Subject: Transient License Transfer

Dear Patrick,

Unfortunately, I will not be able to attend the public hearing on December 17, 2015 concerning the application to transfer a transient license from 1901 South Roosevelt Boulevard to 421 Angela Street.

My property is within 300 feet of the Angela Street property which is located at 404 Aronovitz Lane. I would like you to accept my objection to this transient license transfer. My concern is the revolving door aspect and the number of occupants that would be allowed in the Angela Street property. The transfer would permit frequent (less than monthly) tenants and would increase the number of occupants significantly from the existing licensee at 1901 S. Roosevelt Blvd which is a 2B/2B residence to the 421 Angela Street residence which is a 5B/2B residence.

Sincerely,

George A Fonda
