

## COMMENDATION

We would like to commend the Key West High School Baseball and Softball teams for displaying extraordinary strength, discipline and determination throughout their 2019 season. Both programs earned District Championship titles and advanced in the regional tournament, with the baseball team finishing within the top 16 teams of the state and softball within the top 8 teams in the state.

This level of success is only achieved through dedication and hard work-and both programs are built on these foundations. These teams have displayed such a high level of respect for the game, their teams, their opponents and their community that Conch Pride shines wherever they go.

We are so proud to have them as representatives for our school and community and look forward to next season when we can see them compete again!

In recognition of this honor, the City of Key West hereby presents this Commendation to:

## KWHS BASEBALL & SOFTBALL TEAMS
