RE: Virginia Street Landscape
Windsor Lane to Varela Street Right-of-Way Planting

Dear Doug:

As per the landscape plans dated February 9, 2012 the estimate of probable cost I have prepared for the purchase and delivery of the plant material, planting soil and mulch for the right-of-way planting excluding labor is \$10,585. Labor for installation, tree staking, watering and maintenance as you have indicated will be provided by City staff. Please let me know if you require any additional information.

Sincerely,

A handwritten signature in black ink, appearing to read 'Elizabeth', with a long horizontal flourish extending to the right.

Elizabeth Newland
