Waste Managment Plan Bone island Bazaar Truman Waterfront

We will place trash cans and recycle cans every 4 tents. *(see diagram)*

If we find this not to be enough we will adjust accordingly.

We will also have 2 trash cans and 2 recycling cans at each end of the parking lot. *(see diagram)*

The 1 yard trash and 1 yard recycle dumpsters will be kept at the end of the parking lot. *(see diagram)*

John Uberti is our waste management manager.

John will be checking the cans every hour and dumping if need be into, 1 yard garbage dumpster as well as the 1 yard recycling dumpsters.

The two 1 yard dumpsters will be emptied once a week by Waste Management.

John will instruct Vendors that they must recycle as well as use trash cans provided by Bone Island Bazaar Inc.

John will instruct Vendors that they must keep their area clean at all times.

We will have two porta potties available to start, one will be handicapped. They will be located in the parking lot.

We will adjust the amount of porta potties if needed.

Thank You,

Candida Andriole
