

APPLICATION

Application for Development Plan & Conditional Use

City of Key West, Florida • Planning Department
1300 White Street • Key West, Florida 33040 • 305-809-3764 • www.cityofkeywest-fl.gov

Development Plan & Conditional Use Application Fee schedule

(Fees listed include the \$210.00 advertising/noticing fee and the \$105.00 fire review fee)

Corrected app per email

Development Plan

Minor:

Within Historic District	\$ 3,150.00
Outside Historic District	\$ 2,520.00
Conditional Use	\$ 1,470.00
Extension	\$ 840.00

Major:

Conditional Use	\$ 1,470.00
Extension	\$ 840.00

Minor Deviation

Minor Deviation	\$ 840.00
-----------------	-----------

Major Deviation

Major Deviation	\$ 1,470.00
-----------------	-------------

Conditional Use (not part of a development plan)	\$ 2,940.00
Extension (not part of a development plan)	\$ 840.00

Applications will not be accepted unless complete

<u>Development Plan</u>	<u>Conditional Use</u>	<u>Historic District</u>

Please print or type:

- Site Address: 114 Simonton Street, Key West, Florida 33040
- Name of Applicant: Hydro-Thunder of Key West, Inc., a Florida profit corporation
- Applicant is:
Property Owner: _____
Authorized Representative: X _____
(attached Authorization and Verification Forms must be completed)
- Address of Applicant: 150 Simonton Street
Key West, Florida 33040
- Applicant's Phone #: 305-294-0252 Email: greg@oropezastonescardenas.com
- Email Address: greg@oropezastonescardenas.com
- Name of Owner, if different than above: Historic Tours of America, Inc.
- Address of Owner: 201 Front Street, Suite 224, Key West, Florida 33040
- Owner Phone #: 305-294-0252 Email: greg@oropezastonescardenas.com

- 10) Zoning District of Parcel: HRCC1 RE# 00000290-000000
- 11) Is Subject Property located within the Historic District? Yes No If Yes: Date of approval Unknown
 HARC approval # Unknown OR: Date of meeting
- 12) Description of Proposed Development and Use. Please be specific, list existing and proposed buildings and uses, number of dwelling units, parking, restaurant seats, vehicles proposed, etc. If there is more than one use, describe in detail the nature of each use (Give concise description here and use a separate sheet if necessary).
Fifty (50) golf cart vehicles for use by an existing recreational vehicle rental company.
-
- 13) Has subject Property received any variance(s)? Yes No If Yes: Date of approval Resolution #
 Attach resolution(s).
- 14) Are there any easements, deed restrictions or other encumbrances on the subject property? Yes No
 If Yes, describe and attach relevant documents.
-

- A. For both *Conditional Uses* and *Development Plans*, provide the information requested from the attached **Conditional Use and Development Plan** sheet.
- B. For *Conditional Uses* only, also include the **Conditional Use Criteria** required under Chapter 122, Article III, Sections 122-61 and 122-62 of the Land Development Regulations (see attached copy of criteria).
- C. For *Major Development Plans* only, also provide the **Development Plan Submission Materials** required under Chapter 108, Article II, Division 7, Sections 108-226 through 108-248 of the Land Development Regulations (see attached copy of criteria) and any additional information as determined by the Planning Staff.
- D. For both Conditional Uses and Development Plans, one set of plans MUST be signed & sealed by an Engineer or Architect.

Please note, development plan and conditional use approvals are quasi-judicial hearings and it is improper to speak to a Planning Board member or City Commissioner about the project outside of the hearing.

Required Plans and Related Materials for both a Conditional Use and Minor/Major Development Plan

- I. **Existing Conditions.**
- A) Recent Survey of the site by a licensed Surveyor (Survey must be within 10 years from submittal date of this application) showing all dimensions including distances from property lines, and including:
- 1) Size of site;
 - 2) Buildings, structures, and parking;
 - 3) FEMA Flood Zone;

- 4) Topography;
- 5) Easements; and
- 6) Location of Utility Lines (sewer, water, electric, cable) adjacent and extending into the site.

- B) Existing size, type and location of trees, hedges, and other features.
- C) Existing stormwater retention areas and drainage flows.
- D) A sketch showing adjacent land uses, buildings, and driveways.

II. **Proposed Development:** Plans at 11" X 17" (10,000 Sq. ft. or less); 24" X 36" if site is over 10,000 sq. ft.

- A) Site Plan to scale of with north arrow and dimensions by a licensed architect or engineer.
 - 1) Buildings
 - 2) Setbacks
 - 3) Parking:
 - a. Number, location and size of automobile and bicycle spaces
 - b. Handicapped spaces
 - c. Curbs or wheel stops around landscaping
 - d. Type of pavement
 - 4) Driveway dimensions and material
 - 5) Location of Utility Lines (sewer, water, electric, cable) adjacent and extending into the site.
 - 6) Location of garbage and recycling
 - 7) Signs
 - 8) Lighting
 - 8) Project Statistics:
 - a. Zoning
 - b. Size of site
 - c. Number of units (or units and Licenses)
 - d. If non-residential, floor area & proposed floor area ratio
 - e. Consumption area of restaurants & bars
 - f. Open space area and open space ratio
 - g. Impermeable surface area and impermeable surface ratio
 - h. Number of automobile and bicycle spaces required and proposed
- B) Building Elevations
 - 1) Drawings of all building from every direction. If the project is in the Historic District, please submit HARC approved site plans.
 - 2) Height of building.
 - 3) Finished floor elevations and bottom of first horizontal structure
 - 4) Height of existing and proposed grades
- C) Drainage Plan: Existing & Proposed retention areas and calculations approved by the City Engineer. See one of the attached commercial and residential use Stormwater Retention Forms.
- D) Landscape Plan: Size, type, location and number of plants to be removed, kept, and installed. The plan must be approved by the City Landscape Coordinator through a letter of approval. If the project is a Major Development Plan a landscape design prepared by a licensed Landscape Architect is required per Section 108-511(b) of the Land Development Regulations.

