RESOLUTION OF CORPORATION

I HEREBY certify that I am the duly elected and qualified Secretary of Lanzo Construction Co. Florida, a Florida Corporation and that the following is a true and complete copy of a Resolution duly adopted at a meeting of the Board of Directors of said Corporation, held on the 14th of October, 2011 and that such resolution is still in full force and effect.

RESOLUTION, that the officers listed below are authorized to sign Contracts, Bids and any other documents to carry out the business of the Corporation.

TITLE	NAME	SIGNATURE
President	Giuseppe D'Alessandro	
Vice President	Quirino D'Alessandro, Sr.	
Vice President	Quirino D'Alessandro, Jr.	
Vice President	Matthew P. Tilli	
Vice President	Michael R. Bone	
Secretary	Rosemarie Torres	
Assistant Secretary	John McCullen	
Assistant Secretary	Robert Beaty, III	
Assistant Secretary	Kevin Pawlowski	
Assistant Secretary	Lisa Bisogno	
Treasurer	Antonio D'Alessandro	

IN WITNESS WHEREOF, I have hereunto set my hand as Secretary of said Corporation and affix the Corporate Seal on the 14th of October, 2011.

Attest: By:
 Giuseppe D'Alessandro, President Rosemarie Torres, Secretary

An Equal Opportunity Employer

CONSENT OF THE SHAREHOLDERS
AND
BOARD OF DIRECTORS
OF
LANZO CONSTRUCTION CO., FLORIDA
IN LIEU OF A SPECIAL MEETING

The undersigned, being all of the Shareholders and all of the Directors of LANZO CONSTRUCTION CO., FLORIDA, a Florida corporation, without a meeting, without prior written notice and without a vote, consent to the following corporate action, effective immediately.

WHEREAS, the Board of Directors is advised that portions of the Corporation's minute book are lost or misplaced.

WHEREAS, the Corporation's tax records indicate that shares of the Corporation's common stock have been issued and the stock records of the Corporation have not been properly maintained.

WHEREAS, the Shareholders and Board of Directors of the Corporation wish to confirm the acts of the officers and directors of the Corporation to this date, and otherwise bring the Corporation's records and minute book current.

AMENDMENT AND RESTATEMENT OF BYLAWS:

RESOLVED, that the Bylaws of the Corporation shall be amended and restated in the form presented and the Amended and Restated Bylaws shall be inserted in the Minute Book of the Corporation.

AUTHORIZATION TO ISSUE REPLACEMENT STOCK:

RESOLVED, that because of the incomplete stock records, the officers of the Corporation are authorized to issue replacement shares of the stock of the Corporation as determined by the Board of Directors and as reflected in the other books and records of the Corporation.

IT IS FURTHER RESOLVED, that the current shares of stock, including lost shares or shares not held in the Corporation's Minute Book, be canceled and that replacement certificates be prepared.

IT IS FURTHER RESOLVED, that the form of stock certificate immediately following these minutes is adopted as the official form of stock certificate of the Corporation.

IT IS FURTHER RESOLVED, that the Corporation shall issue replacement stock certificates for the indicated number of shares of common stock of the Corporation:

LANZO HOLDING COMPANY	7,500
Total common shares outstanding	7,500

IT IS FURTHER RESOLVED, that the Corporation's officers shall obtain from all current or past shareholders of the Corporation a Lost Stock Certificate Affidavit in the form presented to the Corporation.

ELECTION OF OFFICERS:

RESOLVED, that the following persons are elected officers of the Corporation, to serve until the election of qualified successors:

President	Giuseppe D'Alessandro
Vice President	Quirino D'Alessandro, Sr.
Vice President	Quirino D'Alessandro, Jr.
Vice President	Matthew P. Tilli
Secretary	Rosemarie Torres
Assistant Secretary	John McCuller
Assistant Secretary	Robert Beaty, III
Assistant Secretary	Kevin Pawlowski
Treasurer	Antonio D'Alessandro

ELECTION OF DIRECTORS:

RESOLVED, that the following persons are elected the Directors of the Corporation to serve until the election of qualified successors.

