

COMMENDATION

It is with great pride that the City of Key West shall honor Cara Michaud for the award she received from Key West High School for Excellence in the Visual, Performing, and Vocational Arts. Cara's love for music has provided her with much satisfaction and success in chorus and band. She began singing in pre-kindergarten as a member of the Grace Lutheran choir and she has continued on this path, taking voice lessons and singing in KWHS's Chamber Choir and the performing singing group, the Misty's. She has been a band member since middle school, playing both the alto Saxophone and the Bass Clarinet and she credits the band program for significantly improving her skill in sight reading. While music plays a dominate role in her life she has not overlooked her academics, challenging herself with a rigid academic course schedule in which she has a 4.3 weighted GPA. Cara is prompt, well prepared and a natural helper. Currently interested in studying forensics or engineering, Cara plans to attend a college in Florida where she will be an asset to any program she pursues. The City of Key West is honored to have a student of such caliber and dedication as part of our community.

In recognition of this honor, the City of Key West hereby presents this
Commendation to:

CARA MICHAUD