- III. **Solutions Statement.** Aspects of the design that address community issues including but not limited to water pollution from stormwater runoff, potable water conservation, waste disposal, recycling, energy conservation, affordable housing, and impacts on neighbors such as lighting, noise, traffic and parking.

Development Plan Submission Materials

Sec. 108-226. Scope.

A development plan, for the purposes of this division, shall include but not necessarily be limited to the requirements in this division. With the exception of sections 108-227 through 108-229, the city planner may waive or modify requirements, information and specific performance criteria for development plan review after rendering a finding in writing that such requirements:

- (1) Are not necessary prior to development plan approval in order to protect the public interest or adjacent properties;
- (2) Bear no relationship to the proposed project or its impacts; and
- (3) Are found to be impractical based on the characteristics of the use, including the proposed scale, density/intensity, and anticipated impacts on the environment, public facilities and adjacent land uses.

Sec. 108-227. Title block.

The development plan shall contain the following pertaining to the title block:

- (1) Name of development.
- (2) Name of owner/developer.
- (3) Scale.
- (4) North arrow.
- (5) Preparation and revision date.
- (6) Location/street address of development.

Sec. 108-228. Identification of key persons.

The development plan shall contain the following pertaining to identification of key persons:

- (1) Owner.
- (2) Owner's authorized agent.
- (3) Engineer and architect.
- (4) Surveyor.
- (5) Landscape architect and/or environmental consultant.
- (6) Others involved in the application.
- (7) A verified statement showing each and every individual person having a legal and/or equitable ownership interest in the subject property, except publicly held corporations whose stock is traded on a nationally recognized stock exchange, in which case the names and addresses of the corporation and principal executive officers together with any majority stockholders will be sufficient.

Sec. 108-229. Project description.

Project description should be included on the site plan sheet. The development plan shall contain the following pertaining to the project description:

- (1) Zoning (include any special districts).
- (2) Project site size (acreage and/or square footage).
- (3) Legal description.
- (4) Building size.
- (5) Floor area ratio permitted and proposed.
- (6) Lot coverage permitted and proposed.
- (7) Impervious surface.
- (8) Pervious surface.
- (9) Landscape areas.

- (10) Parking spaces permitted and proposed.
- (11) Delineation of location of existing and proposed structures.
- (12) Existing and proposed development type denoted by land use including density/intensity.
- (13) Setbacks.

Sec. 108-230. Other project information.

A general outline of the proposed development shall include the following criteria where applicable:

- (1) Proposed stages or phases of development or operation and facility utilization.
- (2) Target dates for each phase.
- (3) Expected date of completion.
- (4) Proposed development plan for the site.
- (5) A written description of characteristics of the proposed development (i.e., number and type of residential units; floor area by land use; number of tourist accommodations units; seating or parking capacities; number of hospital beds; any proposed outside facilities or areas to be used for storage, display, outside sales, waste disposal or similar use; and any other proposed uses).
- (6) For planned unit developments, indicate design techniques (i.e., clustering, zero lot line, or other techniques) used to reduce public facility costs, reduce disturbance of natural resources, and preserve scenic quality of the site.
- (7) Buildings and siting specifications which shall be utilized to reduce damage potential and to comply with federal flood insurance regulations.
- (8) Protection against encroachment together with proposed mitigation measures to be employed within environmentally sensitive areas.

Sec. 108-231. Residential developments.

- (a) If the development includes residential units, the following characteristics shall be discussed in the written description:
 - (1) A breakdown of the proposed residential units by number of bedrooms;
 - (2) Tenure (i.e., owner-occupied or rental); and
 - (3) Structure type, such as single-family, duplex, multiple-family, mobile home.
- (b) Refer to division 10 of article V of chapter 122 for information and legal instruments needed to satisfy the city's affordable housing requirements.

Sec. 108-232. Intergovernmental coordination.

The development plan shall contain the following pertaining to intergovernmental coordination:

- (1) Provide proof of coordination with applicable local, regional, state and federal agencies, including but not limited to the following agencies that will be involved in the project:
 - a. South Florida Regional Planning Council (SFRPC).
 - b. City electric system (CES).
 - c. State department of environmental protection (DEP).
 - d. Army Corps of Engineers (ACOE).
 - e. South Florida Water Management District (SFWMD).
 - f. State department of transportation (DOT).
 - g. State department of community affairs (DCA).
 - h. Florida Keys Aqueduct Authority (FKAA).
 - i. State fish and wildlife conservation commission (F&GC).
 - j. The county.
- (2) Provide evidence that any necessary permit, lease or other permission from applicable local, regional, state and federal agencies has been obtained for any activity that will impact wetland communities or submerged land.
- (3) When intergovernmental coordination efforts are incomplete, the applicant shall provide evidence of good faith efforts towards resolving intergovernmental coordination issues.

CONDITIONAL USE CRITERIA

Sec. 122-61. Purpose and intent.

The purpose of this article is to ensure that a conditional use shall only be permitted on specific sites where the proposed use may be adequately accommodated without generating adverse impacts on properties and land uses within the immediate vicinity. This article sets forth provisions and criteria for consideration of conditional uses on specific sites. Conditional uses shall be permitted only upon a finding that the proposed use satisfies this article.

