## Lighthouse Suite

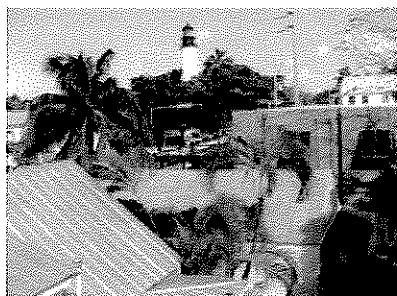

*Click images to enlarge.*

Nestled along a lazy island Lane, the Lighthouse Suite is the escape you've been seeking! This adorable 2 story one bedroom suite is located a block from Duval Street and the Ernest Hemingway House; you might as well follow Ernest's lead... this is island living at its best!

Roosters crowning, neighbors waving, warm temps and tropical breezes are just an everyday occurrence... Come see what the Florida Keys is all about - relaxation, comfort and color!

The Lighthouse Suite has a King bed as well as a twin sleeper sofa in the livingroom for the little ones or a weekend guest. Cook your dinners in and enjoy people watching from your balcony at every meal... This cozy suite has 2 balconies for you to enjoy! You will fall in love with your private jacuzzi on your bedroom balcony; count the stars or read a book - your decisions are endless at the Lighthouse Suite. Steps away from the action on Duval Street, this is your last stop on US1...

Welcome to Paradise!
