INITIAL INSPECTION	PN	10/6/2022	10/6/2022			<p>To wit: On October 6, 2022, I was informed by the Code Director (Jim Young) that he was notified that Key West Electric INC. which is own by Jorge A Sanchez was hired and completed a project at 1518 Laird St and that they are not licensed. The statement proposal that was executed under State License #ER 13013719 that belongs to JC ELECTRIC OF THE FLORIDA KEYS INC (Juan Carlos Morales) was obtained by Code. JC Electric of the Florida Keys applied (BLD2022-2862) for the work that took place at the subject property, no permit issued, or inspections performed as of October 6, 2022.</p> <p>Upon further investigation I found a website and social media for Key West Electric INC. advertng electrical work within Key West. It should be noted that I was not able to locate a State, County or City License or any other electrical qualifications for Key West Electric Inc. own by Jorge A. Sanchez.</p> <p>Because an electrical project was estimated and completed by the subject unlicensed contractor an Irreparable Notice of Code Violation / Administrative Hearing will be issue to him and to the allegedly licensed contractor vouching for his statement proposals and applying for the work.</p>

						(305) 809-3956; to schedule inspections for the unpermitted work.
						<p>Count 4: Sec. 14-37. - Building permits; professional plans; display of permits; address; exceptions.</p> <p>(a) Building permit required; display. Building permits shall be procured from the chief building official before performance of any work or construction of any character, whether permanent or temporary. Within 48 hours after it is issued, the applicant must cause the permit to be posted and displayed at the work site so that it is readily visible from an adjacent public street throughout the term of the work. No work shall be performed unless a proper permit is so posted. Inspections may not be performed if the permit is not posted and address numbers are not a minimum of 4" high and clearly visible from the street.</p> <p>Exception 1: Total contract price less than \$1,000.00 per FBC Sect. 105.2.2 Minor Repairs. Ordinary minor repairs may be made with the approval of the chief building official without a building permit, provided the repairs do not include the cutting away of any wall, partition or portion thereof, the removal or cutting of any structural beam or load-bearing support, or the removal or change of any required means of egress, or rearrangements of parts of a structure affecting the egress requirements; additionally, ordinary minor repairs shall not include addition to, alteration of, replacement or relocation of any standpipe, water supply, sewer, drainage, drain leader, gas, soil, waste, vent or similar piping, electrical circuit wiring systems or mechanical equipment or other work affecting public health or</p>
