Dear Historic Architectural Review Commission,

My name is Sean McGeough and I am the owner and reside at 314 Virginia St. Key West fl. This property is behind 313 Amelia St. It has come to my attention that Mr. Edward Russell would like to put a porch on the back of his property at 313 Amelia St, for his 2nd floor tenant.

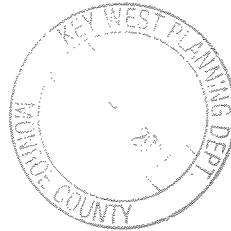

I understand that the porch will be located on the second floor, and that it does not appear to be too large and is within the scale of the house and does not deter from the historic nature of the neighborhood. We realize that someone standing on the porch could possibly see into our backyard. Being able to enjoy the weather and interact with the neighbors are some of the reasons people live in Key West.

Sincerely,

Sean And Jodi McGeough
