema and being disruptive and refusing to leave. CAD:233280136, this call was received approximately 30 minutes prior to this current event.

It should be noted that I responded to Regal Cinema, and I observed a Hispanic male wearing a black shirt and cargo shorts. I observed this male standing on the main entrance speaking with an employee. As I was walking towards the entrance the male walked away and the employee informed me that she was able to convince the male to leave.

When I arrived at the front entrance of Outback Steakhouse, I observed and recognized the same Hispanic male from the prior call I responded. This Hispanic male was seated on a chair by the entrance of the establishment. Ofc. Hesse was speaking with the male. I had several Law Enforcement encounters in the past with this male. This Hispanic male is known to be very confrontational and aggressive, and he does not follow instructions from Police Officers.

The Hispanic male was later identified with his Florida identification card as Javier Antomarchy, (dob:03/20/1989).

I told Ofc. Hesse that we needed to safely detain Javier by placing handcuffs on him before one of us goes inside the establishment and make contact with the employees. For Officer Safety I proceeded by identifying myself and then instructing Javier to please stand up. I told Javier 3 times to stand up and he refused to follow my instructions. I proceeded by grabbing Javier`s right wrist and moving it behind his back. As I was attempting to move his right hand behind his back and lifting him up for him to stand up, Javier dropped all this weight down. Javier began tensing up his body and actively pulling his right arm towards the front of his body. I escorted Javier towards a chair that was located in front of him in order for me to gain control of his hands. Once I placed Javier against the chair, I instructed Javier to place his hands behind his back and he continued pulling his right arm towards the front of his body. I told Javier again to place his hands behind his back. I began applying pain compliance by bending Javier`s wrist in order for him to stop pulling his right arm away from me. As I was bending his wrist Javier continued resisting by tensing up his body and attempting to pull his right arm away from me. At this point my body worn camera was knocked down to the ground as I was attempting to gain control of Javier`s hands. I told Javier to stop resisting and pulling his arm away. I started bending Javier`s right wrist more and then he finally stopped resisting after I was bending his right wrist. I was able to place handcuffs on Javier with Ofc. Hesse`s assistance.

Ofc. Hesse and I escorted Javier towards my patrol vehicle. Once we were standing near the rear passenger side door of my patrol vehicle, I instructed Javier to stand up against my patrol vehicle. I instructed Javier to place his feet apart. Javier was tensing up his body and actively moving side to side. I told Javier to stop moving. I began searching Javier`s right front pocket. I had my left hand around Javier`s bicep while using my right hand to search his pocket. Javier then began turning his body towards my face. I immediately pushed Javier`s body by using my left hand that I had around his bicep. I told Javier to stop moving several times and he then finally stopped moving his body in order for me to complete my search. I then noticed Javier was bleeding from his bottom lip.

My body worn camera was activated during this incident, 3722.

Ofc. Hesse then placed Javier in the rear passenger seat of my patrol vehicle. I then notified and requested Sgt. Kouri respond to my location for a response to resistance incident. Ofc. Kouri then arrived and made contact with Javier.

Ofc. Hesse then went inside Outback Steakhouse to speak with management. Ofc Hesse made contact with Justin Lee Mick, (dob:02/25/1992). Justin filled out a witness statement stating the following.

Javier then began harassing employees and patrons of this establishment. Javier demanding to use their cellphones. Javier was asked to leave, and he became combative and he began making threats towards staff members. Javier kept refusing to leave after being asked to leave.

Javier went inside this establishment, and he could not order food. Javier started getting angry with people. Javier was asked to leave 5 times and he refused to leave.

Ofc. Hesse then provided me with the witness's information, and he witness statements. I later placed the witness's statements in the Key West Police Records Division.

I transported Javier to the Lower Keys Medical Center for medical clearance before taking him to the Jail. My in-car Axon camera was activated during the transportation, 3722.

Javier had a small laceration on his bottom lip, and he was medically cleared by the Hospital. I then transported Javier to the Monroe County Detention Center. My in-car Axon camera was activated during the transportation, 3722.

