Hi Pat,

Please accept this email as a formal request/ notice for the tolling and extension of the next inspection period for Building Permits No. 16-2583, 16-1000914, and 17-315 based on the Governor's Executive Order No. 18-51.

It is my understanding that the project would require an inspection or expire 180 days from the last inspection, which according to the attached re-inspection receipt occurred on 12/12/17. Therefore, under the provisions of the EO 18-51, my calculation of the extension is:

Last Inspection: 12/12/17  
Next Inspection/ Expiration Date: 06/10/18  
240-day Tolling: 02/05/19  
6-month Extension: **08/05/19**

Thanks for your assistance.

Owen
