\_\_\_\_\_ Planning Director

**WHEREAS**, Section 122-1181 of the Land Development Regulations (the “LDRs) of the Code of Ordinances (the “Code”) of the City of Key West, Florida (the “City”) states that no separate accessory structure shall be erected less than 5-feet of any lot line; and

**WHEREAS**, the existing partially constructed accessory structure was erected less than 5-feet of the front lot line; and

**WHEREAS**, this matter came before the Planning Board at a duly noticed public hearing on November 15, 2018;

**WHEREAS**, the Planning Board finds that special conditions and circumstances exist which are peculiar to the land, structure, or building involved and which are not applicable to otherland, structures, or buildings in the same district;

**WHEREAS**, the Planning Board finds that the special conditions do not result from the action or negligence of the applicant;

**WHEREAS**, the Planning Board finds that granting the variance requested will not confer upon the applicant any special privileges denied by the land development regulations to other lands, buildings, or structures in the same zoning district;

**WHEREAS**, the Planning Board finds that literal interpretation of the provisions of the land development regulations would deprive the applicant of rights commonly enjoyed by other properties in this same zoning district under the terms of this ordinance and would work unnecessary and undue hardship on the applicant;

**WHEREAS**, the Planning Board finds that the variance granted is the minimum variance that will make possible the reasonable use of the land, building or structure;

\_\_\_\_\_Chairman

\_\_\_\_\_Planning Director

**WHEREAS**, the Planning Board finds that the granting of the variance will be in harmony with the general intent and purpose of the land development regulations and that such variance will not be injurious to the area involved or otherwise detrimental to the public interest or welfare;

**WHEREAS**, the Planning Board finds that no nonconforming use of neighboring lands, structures, or buildings in the same district, and no permitted use of lands, structures, or buildings in other districts are grounds for the issuance of the requested variance; and

**WHEREAS**, the Planning Board finds that the applicant has demonstrated a “good neighbor policy” by contacting or attempting to contact all noticed property owners who have objected to the variance application, and by addressing the objections expressed by these neighbors.

**NOW, THEREFORE, BE IT RESOLVED** by the Planning Board of the City of Key West, Florida:

**Section 1.** That the above recitals are incorporated by reference as if fully set forth herein.

**Section 2.** An approval by Resolution of the City of Key West Planning Board for after-the-fact variances to the minimum front-yard setback requirements and accessory structure requirements on the property located at 4 Go Lane (RE # 00072040-000000) in the SF zoning district pursuant to Sections 90-395, 122-238 (6) a. 1., and 122-1181 of the City of Key West Land Development Regulations with the following conditions:

**Section 4.** The failure to fully and completely apply the conditions of approval for permits for use and occupancy pursuant to this variance in accordance with the terms of the approval as described in Section 3 hereof, shall immediately operate to terminate this variance, which variance shall be of no force or effect.

**Section 5.** This variance does not constitute a finding as to ownership or right to possession of the property, and assumes, without finding, the correctness of applicant's assertion of legal authority respecting the property.
