From: Kreed Howell, Senior Construction Manager
Cc: Gary Volenec, Jim Bouquet
Date: September 26, 2017
Subject: RFQ Margaritaville Pedestrian Bridge Renovation

The City of Key West is requesting quotes for the renovation of the pedestrian bridge West of the Key West Aquarium (see attached photo's). All quotations shall include the following services:

- 1) Engineering assessment and repair design recommendations by a licensed Professional Engineer.
- 2) Furnish all material, equipment and labor to complete the requested work.
- 3) All fasteners shall be 316 stainless steel unless otherwise allowed by the City.
- 4) All structural wood shall be marine grade treated lumber.
- 5) All decking shall be Ipe or approved equal.
- 6) Repairs shall match the existing bridge in appearance.

Due to the urgent nature of the renovation, the City requests all quotes be remitted in written form to howell@cityofkeywest-fl.gov no later than 5:00 pm, Friday September 29th. Any questions regarding the renovation shall be submitted in writing to the above email address no later than close of business, Wednesday September 27th and responded to all by 12:00 pm, Thursday September 28th.
