

Florida Keys Electric, Inc. is a reputable electrical contracting firm providing a comprehensive range of services including electrical, low voltage, and fire alarm services. With a strong presence throughout South Florida, The Florida Keys, and Key West, we have been serving commercial and residential clients for over three decades. Our commitment to quality, safety, and customer satisfaction sets us apart as a trusted partner in the industry.

**Raymond Vazquez**  
President / Owner

Raymond Vazquez leads Florida Keys Electric, Inc. as the President and Owner, bringing over 30 years of experience as a licensed and insured Master Electrician. His expertise and dedication to excellence have solidified the company's reputation as a leader in the industry.

Over the years, Mr. Vazquez has expanded the business to include significantly larger projects, such as Government Facilities, Public Schools, Resorts and Hotels, Medical Facilities, Airport Runway Lighting, Airport Terminals, and Public Housing. He is recognized by his Community, Clients, and Staff for his commitment and reliability within the Electrical industry.

## **LEADERSHIP**

Raymond Vazquez is at the helm of daily operations at Florida Keys Electric, Inc., overseeing project management, client relations, and strategic direction. His hands-on approach ensures that projects are executed with precision and that client expectations are consistently met or exceeded.

## **COMMITMENT TO EXCELLENCE**

At Florida Keys Electric, Inc., we are committed to excellence in everything we do. From meticulous planning to flawless execution, we strive for perfection in every aspect of our work. Our dedication to quality craftsmanship, attention to detail, and adherence to industry standards ensure that our clients receive the highest level of service and satisfaction.
