About the league –

- We celebrated Rosa's 35 anniversary this year. (1991 first season at Rosa)
- Each year we see an increase in registration
- We have about 70+ volunteers/coaches in the league
- Each year gets more challenging trying to find field space for practice and eventually we will need to find a 2nd field to accommodate.
- Bayview park has been a huge help to our league to help with field practice space
- Biggest expense this year – the league decided to try out pitching machines the first 25 percent of the schedule.

Highlights that we are doing to help build our league

- The league funded private pitching lessons for upcoming new pitchers
- Hosted first annual "Sunday Swings" = we hosted pickup games for each division for the girls and it was a huge success over 100+ girls showed up and we will continue to do this summer. Each Sunday was a different theme to keep it fun for the girls.
- Looking forward to winter and summer camps.
