Excerpt from City Code Sec. 26-192. - Unreasonably excessive noise prohibited.

Noise limitations - Within a core commercial district as defined in this article, the maximum dBA and dBC sound levels permitted on any property located therein shall be as follows:

The average measurement taken between ten (10) and twenty (20) seconds shall be no greater than the maximum levels set out below. The measurement shall be taken from the sound source property line, or individual lease boundary in the case of property which has been subdivided by the execution of individual leases, of the noise generating property at a location that is closest to the complainant's property line:

- a. Eighty-five (85) dBA or ninety-four (94) dBC between the hours of 11:00 a.m. and 2:59 a.m.
- b. Seventy-five (75) dBA or eighty-four (84) dBC between the hours of 3:00 a.m. and 10:59 a.m.

In any residential or commercial district as defined in this article, a decibel meter shall be used for a complaint of unreasonable noise made at or within 100 feet of the property line of the sound source. The decibel reading shall be made at the location of the complaint. The investigating officer shall issue a citation for unreasonably excessive noise, unless in his judgment a warning is sufficient to cease the violation. There shall be no more than a total of one warning per offending person or establishment.

Events that expect to exceed decibel levels set for their area must get a Noise Exemption from the City Commission. Noise Exemptions cannot be issued for the same location within 60 days of the last noise exemption approval.

Describe the Potential Noise Sources: _____

Do you wish to apply for a Noise Exemption? Yes Need City Commission Approval No

Samuel's House, Inc., founded in 1999, is located at 1614 Truesdell Court, Key West, FL - EIN# 65-0951120. Samuel's House provides housing to homeless women, women and men with children and intact families in a compassionate environment while assisting them in developing the necessary tools and confidence to manage their own lives fully, responsibly and independently. We like to say we offer a hand up; not a hand out.

The Mary Spottswood Women's Center, emergency homeless shelter, is a safe, secure haven for women, and women with children, for up to 90 days to allow them a new beginning. This structured family atmosphere provides training opportunities, job development, a 12 step program environment and referrals to medical care for women and their children in residence.

The Center is a safe environment for women who, for various reasons, such as substance abuse, illness, victimization, loss of employment, incarceration or other traumatic life events, have found themselves homeless. It is also a place where elderly women or those with mental health issues can find safety and security while awaiting placement in an appropriate facility that can meet their long-term needs.

Any woman in need throughout Monroe County regardless of age is welcome.

Thank you,

Tara Salinas

Food Booth and Vendor Regulations

Vendor Booth Construction and Location

1. Each vendor booth shall have at least one exit way, minimum 3 feet wide by 6' height (booth frame shall not intersect exit path).
2. A 60-inch clearance shall be maintained between the cooking surface and any combustible canopy.
3. All hydrants must maintain 5' clearance on each side to allow fire department access.
4. **Each vendor shall stay within their assigned area, equipment and supplies shall not be staged outside their allotted space. ie: sidewalks, exit ways.**

Butane or Propane equipment:

1. Shut-off valves must be provided at each fuel source.
2. Tanks must be protected from damage and secured in an upright position and must be located at least 5 feet apart from each other.
3. No storage of extra butane or propane tanks in booth.
4. Tanks not in use must be turned **OFF**.
5. Unused fuel cylinders shall be stored in a secured position. Unused cylinders must be located 50 feet away from all combustibles.

All compressed gas bottles, flammable or non-flammable shall be properly secured to prevent accidental tipping over.

Electrical Power:

1. Generators shall be placed in locations approved by the Fire Marshal's Office for "special events" use.
2. Refueling of generators is prohibited during event hours. No extra fuel shall be stored during event hours.
3. During approved refueling times, no smoking or open flames are allowed within 25 feet.
4. Extension cords shall be of grounded type and approved for exterior use. Extension cords shall be placed so as not to create a hazard.

Charcoal Cooking:

1. Charcoal cooking must be located in areas away from public access.
2. Charcoal cooking must be 10 feet away from combustible structures and parked vehicles.
3. Coals shall be disposed in metal containers

Deep Fat Frying/Flambé/Open Flame Cooking:

1. Deep fat frying is defined as any cooking operation or process whereby the product floats or is submerged in hot oil during the cooking process.
2. The cook area must not be accessible by the general public.
3. Deep fat frying equipment must be equipped with a temperature regulating device.
4. Separation must be maintained with a minimum of 3 feet clearance between deep fat frying and flambé or open flame cooking.

Fire Extinguishers:

1. Each cooking booth must be equipped with a fire extinguisher with a minimum rating of **3A:40B:C**. (dry chemical extinguisher)
2. For vendor booths, the maximum travel distance to a fire extinguisher with a minimum rating of **3A:40B:C** must not exceed 75 feet.
3. Fire extinguishers must be serviced annually and be tagged accordingly.
4. Each generator must be provided with a fire extinguisher with a minimum 40B:C rating. The extinguisher shall be located near the generator and accessible at all times.
5. Each cooking booth that is using deep fat fryers must have a **6 Liter Type K** (wet chemical fire extinguisher).

Miscellaneous:

Fire Hydrants – Fire Hydrants must not be obstructed at any time for any reason.

Streets – Parking is limited, therefore, do not leave your vehicle parked where it will block the street in such a manner as to prevent other vehicles from passing.

The above regulations are not inclusive of other general fire safety provisions that may be imposed upon inspection.

Any booth not in compliance will be immediately closed.

Fire Safety Tips

1. Know where the nearest fire extinguisher is located and how to use it.
2. **DO NOT** leave cooking operations unattended.
3. **DO NOT** wear loose fitting clothing while cooking.
4. Remove trash accumulation regularly.
5. Keep combustibles away from heat sources.
6. Do not spray lighter fluid on briquettes that have been previously ignited.
7. In case of emergency, **DIAL 9-1-1**.

The Parking Division has not objections.

Please have Vehicles associated with the event identify themselves by displaying an event sign on their dashboard including a local cell phone number in case we need to contact the driver.

The parking in the grassy field will be organized and managed by the event organizers. If donations or fee is accepted for parking in the grassy field across from the amphitheater, all monies collected must be donated to a local charity.

I recommend a minimum of two event staff members to manage this parking area.

Streets are closed for street events so metered parking is suspended in the defined area.
