Re: Mallory Square Major Development Plan

Dear Ms. Smith:

Pursuant to a certain notice I received regarding the above captioned matter, I am the owner of Love in Key West LLC the property owner that was noticed by The City of Key West regarding the above hearing.

I am familiar with the anticipated project and potential impact on the area. I do not have any issues or concerns regarding my consent in granting permission for same.

I also own two other large commercial parcels in the immediate area and believe that the redevelopment plan would be an asset to my properties.

Please feel free to contact me if you require any additional information.

Very truly yours,

Steven Handelsman
