Re: Cease and desist

Dear Mr. Cisneros,

Recently the City of Key West Code Compliance Department has received complaints regarding drivers/employees of Keys Shuttle Dynamic Transportation, Inc. picking up passengers within the territorial boundaries of the City of Key West. This activity is contrary to the City of Key West Code of Ordinances, Sec.78-5 (a), a copy of which I have included in this notice.

In the interest of maintaining a good relationship between the City and your company, as a courtesy we are writing to inform you that I have met with City Legal Staff about enforcement of these regulations. It is essential to know the City prefers we correct the problems through proper understanding and voluntary compliance.

This will serve as your legal notice to cease and desist the picking up of passengers within the territorial boundaries of the City of Key West immediately or face legal sanctions under the applicable local ordinance(s).

Please do not hesitate to contact me if you have any questions.

Sincerely,

A handwritten signature in cursive script that reads "Jim Young".