I escorted Javier to the second floor of the MCDC. Javier was turned over to the Department of Corrections for further processing.

Based on the facts and evidence, Javier Antomarchy, did knowingly and willfully refused to follow my verbal instructions while I was engaging in my legal duties as a Police Officer. I responded to above-mentioned private establishment for Javier's belligerent and combative behavior. I identified myself as a Police Officer to Javier and then I proceeded to give him verbal instructions. I instructed Javier to stand up 3 times and he refused to stand up. I was attempting to detain Javier by placing handcuffs on him for Officer Safety due to his combative and aggressive demeanor from my previous Law Enforcement encounters I had with him. Javier began resisting by tensing up his body and pulling his arm away from me. It should be noted I was wearing my class B uniform with the Key West Police insignia on my sleeves. I was recognizable as a Police Officer. Contrary to F.S.S. 843.02

Based on the facts and evidence, Javier Antomarchy, did knowingly and willfully affected the public decency inside this private establishment. Javier's behavior affected the duties of the employees that were actively working to the extend the staff had to call 911 to get Police to intervene. The defendant should be charged under 509.143(2).

On Friday, November 24, 2023 at approximately 2032 hours I, Ofc. J. Hesse, was dispatched with Ofc. J. Lopez to Outback Steakhouse, located a 3230 N. Roosevelt Blvd. Per the 911 caller, a male subject described as an intoxicated Hispanic male, wearing a black shirt and cargo shorts, was at the location refusing to leave and being belligerent.

Upon my arrival at the location, I observed a male subject matching the exact description as provided by dispatch, walking out the front doors of the restaurant with staff members pointing at him. I activated by Axon BWC and ordered the male subject, later identified as Javier Antomarchy, to take a seat on a nearby chair. Antomarchy immediately became defiant and demanding action against the restaurant for an unknown reason.

During the limited interaction to that point, I noted Antomarchy's speech to be slow and slurred, his eyes to be watery and bloodshot, and he had the strong odor of an alcoholic beverage on his breath. Antomarchy eventually complied with commands to sit while the incident was investigated, and to prevent him from falling due to his perceived extreme alcohol intoxication.

Upon the arrival of Ofc. Lopez, Antomarchy was ordered to stand to be detained in handcuffs while the incident was being investigated and he did not comply. Ofc. Lopez took control of Antomarchy's right arm while ordering him to stand and submit to handcuffs when I observed Antomarchy appear to turn towards Ofc. Lopez in a quick and unprovoked manner.

Ofc. Lopez guided Antomarchy away from his person to his right where Antomarchy was taken off balance due to a piece of furniture in his path. Handcuffs were then applied by Ofc. Lopez which were checked for proper fit.

Antomarchy was walked to Ofc. Lopez's patrol vehicle where a search of his person was conducted by Ofc. Lopez. At one point during the search, Antomarchy tensed his muscles, and attempted to turn towards officers with an abrupt, violent action. The force he applied was overcome by Ofc. Lopez and I by turning him back towards the patrol vehicle. Antomarchy was then asked to get into the patrol vehicle and he again attempted to forcefully turn away from the vehicle and towards officers. His force was again countered by officers and he was secured into the vehicle.

Following Antomarchy being secured into the vehicle, I spoke to James Davis (host) and Justin Mick (manager) at Outback Steakhouse. Both stated Antomarchy was seated at the bar of the establishment after Antomarchy was observed by staff standing outside the restaurant staring in.

I was told Antomarchy stated he wanted to order food, however, began aggressively asking customers to use their phones. It was reported to me that Antomarchy then began making unprovoked statements about fighting customers who were not engaging with him.

Davis told me he asked Antomarchy to leave five times and stated Antomarchy refused to do so. I was advised a short time after police were called, Antomarchy got up from his seat and walked out of the restaurant where I encountered him. Mick indicated the business did not wish to pursue charges for trespass, however requested Antomarchy be warned for trespass which was later issued.

This concluded my involvement in the investigation. See Ofc. Lopez's case report for greater details.

Axon BWC was activated during this incident.
