Dear Mr. Bouquet,

The purpose of this letter is to submit a request to update the current Hourly Rate Schedule (Exhibit A of the Agreement), which have been in effect since contract inception on November 14, 2012. Per Article 5.1.2.3, the Hourly Rate Schedule may be adjusted annually based on the Data Resource Institute (DRI) forecast of wage and price escalation (the U.S. Bureau of Labor and Statistics (BLS) employment Cost Index (ECI) for Private Industry).

- The overall ECI factor is 1.04.

The proposed Hourly Rate Schedules for Black & Veatch and Sub-consultants listing the adjusted rates are attached to this letter.

Named Insured:

Address (including ZIP Code):

This endorsement modifies insurance provided under the:
Commercial General Liability Coverage Part

- A. **Section II- Who Is an Insured** is amended to include as an insured any person or organization who you are required to add as an additional insured on this policy under a written contract or written agreement.
- B. The insurance provided to the additional insured person or organization applies only to "bodily injury", "property damage" or "personal and advertising injury" covered under **SECTION 1- Coverage A- Bodily Injury And Property Damage Liability and Section 1- Coverage B- Personal And Advertising Injury Liability**, but only with respect to liability for the "bodily injury", "property damage" or "personal and advertising injury" caused, in whole or in part by:
 1. Your acts or omissions; or
 2. The acts or omissions of those acting on your behalf; and resulting directly from:
 - a. Your ongoing operations preformed for the additional insured, which is the subject of the written contract or written agreement; or
 - b. "Your work" completed as included in the "products-completed operations hazard", preformed for the additional insured, which is the subject of the written contract or written agreement.
- C. However, regardless of the provisions of paragraphs **A.** and **B.** above:
 1. We will not extend any insurance coverage to any additional insured person or organization
 - a. That is not provided to you in this policy; or
 - b. That is any broader coverage than you are required to provide to the additional insured person or organization in the written contract or written agreement; and
 2. We will not provide Limits of Insurance to any additional insured person or organization that exceed the lower of:
 - a. The Limits of Insurance provided to you in this policy; or

- b. The Limits of Insurance you are required to provide in the written contract or written agreement.
- D. The insurance provided to the additional insured person or organization does not apply to:
 - "Bodily injury", "property damage" or "personal and advertising injury" arising out of the rendering or failure to render any professional architectural, engineering or surveying services including:
 - 1. The preparing, approving or failing to prepare or approve maps, shop drawings, opinions, reports, surveys, field orders, change orders or drawings and specifications; and
 - 2. Supervisory, inspection, architectural or engineering activities.
- E. The additional insured must see to it that:
 - 1. We are notified as soon as practicable of an "occurrence" or offense that may result in a claim;
 - 2. We receive written notice of a claim or "suit" as soon as practicable; and
 - 3. A request for defense and indemnity of the claim or "suit" will promptly be brought against any policy issued by another insurer under which the additional insured may be an insured in any capacity. This provision does not apply to insurance on which the additional insured is a Named insured, if the written contract or written agreement requires that this coverage be primary and non-contributory.
- F. For this coverage provided by this endorsement:
 - 1. The following paragraph is added to Paragraph **4a.** Of the Other Insurance Condition of **Section IV-Commercial General Liability Conditions.**

This insurance is primary insurance as respects our coverage to the additional insured person or organization, where the written contract or written agreement requires that this insurance be primary and non-contributory. In that event, we will not seek contribution from any other insurance policy available to the additional insured on which the additional insured person or organization is a named insured.

- 2. The following paragraph is added to Paragraph **4.b** of the Other Insurance Condition of **Section IV- Commercial General Liability Conditions:**

This insurance is excess over:

Any of the other insurance, whether primary, excess, contingent or any other basis, available to an additional insured, in which the additional insured on our policy is also covered as an additional insured by attachment or endorsement to another policy providing coverage for the same "occurrence", claim, or "suit". This provision does not apply to any policy in which the additional insured is a named insured on such other policy and where our policy is required by written contract or written agreement to provide coverage to the additional insured on a primary and non-contributory basis.

G. This endorsement does not apply to an additional insured which has been added to this policy by an endorsement showing the additional insured in a Schedule of additional insured's, and which endorsement applies specifically to that identified additional insured.

Any provisions in this Coverage Part not changed by the terms and conditions of this endorsement continue to apply as written.

Subject: Request for General Engineering Services Contract Extension
(Resolution No. 12-280)

Dear Mr. Bouquet:

CDM Smith respectfully requests that the City of Key West grant us the two-year contract renewal pursuant to Article 4 of our Agreement with the City dated November 13, 2012 and adopted under Resolution No.12-280.

