This was the best way to get a place to lay my head at the end of the day without paying for all the trappings of a hotel. Al was a fantastic host and can be counted on for good conversation and good recommendations of things to do. Well worth the price!

A great place -- cool, quiet, well apportioned. Al was super friendly and I'm sorry I only had a short stay.

Al's place is a great option for any solo-traveller in need of a quiet place to lay their head while taking in all that Key West has to offer. Al is super friendly and easy to get along with. The house is very clean, has a charming

decor inside and out, and is in a good location. I walked to Duval and took a cheap cab ride home after staying out too late to feel like walking back. Plus the bed is crazy comfortable (and I'm 6' 2", if you're worried about the size). Of course the value can't be beat. I would happily stay there again.

I had a fantastic stay with Al! As soon as I arrived he made sure that I had everything I needed, we had a nice chat, he gave me advice on where to go, and even let me borrow his bicycle. The daybed is cozy and comfortable, and the apartment is on a tranquil, leafy street only a few minutes away from anywhere you'd want to go in Key West.

Al is a great host. House is very nice and clean. I could park the car across from the house. Very quite neighborhood, but also pretty much in center of town. Car not necessary, but i would suggest having one if you trying to do few things at a time like i did. I would definitely recommend this place to people on a go.

Jim

Overall a great experience. It is so nice to stay in a home instead of a hotel. Al was very accomidating and made me feel welcome. Al responded to all my questions promptly.

When I arrived in Key West, a sinle woman traveling alone, Al made me feel quite welcomed in his home. The space that is set-up for guests is small but quite comfortable and quaint.

I wouldd recommend staying with Al to anyone.

Thanks Al
