**Re: 716-718 South Street  
Development Plan Approval Extension Petition and  
Variance per Resolution 15-090 and Resolution 15-092**

Dear Melissa,

Please consider this letter our petition to extend Resolution 15-090, a Major Development Plan Approval, and Resolution 15-092, a variance to maximum height, and all its associated approvals for the above referenced project at 716-718 South Street pursuant to Sec. 108-203 (b)<sup>i</sup>. The Development Plan became effective on May 14, 2015 concurrent with the expiration of the DEO appeal period. A one year extension was granted by the City Commission<sup>1</sup> and received final approval by the DEO on February 24, 2016.

The continuing rise of construction costs has created a hardship for moving this project forward. The owners are requesting a one-year extension to allow them the additional time to secure funds for completion of the project. Key West Code Sec. 108-203(b) permits an initial 12-month extension and subsequent extensions if fully noticed in accordance with division 2 of article VIII of chapter 90<sup>ii</sup>.

Attached are two checks for \$400 each to process both extensions. We thank you in advance for your consideration in this matter.

Respectfully,

A handwritten signature in black ink, appearing to read "Lori L. Thompson".

The burden of proof in justifying reasonable cause shall rest with the applicant. **Subsequent extensions may be granted but shall be fully noticed in accordance with division 2 of article VIII of chapter 90.** (emphasis added)