With this request, I have attached a current "Exhibit A", updated per the provisions of Paragraph 5.1.2.3 of the Agreement and a current Certificate of Insurance. Our research of the BLS shows the employment cost index for Management, Professional and related as of December 2012 at 118.0 and the same index at December 2014 at 123.2 which results in an increase of $123.2/118.0 = 1.044$ or 4.4 percent.

If there is anything else you require, please do not hesitate to contact me at 813-281-2900 or at strobridgede@cdmsmith.com. We look forward to continue working with the City of Key West.

Very truly yours,

Daniel E. Strobridge, QEP

RE: Approving Ranking of Firms Submitting Responses to Request for Qualifications (RFQ) No. 12-005: General Engineering Services

ACTION STATEMENT:

Approving staff ranking of firms submitting responses to RFQ No. 12-005: General Engineering Services and authorizing City Manager to negotiate and pursuant to legal review enter into a contract.

BACKGROUND:

The City issued RFQ No. 12-005: General Engineering Services on July 1, 2012 and qualification packages were received on August 1, 2012. The City received the following twenty-one (21) responses to the RFQ:

- CH2M Hill
- CDM Smith
- Perez Engineering & Development
- Chen Moore
- Black & Veatch
- Calvin Giordano
- AMEC
- C3TS
- Weiler Engineering
- Corradino Group
- Bermello-Ajamil & Partners
- Shaw Engineering
- SRS Engineering
- Kissinger, Campo, & Assoc (KCA)
- Meridian Engineering
- Metric Engineering
- URS
- Langan
- Preble-Rish
- Hanis Wilson & Assoc
- Building Technology Associates (BTA)

Engineering staff reviewed each proposal to ensure the proposal contained the required submittals. Results are attached. One firm, Building Technology Associates

Key to the Caribbean – Average yearly temperature 77° F.

MEMORANDUM

(BTA), submitted a proposal that only related to roofing construction. Staff considered this proposal non-responsive to the requirements of the RFQ.

At an advertised public meeting held on September 12, 2012, a committee of City Staff reviewed the 21 firms that responded. Using the Selection Criteria Matrix in the RFQ, the selection committee developed a shortlist consisting of the following firms in highest to lowest ranking order:

1. CH2M Hill
2. CDM Smith
3. Perez Engineering & Development
4. Chen Moore
5. Black & Veatch
6. Calvin Giordano
7. AMEC
8. C3TS

Staff contacted clients of each shortlisted firm to check past work performances. All firms were highly recommended by past clients. Additionally, all shortlisted firms submitted proposals that were considered responsive to the RFQ. Perez Engineering & Development did fail to submit a signed addendum as required by the RFQ. However, the information in the addendum would not have altered their bid as the information was only in response to other firms' questions. Staff considers this a minor issue and not a reason to reject the proposal. Additionally, Perez has submitted a signed addendum after-the-fact.

As the City has multiple departments that manage projects of all sizes and disciplines simultaneously, the City typically prefers to contract with multiple firms to handle the workload and types of work. The term of contracts shall be for a period of three (3) years with the option of one (1) two (2) year renewal.

OPTIONS:

There are two (2) options:

1. Accept the rankings of staff and authorize City Manager to negotiate and pursuant to legal review enter into a contract with each of the short-listed firms,
2. Modify the staff's ranking and authorize City Manager to negotiate and pursuant to legal review enter into a contract with one or all of the firms of the modified ranking,

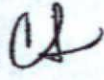

FINANCIAL ISSUES

There are no financial obligations with ranking and entering into contracts with each of the short-listed firms. The contracts will be task order based with which a dollar amount will have to be approved along with the task order per City Ordinance. All task orders over \$20,000 will be approved by the City Commission, and those below will be approved by the City Manager.

RECOMMENDATION

It is recommended that the City Commission accept the rankings of staff and authorize City Manager to negotiate and pursuant to legal review enter into a contract with each of the short-listed firms.

The City maintains a General Engineering Services Contract with C3TS that was approved for a 3-year term on October 2, 2012 (Resolution #12-280). Stantec has acquired C3TS and is requesting a name change on their existing contract with the City.

PURPOSE AND JUSTIFICATION

C3TS was acquired by Stantec on November 30, 2012.

OPTIONS / ADVANTAGES / DISADVANTAGES:

1. The City Commission can consent to assign the contract to reflect the name change from C3TS to Stantec. Doing so will allow the current level of service and contractual terms to remain.
2. The City Commission can decline to amend the contract. This option is not recommended by Staff, as the City may not be able to utilize the General Engineering Services that are essential in completing numerous current projects.
