to me

Good morning City of Key West Planning Board!

On behalf of my family and Mr. Victor Mills, I wanted to express my gratitude and thanks for supporting the project on White St. Our family is excited and looking forward to joining the White Street businesses and residents by bringing back a Cuban Restaurant at that site.

As a kid growing up in the keys and as an adult, I can remember making early morning runs with my father to pick up warm Cuban Bread. We hope that we can bring back some of these same unique traditions that was once a part of the fabric of my home town in this area of our community. I would like to thank Michael Browning, Sam Holland, and Cristy Spottwood for the yes vote and more importantly your vote of confidence in Mr. Mills and our family moving forward in the process. You all have difficult work and decisions to make on this Board and I sincerely appreciate your service to our community.

Respectfully Submitted,

Harry Russell Jr.
