Why finance?

- \* Lower Upfront Costs. Get the products you need without impacting cash flow. Preserve your working capital and existing credit line.
- \* Flexible Payment Terms. 100% financing with no money down, payment deferrals and payment schedules that match your company's business cycles.
- \* Predictable, Low Monthly Payments. Pay over time. Lease payments are fixed and can be tailored to your budget levels or revenue streams.
- \* Technology Refresh. Keep current technology with minimal financial impact or risk. Add-on or upgrade during the lease term. And choose to return or purchase the equipment at end of lease.
- \* Bundle Costs. You can combine hardware, software, and services into a single transaction! Which means you can pay for your software licenses over time. We know your challenges and understand the need for flexibility.

General Terms and Conditions:

\*\*This quote is not legally binding and is for discussion purposes only. The rates are estimate only and are based on a collection of industry data from numerous sources. All rates and financial quotes are subject to final review, approval, and documentation by our leasing partners. Payments above exclude all applicable taxes. Financing is subject to credit approval and review of final equipment and services configuration. Fair Market Value leases are structured with the assumption that the equipment has a residual value at the end of the lease term.