Sec. 122-62. Specific criteria for approval.

- (a) Findings. A conditional use shall be permitted upon a finding by the planning board that the proposed use, application and, if applicable, development plan comply with the criteria specified in this section, including specific conditions established by the planning board and or the city commission during review of the respective application in order to ensure compliance with the comprehensive plan and land development regulations. If the proposed conditional use is a major development pursuant to sections 108-165 and 108-166, the city commission shall render the final determination pursuant to section 122-63. A conditional use shall be denied if the city determines that the proposed use does not meet the criteria provided in this section and, further, that the proposed conditional use is adverse to the public's interest. An application for a conditional use shall describe how the specific land use characteristics proposed meet the criteria described in subsection (c) of this section and shall include a description of any measures proposed to mitigate against possible adverse impacts of the proposed conditional use on properties in the immediate vicinity.
- (b) Characteristics of use described. The following characteristics of a proposed conditional use shall be clearly described as part of the conditional use application:
 - (1) Scale and intensity of the proposed conditional use as measured by the following:
 - a. Floor area ratio;
 - b. Traffic generation;
 - c. Square feet of enclosed building for each specific use;
 - d. Proposed employment;
 - e. Proposed number and type of service vehicles; and
 - f. Off-street parking needs.
 - (2) On- or off-site improvement needs generated by the proposed conditional use and not identified on the list in subsection (b)(1) of this section including the following:
 - a. Utilities;
 - b. Public facilities, especially any improvements required to ensure compliance with concurrency management as provided in chapter 94;
 - c. Roadway or signalization improvements, or other similar improvements;
 - d. Accessory structures or facilities; and
 - e. Other unique facilities/structures proposed as part of site improvements.
 - (3) On-site amenities proposed to enhance site and planned improvements. Amenities including mitigative techniques such as:
 - a. Open space;
 - b. Setbacks from adjacent properties;
 - c. Screening and buffers;
 - d. Landscaped berms proposed to mitigate against adverse impacts to adjacent sites; and
 - e. Mitigative techniques for abating smoke, odor, noise, and other noxious impacts.

- (c) Criteria for conditional use review and approval. Applications for a conditional use shall clearly demonstrate the following:
- (1) Land use compatibility. The applicant shall demonstrate that the conditional use, including its proposed scale and intensity, traffic-generating characteristics, and off-site impacts are compatible and harmonious with adjacent land use and will not adversely impact land use activities in the immediate vicinity.
 - (2) Sufficient site size, adequate site specifications, and infrastructure to accommodate the proposed use. The size and shape of the site, the proposed access and internal circulation, and the urban design enhancements must be adequate to accommodate the proposed scale and intensity of the conditional use requested. The site shall be of sufficient size to accommodate urban design amenities such as screening, buffers, landscaping, open space, off-street parking, efficient internal traffic circulation, infrastructure (i.e., refer to chapter 94 to ensure concurrency management requirements are met) and similar site plan improvements needed to mitigate against potential adverse impacts of the proposed use.
 - (3) Proper use of mitigative techniques. The applicant shall demonstrate that the conditional use and site plan have been designed to incorporate mitigative techniques needed to prevent adverse impacts to adjacent land uses. In addition, the design scheme shall appropriately address off-site impacts to ensure that land use activities in the immediate vicinity, including community infrastructure, are not burdened with adverse impacts detrimental to the general public health, safety and welfare.
 - (4) Hazardous waste. The proposed use shall not generate hazardous waste or require use of hazardous materials in its operation without use of city-approved mitigative techniques designed to prevent any adverse impact to the general health, safety and welfare. The plan shall provide for appropriate identification of hazardous waste and hazardous material and shall regulate its use, storage and transfer consistent with best management principles and practices. No use which generates hazardous waste or uses hazardous materials shall be located in the city unless the specific location is consistent with the comprehensive plan and land development regulations and does not adversely impact wellfields, aquifer recharge areas, or other conservation resources.
 - (5) Compliance with applicable laws and ordinances. A conditional use application shall demonstrate compliance with all applicable federal, state, county, and city laws and ordinances. Where permits are required from governmental agencies other than the city, these permits shall be obtained as a condition of approval. The city may affix other conditions to any approval of a conditional use in order to protect the public health, safety, and welfare.
 - (6) Additional criteria applicable to specific land uses. Applicants for conditional use approval shall demonstrate that the proposed conditional use satisfies the following specific criteria designed to ensure against potential adverse impacts which may be associated with the proposed land use:
 - a. Land uses within a conservation area. Land uses in conservation areas shall be reviewed with emphasis on compliance with section 108-1 and articles III, IV, V, VII and VIII of chapter 110 pertaining to environmental protection, especially compliance with criteria, including land use compatibility and mitigative measures related to wetland preservation, coastal resource impact analysis and shoreline protection, protection of marine life and fisheries, protection of flora and fauna, and floodplain protection. The size, scale and design of structures located within a conservation area shall be restricted in order to prevent and/or minimize adverse impacts on natural resources. Similarly, public uses should only be approved within a wetland or coastal high hazard area V zone when alternative upland locations are not feasible on an upland site outside the V zone.
 - b. Residential development. Residential development proposed as a conditional use shall be reviewed for land use compatibility based on compliance with divisions 2 through 14 of article IV and divisions 2 and 3 of article V of this chapter pertaining to zoning district regulations, including size and dimension regulations impacting setbacks, lot coverage, height, mass of building, building coverage, and open space criteria. Land use compatibility also shall be measured by appearance, design, and land use compatibility criteria established in chapter 102; articles III, IV and V of chapter 108; section 108-956; and article II of chapter 110; especially protection of historic resources; subdivision of land; access, internal circulation, and off-street parking; as well as possible required mitigative measures such as landscaping and site design amenities.
 - c. Commercial or mixed-use development. Commercial or mixed use development proposed as a conditional use shall be reviewed for land use compatibility based on compliance with divisions 2 through 14 of article IV and divisions 2 and 3 of article V of this chapter pertaining to zoning district regulations, including size and dimension regulations impacting floor area ratio, setbacks, lot coverage, height, mass of buildings, building coverage, and open space criteria. Land use compatibility also shall be measured by appearance,

