bizarre and SGT. Kouri wanted me to evaluate Downey.

I walked over to Downey and introduced myself and I was with the Key West Police Department. I asked Downey what his name was, and he said his name was Ryan and he wanted to talk to his lawyer. Downey was already placed in handcuffs as he continued to attempt to reach in his pockets prior to my arrival. I attempted to have a conversation to evaluate Downey's mental status, however, he continued to say he wanted to speak with his lawyer.

Downey continued to scream about he was going to pull our tapes and wanted to go home or talk to his lawyer. Downey continued becoming irate, screaming at me. Based on his actions and the manic state he was in, I felt Downey was a danger to himself and others. I spoke with SGT. Kouri and advised him I felt Downey should be Baker Acted.

Downey continued to scream at other officers on scene while I spoke with SGT. Kouri. Downey's behavior continued to go up and down, becoming softer spoken and then yelling at officers. Downey demanded we take the handcuffs off.

I then walked over to my patrol vehicle and attempted to place Downey's wallet and ID in my front seat. As Ofc. Gillespie and Ofc. Hansell walked Downey over to my patrol vehicle, he became combative and started to resist both officers. I attempted to help restrain Downey as he was becoming more aggressively combative. Downey continued to yell and scream demanding officers let him speak to his lawyer.

FALSE

Downey became even more combative as we attempted to place him in the rear of my patrol vehicle. He became dead weight. I attempted to grab Downey's right arm to use a transporter escort, however, Downey grabbed my left hand and would not let go. By grabbing my hand, Downey jammed my ring finger on my left hand. I gave him loud, verbal and lawful commands to let go of my hand. Downey replied, "Shut the fuck up!". At this point Downey still had control of my hand and I continued to try and break free of his grip.

FALSE

I was able to break free of Downey's grasp. I attempted to again gain control over Downey's right hand so to escort him into the rear of my patrol vehicle. Again, Downey grabbed my left hand and again it jammed on the same finger. As this was going on, Downey kicked his legs to his rear striking me on my legs multiple times. I gave Downey multiple lawful commands to stop kicking me. We attempted to search Downey but due to his combativeness at that time we were unable to. SGT Kouri instructed Downey to get into the patrol vehicle. Downey screamed, "No I'm not. Read me my fucking rights". Another Officer switched positions with me, as I went to grab a hobble from the rear of my patrol vehicle.

FALSE

Downey was placed in the rear of my patrol vehicle, where I activated my COBAN. It came to our attention Downey had not been searched. We then pulled Downey back out and searched him. The search yielded negative weapons. Downey was then placed back in the rear of my patrol vehicle, where he was seat belted in. Downey continued to scream for him to speak with his lawyer and he wanted his rights read.

FALSE

I transported Downey to Monroe County Detention Center (MCDC). When I arrived, I asked main control for the MCDC Jail staff to bring down the restraint chair, as the entire ride Downey was aggressive, manic and combative. They arrived in the sally port and took control over Downey.

My BWC and COBAN were both activated.

X Ryan

Based on the above facts I, Ofc. Cuneo find there to be probable cause for the following charges against Downey:
