RE: A Potential New Home at 314 Amelia Street, Key West, FL 33040

TO WHOM IT MAY CONCERN:

I have no opposition to the owner's plans, as I believe the new structure will enhance the neighborhood as well as serve a major improvement to the eyesore currently in existence.

I look forward to the family returning and remaining a part of the neighborhood.

Sincerely,

RE: 314 Amelia Street Enhancement

I am in total agreement with the owners of 314 Amelia Street wanting to enhance the appearance of their home. Right now, it is an eyesore and in desperate need of renovation/repair. I have complained on occasion about this home and am so happy that the owners decided to address the improvement at this time.

Sincerely,

Diane Castillo

RE: 314 Amelia Street Key West, FL 33040

Please approved the owners for the improvement of their home. I have seen rats walking on the electrical wires to enter the home, because there is no roof. I beg you to please approved this family request to make renovations/improvements.

Thank you.

RE: 314 Amelia Street Key West, FL 33040

I am writing to request approval for the residents of the above-mentioned address to renovate/repair the house as needed. This house is in terrible condition, as I believe it is harboring rodents, which I feel may run to other homes in the neighborhood. They enter this house through the absence of the roof, which was destroyed by the various storms and weather conditions.

Please allow this family to enhance the appearance of the neighborhood by eliminating such an eyesore.

I appreciate your assistance.

Thank you.