design, and land use compatibility criteria established in chapter 102; articles I, II, IV and V of chapter 108; section 108-956; and article II of chapter 110; especially protection of historic resources; subdivision of land; access, pedestrian access and circulation; internal vehicular circulation together with access and egress to the site, and off-street parking; as well as possible required mitigative measures such as landscaping, buffering, and other site design amenities. Where commercial or mixed use development is proposed as a conditional use adjacent to U.S. 1, the development shall be required to provide mitigative measures to avoid potential adverse impacts to traffic flow along the U.S. 1 corridor, including but not limited to restrictions on access from and egress to U.S. 1, providing for signalization, acceleration and deceleration lanes, and/or other appropriate mitigative measures.

- d. Development within or adjacent to historic district. All development proposed as a conditional use within or adjacent to the historic district shall be reviewed based on applicable criteria stated in this section for residential, commercial, or mixed use development and shall also comply with appearance and design guidelines for historic structures and contributing structures and/or shall be required to provide special mitigative site and structural appearance and design attributes or amenities that reinforce the appearance, historic attributes, and amenities of structures within the historic district.
- e. Public facilities or institutional development. Public facilities or other institutional development proposed as a conditional use shall be reviewed based on land use compatibility and design criteria established for commercial and mixed-use development. In addition, the city shall analyze the proposed site location and design attributes relative to other available sites and the comparative merits of the proposed site, considering professionally accepted principles and standards for the design and location of similar community facilities and public infrastructure. The city shall also consider compliance with relevant comprehensive plan assessments of community facility and infrastructure needs and location impacts relative to service area deficiencies or improvement needs.
- f. Commercial structures uses and related activities within tidal waters. The criteria for commercial structures, uses and related activities within tidal waters are as provided in section 122-1186.
- g. Adult entertainment establishments. The criteria for adult entertainment establishments are as provided in division 12 of article V of this chapter.

CONDITIONAL USE CRITERIA

114 Simonton Street; Parcel ID No. 00000290-000000

Title Block:

- | | |
|-------------------------------|---------------------------------|
| a. Name of Development: | Hydro-Thunder of Key West, Inc. |
| b. Name of Owner: | Historic Tours of America, Inc. |
| c. Name of Tenant/Operator: | Hydro-Thunder of Key West, Inc. |
| d. Name of Applicant: | Oropeza Stones & Cardenas, PLLC |
| e. Scale: | 1" = 3/16' |
| f. North Arrow: | As identified on the site plan |
| g. Preparation/Revision Date: | March 7, 2023 |

Identification of Key Persons:

- | | |
|------------------------------|----------------------------------|
| a. Owners: | Historic Tours of America, Inc. |
| b. Owner's Authorized Agent: | Oropeza, Stones & Cardenas, PLLC |
| c. Architect: | A2O Architecture |

Project Description:

Project Description: The proposed project is for fifty (50) golf carts for use by an existing recreational vehicle rental company at the Development.

Other Project Information:

- a. Proposed Phases of Development and Target Dates:
 - i. Single Phase
- b. Expected Date of Completion – On or before January 31, 2024.

Sec. 122-62. Specific Criteria for Approval

(a) The Planning Board may find that the Application meets the Code purpose of ensuring that "a conditional use shall only be permitted on specific sites where the proposed use may be adequately accommodated without generating adverse impacts on properties and land uses within the immediate vicinity." The proposed site adequately accommodates the proposed number of golf carts without generating adverse impacts on the properties and land uses within the immediate vicinity.

(b) Characteristics of use described.

(1) Scale and intensity of the proposed conditional use as measured by the following:

- a. Floor area ratio – No change.

- b. Traffic generation –The proposed project will not alter any roadways and will not have a negative impact on the flow of traffic. The majority of traffic is walk up foot traffic at Hydro-thunder’s primary location at 150 Simonton Street. Additionally, Hydro-thunder provides a free shuttle service to and from local hotels for its customers. As evidenced by Hydro-thunder’s traffic engineer, Karl B. Peterson, there will be no change in traffic flow or impact.
- c. Square feet of enclosed building for each specific use – None.
- d. Proposed employment – No change.
- e. Proposed number and type of service vehicles – Zero.
- f. Off-street parking needs – Zero, as the parking is contained within the Premises.

(2) On-or off-site improvement needs generated by the proposed conditional use and not identified on the list in subsection (b)(1) of this section including the following:

- a. Utilities – Current utility service is adequate to support the proposed relocation of licenses.
- b. Public facilities, especially any improvements required to ensure compliance with concurrency management as provided in chapter 94 – No upgrades to public facilities are anticipated as a result of the proposed development.
- c. Roadway or signalization improvements, or other similar improvements – No upgrades to roadways or signalization are anticipated as a result of the proposed development.
- d. Accessory structures or facilities – None.
- e. Other unique facilities/structures proposed as part of site improvements – None known at this time.

(3) On-site amenities proposed to enhance site and planned improvements. Amenities including mitigative techniques such as:

- a. Open space – No change.
- b. Setbacks from adjacent properties – No change.
- c. Screening and buffers – No change.
- d. Landscaped berms proposed to mitigate against adverse impacts to adjacent sites – No change.

- e. Mitigative techniques for abating smoke, odor, noise and other noxious impacts – The proposed development is not anticipated to produce any smoke, odor, noise or noxious impacts.

(c) Criteria for conditional use review and approval.

(1) Land use compatibility – The conditional use shall not adversely impact land use activities in the immediate vicinity and is compatible with the surrounding property. The property is located in a shopping center with other commercial businesses, solely contained within the existing building.

(2) Sufficient site size, adequate site specifications and infrastructure to accommodate the proposed use – The size and shape of the site are more than adequate to accommodate the proposed scale and intensity of the conditional use requested.

(3) Proper use of mitigative techniques – Adverse impacts will not affect surrounding properties.

(4) Hazardous waste – No hazardous waste will be generated or used on the Property. There shall be no fuel or products stored on site.

(5) Compliance with applicable laws and ordinances – All applicable federal, state, county and city laws shall be complied with for the proposed relocation of licenses.

(6) Additional criteria applicable to specific land uses.

- a. Land uses within a conservation area – Not applicable.
- b. Residential development – Not applicable.
- c. Commercial or mixed use development. Not applicable.
- d. Development within or adjacent to historic district – Not applicable as no new development is proposed.
- e. Public facilities or institutional development – Not applicable.
- f. Commercial structures, uses and related activities within tidal waters – Not applicable.
- g. Adult entertainment establishments – Not applicable.

Traffic Study

KBP CONSULTING, INC.

Gregory S. Oropeza, Esq.
Oropeza Stones Cardenas
221 Simonton Street
Key West, FL 33040

**Re: Hydro-Thunder Golf Carts – Key West, Florida
Traffic Statement**

Dear Greg:

There is an existing retail property located generally in the southern quadrant of the intersection at Simonton Street and Front Street in Key West, Monroe County, Florida. More specifically, the subject site is located at 114 Simonton Street. Hydro-Thunder of Key West proposes to utilize this location for the storage of 50 golf carts that will be utilized for their vehicle rental business. The purpose of this traffic statement is to document the anticipated roadway impacts associated with the location of 50 golf cart rental licenses at 114 Simonton Street.

Location of Proposed Golf Carts & Roadway Access

According to the latest plans the proposed golf carts will be stored in the rear of the subject building. Access to the interior vehicle storage area will be provided by an existing garage door on the south side of the building. Vehicular access to the site is provided by an existing full access driveway on Simonton Street that leads to a surface parking lot on the south side of the building. This access point will allow exiting golf carts to turn left or right onto Simonton Street. And, in a similar manner, golf carts entering the site will be able to turn left or right from Simonton Street. The proposed storage location of these vehicles is depicted on the overall floor plan contained in Attachment A to this memorandum.

Trip Generation Analysis

Concerning the proposed location of 50 rental golf carts at 114 Simonton Street, it is estimated that a majority of these vehicles at this location will be rented on a daily basis and by guests of nearby hotels and resorts. That is, they will be rented in the morning or early afternoon and returned that same day. As such, these vehicles will typically result in one (1) exiting trip and one (1) entering trip per day. Therefore, in a worst-case scenario, 50 golf cart rentals would generate approximately 100 daily vehicle trips (i.e. one inbound and one outbound trip per day). Additionally, the peak hour impact is estimated to be approximately 20% of the daily trips or 20 peak hour trips.

Traffic Impacts

In accordance with Section 18-358 of the City's Code of Ordinances, the traffic impacts associated with the proposed golf cart rentals at the subject location must be addressed. More specifically, insignificant (or "de minimis") impacts are defined as those that constitute an impact of less than three percent (3.0%) of the capacity on the local transportation network.

Based upon the location of the proposed rental golf carts, it is expected that these vehicles will quickly disperse throughout the City's street grid network. As a result of this trip dispersion, impacts to any single roadway or intersection will be minimal. However, for the purposes of this traffic impact analysis, our focus is on Simonton Street, Front Street, Greene Street, Caroline Street, Eaton Street and Duval Street.

The trip distribution patterns for this site have been developed based upon the surrounding roadway network and the area's land uses / attractions. The inbound and outbound trip distribution patterns are presented in Attachment B to this memorandum.

Capacity Analyses

According to the FDOT's 2020 Quality / Level of Service Handbook, in urbanized areas two-lane undivided, class II (35 miles per hour or slower posted speed limit), non-state roadways (without turn lanes) have a daily capacity of approximately 10,360 vehicles and a peak hour capacity of approximately 931 vehicles. (Please see Attachment C for the referenced level of service thresholds.) The daily and peak hour traffic impacts to the surrounding (and primarily impacted) roadway segments are summarized in Table 1 below.

