To Whom It May Concern:

The City of Key West Tree Commission recently considered your application, TP2024-0004, for Conceptual Landscape Plan approval to include the removal of (1) Strangler Fig, (1) Jamaican Dogwood, (3) Gumbo Limbo, and (3) Mahogany trees, for a minor development plan for 1817 Staples Avenue, Key West, Florida, at their regularly scheduled meeting on August 6, 2024.

This approval now allows the project to proceed through the review process with the Planning Board and HARC Commission. Once you have received approvals from these boards, an application should be made again to the Tree Commission for Final Landscape Plan approval. If no significant changes have occurred to the plan, then the Urban Forestry Manager will be able to file a memo into the file regarding Final landscape plan approval.

If you have any questions, please call the office at (305) 809-3768.

Sincerely,

Misha McRAE
Chairman, Tree Commission
