**Original Narrative By Steven Anderson, 04/05/26 04:23**

On April 05, 2026, at approximately 01:27hr, Ofc. S Anderson, responded to a physical altercation near the 800 block of Duval Street. Key West communications advised over the radio four males were actively engaged in a physical altercation.

Upon arrival I observed a male on the ground struggling with another in front of a crowd at the corner of 801 Duval St. It was made clear by the crowd that one of the males, later identified as Andrew Jed Atencio (dob4/30/2001) of Colorado, was the person who had started the fight. Officer Williams and I determined Atencio should be detained while we investigated the fighting. We assisted the male to his feet and placed him in handcuffs while securing him against the side of a patrol car. While being placed in handcuffs Atencio was tensing his arms and attempting to pull his arms away from us. Officer Williams secured the handcuffs and then Atencio began kicking. Officer Christina helped control Atencio. In the process both Officer Williams and Chrisina were kicked by Atencio in the legs and stomach.

Due to the level of active resistance from Atencio, he was escorted to the ground to establish control. While on the ground officers gave loud verbal commands for Atencio to stop resisting and stop fighting. He continued to resist us. Officer Lopez arrived on scene and delivered a drive stun with his taser to Atencio's abdomen which ultimately gained compliance.

Atencio was placed in the back of a patrol vehicle without further issue. The on-duty supervisor, Sergeant Stutz and rescue were called to respond.

Rescue transported Atencio to Lower Keys Medical Center for evaluation. The hospital gave medical clearance for Atencio.

Both my AXON body worn camera and fleet camera were activated during this call and were uploaded to Evidence.com

I find probable cause that Atencio is in violation of FSS 877.03 Disorderly Conduct; for fighting on a public sidewalk in front of a crowd of people.

I find probable cause that Atencio is in violation of FSS 843.02 Resisting without Violence; when he was tensing his arms and pulling away from Officer Williams and myself while we placed him in handcuffs.

I find probable cause that Atencio is in violation of FSS 843.01 Resisting with Violence; as he was throwing his body and kicking in an attempt to break officers' control of him.

I find probable cause that Atencio is in violation of FSS 784.07-2b BATTERY on a Law Enforcement Officer; for kicking both Officers Williams and Christina in the legs and stomach during his arrest, both Ofc. Williams and Ofc. Christina were in KWPD Class B uniform and easily recognizable as Officer in performance of their duties.

### **Supplemental Narrative By Jhavon Williams, 04/05/26 03:42**

On Sunday, April 5, 2026, at approximately 0124 hours, I, Officer J. Williams, was dispatched to 801 Duval Street in reference to a physical disturbance.

Upon arrival, I observed a white male, later identified as Anthony Atencio (DOB: 04/30/2001), actively engaged in a physical altercation with an unidentified male outside of the establishment.

I immediately intervened and attempted to detain Atencio by placing him into handcuffs and escorting him to the rear of my patrol vehicle. While doing so, Atencio began pulling away and actively resisting my lawful efforts to detain him. Atencio's resistance escalated into violent behavior, including kicking and physically pulling away from officers.

Officer Christina and Officer Lopez arrived on scene and assisted in attempting to gain compliance. Despite repeated lawful commands, Atencio continued to resist and kick, striking both myself and Officer Christina during the incident. Due to Atencio's continued violent resistance, officers utilized necessary force and took Atencio to the ground in an attempt to gain control and place him into custody.

Officers were eventually able to place Atencio into the rear of the patrol vehicle; however, he continued to actively resist while inside. Due to his continued non-compliance and violent behavior, Officer Lopez deployed a department-issued Taser in drive stun mode, after which Atencio complied and officers were able to safely secure him.

Through my investigation, I learned that Atencio had been inside the club located at 801 Duval Street, where he was involved in a physical altercation with multiple individuals. Witness statements and scene observations indicated that Atencio was actively fighting, punching individuals, and causing a disturbance inside the establishment. The altercation then continued outside of the club, where Atencio was again observed fighting with an unidentified male.

Rescue 2 responded to the scene and evaluated Atencio for any injuries sustained during the incident. Atencio, along with Officer J. Williams, was subsequently transported to Lower Keys Medical Center without incident for medical evaluation.

Nothing further at this time.

### **Supplemental Narrative By Jorge Lopez, 04/05/26 04:11**

On April 05, 2026, at approximately 0129 hours, Ofc. J. Lopez responded to a physical altercation to the 800 block of Duval Street. Key West communications advised over the radio four males were actively engaged into a physical altercation. Key West communications dispatched two officers. However, I determined it was necessary to respond to the above-mentioned area to assist the officers.

