Dear Mayor Johnston and Commissioners,

As a property owner in Key West, I urge you to withdraw and reconsider the Agreement with Pier B on next Tuesday's agenda, as it appears to dramatically go against the will of Key West voters.

I know that this agreement has been months in the making. But the changes in the final draft are dramatically different than what was reported earlier - a draft that was actually supported/not protested by the Safer, Cleaner Ships group. This alone should warrant a pause in the proceedings to work toward greater consensus. Anything less would, in my opinion, be a disservice to and actually do damage to our City - and would certainly be counter to the overwhelming will of the KW voters.

Thank you for your service, and I hope you will do what is best for our City.

Sincerely,  
David Taylor

owner, 419 Simonton Street, Key West, FL.