Table 1 114 Simonton Street - Hydro-Thunder Golf Carts Key West, Florida						
Roadway	Daily			Peak Hour		
	Capacity	Project Traffic	% Impact	Capacity	Project Traffic	% Impact
Simonton Street - North of Front St	10,360	5	0.05%	931	1	0.11%
Simonton Street - Front St to Project DW	10,360	50	0.48%	931	10	1.07%
Simonton Street - Project DW to Greene St	10,360	50	0.48%	931	10	1.07%
Simonton Street - Greene St to Caroline St	10,360	30	0.29%	931	6	0.64%
Simonton Street - Caroline St to Eaton St	10,360	20	0.19%	931	4	0.43%
Front Street - East of Simonton St	10,360	15	0.14%	931	3	0.32%
Front Street - West of Simonton St	10,360	30	0.29%	931	6	0.64%
Greene Street - Elizabeth St to Simonton St	10,360	10	0.10%	931	2	0.21%
Greene Street - Simonton St to Duval St	10,360	10	0.10%	931	2	0.21%
Caroline Street - Elizabeth St to Simonton St	10,360	5	0.05%	931	1	0.11%
Caroline Street - Simonton St to Duval St	10,360	5	0.05%	931	1	0.11%
Eaton Street - Elizabeth St to Simonton St	10,360	5	0.05%	931	1	0.11%
Eaton Street - Simonton St to Duval St	10,360	5	0.05%	931	1	0.11%
Duval Street - Front St to Greene St	10,360	20	0.19%	931	4	0.43%
Duval Street - Greene St to Caroline St	10,360	20	0.19%	931	4	0.43%
Duval Street - Caroline St to Eaton St	10,360	15	0.14%	931	3	0.32%

KBP CONSULTING, INC.

As indicated in Table 1 on the previous page, the projected daily and peak hour vehicle trips associated with the proposed Hydro-Thunder golf cart rentals at 114 Simonton Street are substantially less than the 3.0% significance thresholds on each of the directly impacted roadway segments in close proximity to the site. Therefore, these volumes will not have a significant impact on the local street network.

Conclusions

Based upon the foregoing analysis and assessment of the traffic operations associated with the proposed Hydro-Thunder golf cart rentals to be located at 114 Simonton Street in Key West, it is evident that the resulting daily and peak hour traffic can be accommodated within the City's 3.0% traffic impact threshold on the directly impacted roadway segments.

If you have any questions or require additional information, please do not hesitate to contact me.

Sincerely,

KBP CONSULTING, INC.

Key West, Florida 33040

**Re: Hydro Thunder Recreational Vehicle Rentals
Conditional Use Application – Traffic Statement**

Dear Greg:

Hydro Thunder is an existing recreational vehicle rental business located in Key West, Monroe County, Florida. More specifically, the location that is the subject of this Conditional Use Application is 150 Simonton Street. This location currently has licenses for 41 electric cars and 46 scooters. A modification in this existing fleet mix is proposed. The number of electric cars is proposed to increase from 41 to 51 while the number of scooters is proposed to decrease from 46 to 36. The total number of vehicles (i.e. 87) at this location will remain unchanged. The purpose of this traffic statement is to document the anticipated traffic impacts associated with the proposed change in fleet mix.

As stated previously, the total number of vehicles (i.e. electric cars and scooters) at the 150 Simonton Street location will remain at 87. Furthermore, it is noted that these vehicle types have similar operating characteristics (as far as their speeds and travel patterns) while on the street network. Given that there will be no increase in the number of vehicles licensed at this site and the similarity in the operating characteristics of the subject vehicles, it is evident that the traffic impacts associated with the proposed change in the fleet mix will be negligible.

If you have any questions or require additional information, please do not hesitate to contact me.

