VARIANCE APPLICATION INFORMATION SHEET

City of Key West Planning Department
PO Box 1409 Key West, FL 33041-1409
(305) 809-3720

Please read the following carefully before filling out the application

This application and any required attachments should be submitted to the City Planning Department at 1300 White Street. It is preferable to make an appointment before the application is submitted to determine what variances are necessary and what fee applies.

Application Process

- After submittal, the application will be reviewed by the Development Review Committee (DRC). Additional modifications to the site plan may be necessary at that time.
- After the DRC process the applicant will be responsible for submitting a landscape approval letter from the Urban Forestry Program Manager and a Stormwater approval letter from the Director of Engineering.
- **When the application is determined to be complete**, it will be brought forth to the Planning Board. If the application is approved, there is a 10 day appeal period.
- After the 10 day appeal period, the application will be sent to the Department of Environmental Opportunity (DEO) for rendering. The rendering period is 45 days.

PLEASE NOTE:

- Owners and applicants are notified of their scheduled Planning Board hearing date.
- Attendance at the formal public hearing is mandatory.
- Notice of Public Meeting is published in the newspaper.
- Owners of property within 300 feet of the subject property or parcels are notified by mail.
- Notice of public hearing will be posted on the property and must be left up until after the hearing.

This application is reviewed pursuant to Section 90-391 through 90-397 of the City of Key West Land Development Regulations (LDRs). The City's LDRs can be found in the Code of Ordinances online at http://www.municode.com/Library/FL/Key_West under Subpart B.

*Please note, variances are reviewed as quasi-judicial hearings, and it is improper for the owner or applicant to speak to a Planning Board member or City Commissioner about the hearing.

Standards for Considering Variances

Before any variance may be granted, the Planning Board and/or Board of Adjustment must find all of the following requirements are met:

1. Existence of special conditions or circumstances. That special conditions and circumstances exist which are peculiar to the land, structure or building involved and which are not applicable to other land, structures or buildings in the same zoning district.

NO

2. Conditions not created by applicant. That the special conditions and circumstances do not result from the action or negligence of the applicant.

No

3. Special privileges not conferred. That granting the variance(s) requested will not confer upon the applicant any special privileges denied by the land development regulations to other lands, buildings or structures in the same zoning district.

No

4. Hardship conditions exist. That literal interpretation of the provisions of the land development regulations would deprive the applicant of rights commonly enjoyed by other properties in this same zoning district under the terms of this ordinance and would work unnecessary and undue hardship on the applicant.

No

5. Only minimum variance(s) granted. That the variance(s) granted is/are the minimum variance(s) that will make possible the reasonable use of the land, building or structure.

ONLY MINIMUM GRANTED

6. Not injurious to the public welfare. That granting of the variance(s) will be in harmony with the general intent and purpose of the land development regulations and that such variances will not be injurious to the area involved or otherwise detrimental to the public interest or welfare.

This is not injurious

7. Existing nonconforming uses of other property shall not be considered as the basis for approval. That no other nonconforming use of neighboring lands, structures, or buildings in the same district, and that no other permitted use of lands, structures or buildings in other districts shall be considered grounds for the issuance of a variance.

No

The Planning Board and/or Board of Adjustment shall make factual findings regarding the following:

- That the standards established in Section 90-395 have been met by the applicant for a variance.
- That the applicant has demonstrated a "good neighbor policy" by contacting or attempting to contact all noticed property owners who have objected to the variance application, and by addressing the objections expressed by these neighbors. Please describe how you have addressed the "good neighbor policy."

REQUIRED SUBMITTALS: All of the following must be submitted in order to have a complete application. Please submit one paper copy and one electronic copy of all materials.

- Correct application fee. Check may be payable to "City of Key West."
- Notarized verification form signed by property owner or the authorized representative.
- Notarized authorization form signed by property owner, if applicant is not the owner.
- Copy of recorded warranty deed
- Property record card
- Signed and sealed survey
- Site plan (plans MUST be signed and sealed by an Engineer or Architect)
- Floor plans
- Stormwater management plan
