Subject: Kate Miano's House Plans

Hi Venetia,

My name is Delbert Brixey, I own property @ 612 & 614 Fleming Street.

Over the weekend I had a chance to see **Kate's house plans** and feel like it will be a **nice addition to our neighborhood**. I like her design of a one-story house that blends into the vegetation. **I completely approve and support her.**

I've known Kate for 19 years (she was my next door neighbor when she had Ambrosia House) and she **always does a 'first-class'** job. I'm sure her new house will be a real **"show-case"**.

I look forward to seeing her finished house.

Yours truly,

Mr. Delbert Brixey

Jo Bennett

Subject: Kate Miano House

Dear Ms Flowers,

I have seen the plans for Kate Miano's proposed house at the end of Free School Lane. The project looks like a good fit for both the property and Key West's Old Town area. Although not historic, the design is for a suitable house that will be hidden from the road and other properties in all directions. As a neighbor, I welcome this house and I would recommend approving this house.

Sincerely,

Fran Decker
