RE: Request to Transfer of Mobile Vendor License No. 19770:

Dear Mr. Scholl,

This letter is being sent to amend a previously-submitted request for transfer of a mobile vendor license. The initial request mistakenly listed two transferees. The proposed transferee is Domenico Amarena. Please allow this letter to amend the previously submitted request and accurately reflect a request to transfer the above-referenced Mobile Vendor License to Domenico Amarena.

If you should have any questions, or require any additional documentation, please do not hesitate to contact me.

Very Truly Yours,

Gregory S. Oropeza, Esq.