Sincerely,

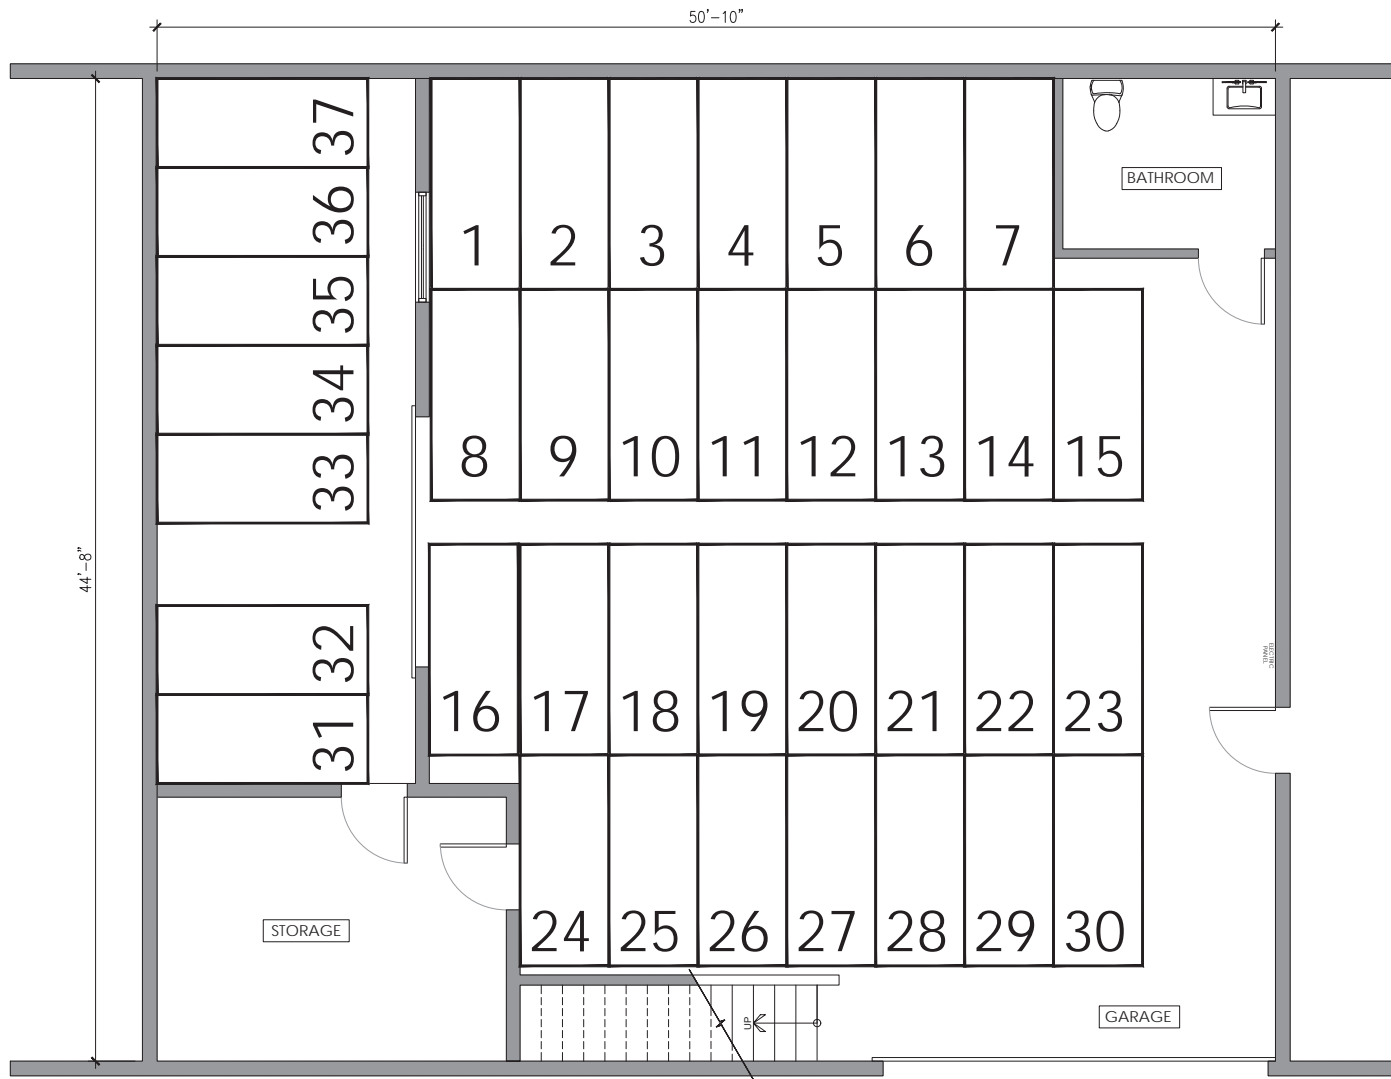

KBP CONSULTING, INC.

RE: ASSIGNMENT of STREET ADDRESS

Dear Mimi,

The following addresses are assigned to the spaces located on the property as shown on the attached sketch, RE: 29

- | | |
|----------------------------------|---------------------|
| 106 Simonton Street | 110 Simonton Street |
| 114 Simonton Street | |
| 122 Simonton Street Trolley Barn | |
| 126 Simonton Street | 130 Simonton Street |
| 134 Simonton Street | 138 Simonton Street |
| 142 Simonton Street | 146 Simonton Street |
| 150 Simonton Street | 154 Simonton Street |

535 Greene Street

The orientation and number of the spaces located near the intersection of Simonton and Greene Streets have not been determined and will get Addresses in the near future.

If you have any questions or require further information, please call me at (305) 292-8155.