When I arrived at the above-mentioned location, I saw a male on the ground near the curb area. Outside of 801 Duval Street. Ofc. D. Christina and Ofc. J. Williams appeared to be trying to gain control of the male. I saw the male actively resisting the above-mentioned officers. I saw the male on the ground beginning to kick, and I placed my knees on top of his legs to prevent the male from kicking the officers. Ofc. D. Christina told me to open the door of a Key West Police marked vehicle. When I opened the door, the male began to kick the officers and actively refusing to get into the vehicle. I pulled my department issued TASER. I told the male to stop resisting or he was going to be tased. The male was still kicking, and I had to Drive-stun against the male's abdomen area. The male did not comply, and I had to Drive-stun the male approximately two more times. The male then told me to stop and then complied briefly. The male was eventually placed in the rear side seat of a vehicle.

I advised Key West communications of my TASER used on Drive-stun.

My body-worn camera was activated, 3722.

I noticed a male standing near the area, and I asked if he had witnessed what happened. The male was identified with his Florida driver's license as Jeffrey S. Lane. I asked Lane to walk a few steps away from the loud area to be able to speak with him. When asked, Lane stated he was standing on the sidewalk adjacent to 801 Duval Street. Lane mentioned he was close to the intersection of Duval Street and Petronia Street. When asked, Lane stated he saw a male walking and screaming as he approached the above-mentioned area. Lane stated he walked toward "Geroge." Lane stated George was the male wearing a dark colored sweater and pointed at the male by name of George. Lane stated he saw the unknown male striking George on the face. When asked, Lane stated he saw the unknown male pushing George against the wall of the establishment located at 801 Duval Street. When asked, Lane stated he did not know why the unknown male was aggressive. Lane described the unknown male as acting, "Nuts." Lane stated an unknown male with a beard had to intervene. Lane stated the male who had intervened had walked toward the Petronia Side.

The male described by the name of George was later identified as George Darden III.

The unknown male who was reported initiating the physical altercation was later identified as Andrew J. Atencio.

I located a male matching the description. The unknown male who with a beard who was later identified with his Florida driver's license as Dominic S. Bioni.

Bioni stated he was in the area and while he parked a scooter near the area he saw what was going on. When asked, Bioni stated he had to intervene by restraining Atencio due to his aggressive approach toward George. Bioni demonstrated how he had to restrain Atencio, which he described by getting behind Atencio and wrapping his arms around him to protect George from getting physically battered. Bioni stated he did the best he could to stop the aggressive male. When asked, Bioni stated he did not sustain any injuries.

A male was in the area, and he was identified as Sean P. Dermody.

Dermody stated he had to intervene to help Bioni during the situation.

I spoke with Darden and he stated Atencio was drunk and did not comprehend why Atencio became aggressive with him. When asked, Darden stated he was pushed by Atencio and other males intervene. When asked, Darden stated he did not sustain any injuries. When asked, Darden stated he did not wish to pursue charges against Atencio.

Darden filled out a refusal form wishing not to pursue charges. I later submitted the form into the Key West Records Division.

This incident was captured with my body-worn camera, 3722.

I informed Ofc. S. Anderson with the information I had gathered.

## **Supplemental Narrative By Dustin Christina, 04/05/26 21:51**

On 04/05/2026 at approximately 0126 hours I responded to 801 Duval St, in regard to a physical disturbance.

upon my arrival Officer J. Williams was already with the suspect. Due to this I located a victim and began to speak with him. Before I could start the investigation. I observed the suspect fighting with Officer J. Williams and Officer S. Anderson. There was also a civilian assisting. Due to the civilians involvement I determined intervention was necessary. I approached took physical control of the suspect at which time he started to kick behind him typically referred to as a "donkey kick" striking me in the right knee. Due to that he was guided to the ground. Once on the ground he was placed in the recovery position. He was then guided back to his feet. I instructed Officer Williams to open the rear door on his patrol vehicle. Once open the suspect grabbed Officer Williams pulling us into the patrol vehicle. Officer Lopez had arrived at this point. Ordering the suspect to comply to which he refused and continued to fight resulting in a taser drive stun to the abdomen which began to gain compliance. One more drive stun was delivered to his abdomen by Officer Lopez. During this time I instructed officer Williams to step back so that I could take full positive control of the suspect. I then picked up the suspect and placed him into the rear of the vehicle. While doing

so the suspect who was still kicking delivered a blow to my inner thigh near my testicles. He was placed in the rear seat and the door was shut. See supplements and report for further.