Sincerely,

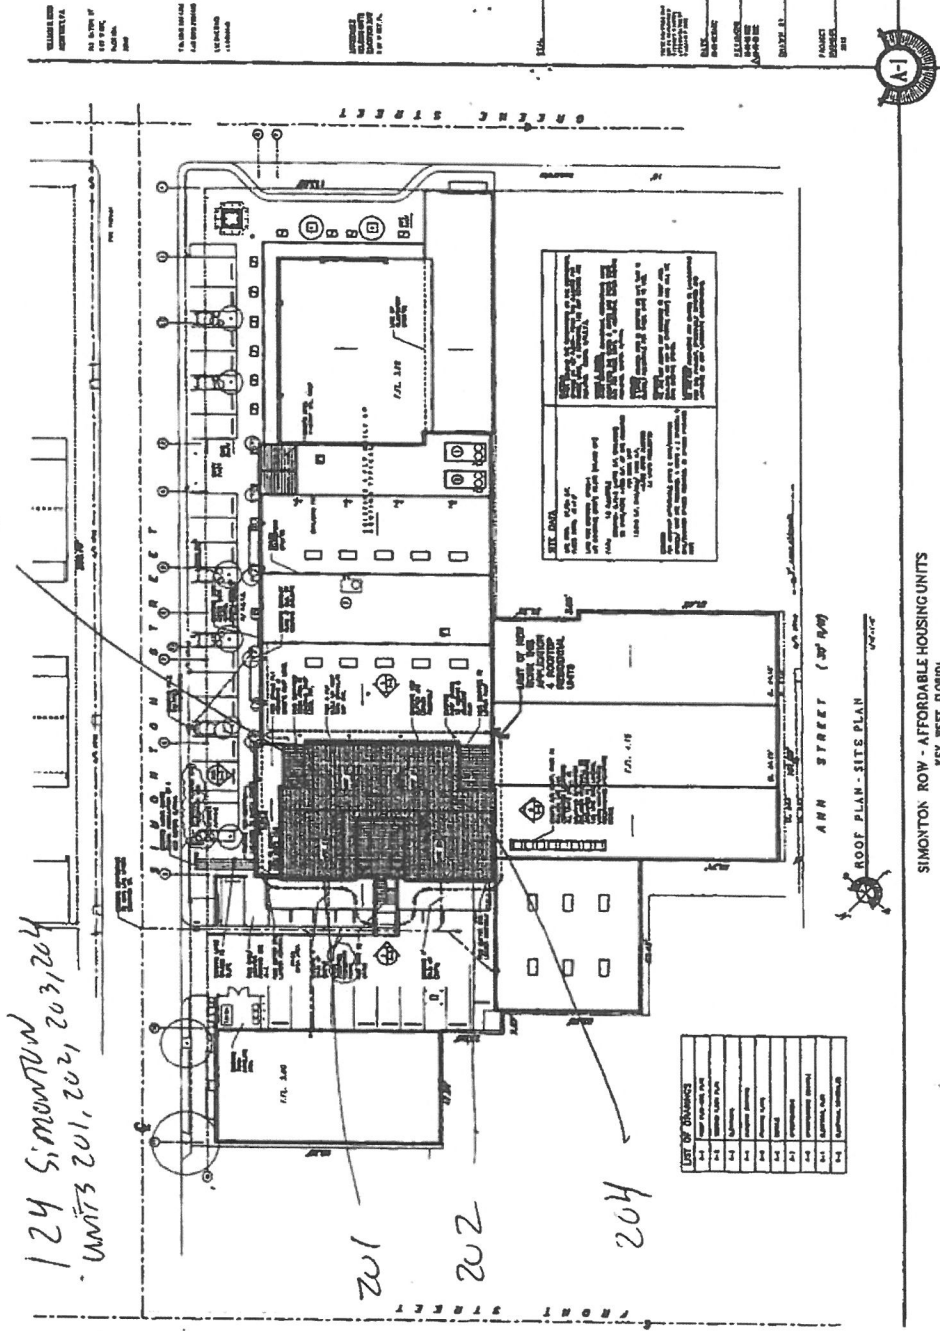

Roland S. Flowers, P.E.
Director General Services/City Engineer

WARRANTY DEED

THIS INDENTURE,

Wherever used herein, the term "party" shall include the heirs, personal representatives, successors and/or assigns of the respective parties hereto; the use of the singular numbers shall include the plural, and the plural the singular, the use of any gender; and, if used, the term "note" shall include all the notes herein described if more than one.

Made this 8 day of May, 2001

Between STRUNK LUMBER YARD, INC. a Florida corporation, P.O. Box 1199, Key West, Florida, party of the first part, and HISTORIC TOURS OF AMERICA, INC., a Florida Corporation, 201 Front Street, Suite 224, Key West, Florida 33040, party of the second part.

WITNESSETH

That the said party of the first part, for and in consideration of the sum of Ten Dollars (\$10.00) and other good and valuable consideration, to it in hand paid by the said party of the second part, the receipt whereof is hereby acknowledged, has granted, bargained and sold to the said party of the second part, its heirs and assigns forever, the following described land, situated, lying and being in the County of Monroe, State of Florida, to wit:

A Parcel of Land located on the Island of Key West and also known as Lot 1, and a portion of Lots 2, 3, & 4, Square Six (6), William A. Whitehead's Map of the Town of Key West, together with the Island as surveyed and delineated in February, A.D. 1829, and being more particularly described as follows:

Begin at the intersection of the Northwesterly Right-of-Way Line of Greene Street and the Southwesterly Right-of-Way Line of Simonton Street; thence N33°56'35"W (bearings based on an assumed bearing) along the said Southwesterly Right-of-Way Line of Simonton Street a distance of 387.20 feet to a point lying 46.00 feet Southeasterly from Front Street; thence S 56° 03'25"W, and leaving the said Southwesterly Right-of-Way Line of Simonton Street a distance of 92.50 feet; thence S33°56'35"E, a distance of 46.00 feet; thence S56°03'25"W, a distance of 23.00 feet; thence S33°56'35"E, a distance of 7.57 feet; thence S56°03'25"W a distance of 53.50 feet; thence S33°56'35"E, a distance of 63.43 feet; thence S56°03'25"W, a distance of 56.71 feet to the Northeasterly Right-of-Way Line of Ann Street; thence S33°56'35"E, and along the said Northeasterly Right-of-Way Line of Ann Street a distance of 101.00 feet; thence N56°03'25"E, and leaving the said Northeasterly Right-of-Way Line of Ann Street a distance of 81.40 feet; thence N33°56'35"W, a distance of 3.00 feet; thence N56°03'25"E, a distance of 31.31 feet; thence S33°56'35"E, a distance of 172.20 feet to the said Northwesterly Right-of-Way Line of Greene Street; thence N56°03'25"E, and along the said Northwesterly Right-of-Way Line of Greene Street a distance of 113.00 feet to the Point of Beginning.

SUBJECT TO THAT CERTAIN DECLARATION OF RESTRICTIVE COVENANTS dated May 8, 2001, recorded May 9, 2001, in Official Records Book 1694 at Page 957, of the Public Records of Monroe County, Florida.

SUBJECT TO other conditions, limitations and restrictions and easements of record, if any,

however this shall not serve to reimpose same.
SUBJECT TO taxes and assessments for the year 2001 and subsequent years.

And the said party of the first part does hereby fully warrant the title to said land, and will defend the same against the lawful claims of all persons whomsoever.

In Witness Whereof, the said party of the first part has hereunto caused its appropriate officer to set his hand and seal the day and year first above written.