Giuseppe D'Alessandro
Quirino D'Alessandro, Sr.
Quirino D'Alessandro, Jr.
Rosemarie Torres
Antonio D'Alessandro

APPROVAL OF PRIOR ACTIONS:

RESOLVED, that the election of officers and directors of this Corporation as more specifically set forth in its informal records and its Florida annual reports are ratified and affirmed.

IT IS FURTHER RESOLVED, that the loans to and from certain related parties, the payment of compensation to the officers and directors of this Corporation and the reimbursement to these officers and directors for expenses incurred in the operation of the corporate business, as more specifically set forth on the corporate income tax returns, are hereby ratified and affirmed.

IT IS FURTHER RESOLVED, that all actions and decisions of the officers of the Corporation, and all documents executed by the officers on behalf of the Corporation since its inception are hereby approved and ratified by the Board of Directors of the Corporation.

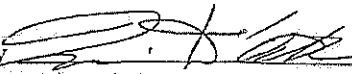

IT IS FURTHER RESOLVED, that all actions and decisions of the Board of Directors of the Corporation, and all documents executed or authorized to be executed on behalf of the Corporation by the Board of Directors since the Corporation's inception are approved and ratified by the Shareholders of the Corporation.

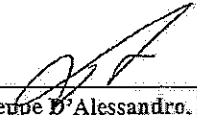

This action would otherwise have been required or permitted to be taken pursuant to authorization voted at a meeting of the Shareholders and Board of Directors, and this written consent shall be filed with the minutes of the Corporation and shall have the same effect as a vote of the Shareholders and Board of Directors for all purposes.

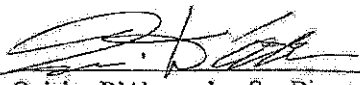

Witness the signature of all of the Shareholders and all of the Directors of LANZO CONSTRUCTION CO., FLORIDA, a Florida corporation.

Effective as of: December 31, 2006

Giuseppe D'Alessandro President

EXPERIENCE

1979 to Present
Lanzo Companies

Mr. D'Alessandro, with over 30 years of experience in the construction industry, is responsible for all executive decisions of the Lanzo Companies.

He has demonstrated excellent management ability to effectively organize and execute multiple projects simultaneously to the full satisfaction of clients.

Mr. D'Alessandro has been the Principal in Charge for many projects in the Miami area for Lanzo Construction Company since 1986. He is well versed and familiar with policies, procedures, requirements and expectations of South Florida governmental bodies including but not limited to Miami-Dade County, Broward County, Florida Department of Transportation, City of Fort Lauderdale, Hollywood, Miramar, Sunrise, Cooper City, City of Key West and Palm Beach County

From 1982 to 1984, Mr. D'Alessandro was a field Superintendent directly responsible for construction of projects in Texas. These projects consisted of sanitary sewers, water mains, and storm sewers both in the private sector and municipal market.

From 1984 to 1986, Mr. D'Alessandro was in Florida as a General Superintendent directly in charge of construction of projects throughout the state. These projects included The Town of Medley Sanitary Sewer Collection Supplier contract S-267B for WASD, Wagner Creek and Fairlawn Projects for the City of Miami.

From 1986 to the present, Mr. D'Alessandro has been in charge of all aspects of contracting, from bidding to closeout, including all administration, negotiations, and construction. He has been responsible for hundreds of projects throughout his career with the firm.

Mr. D'Alessandro has been in the position of President since 2002, and has broad experience on a variety of major projects including water distribution, sanitary sewer collection, storm water treatment, roadway construction and marine construction.

Mr. D'Alessandro has been responsible for the implementation of industry leading construction methodology, and his innovative direction has garnered Lanzo Construction the reputation as an industry leader.

Quirino D'Alessandro, Jr. (Gary) Vice President/Head Construction Supervisor

EXPERIENCE

Lanzo Construction Co.
1989 to Present

Mr. D'Alessandro has over 21 years of experience in the construction industry and is involved in all executive decisions of Lanzo Construction Co.

He has a diverse blend of public sector experience and has effectively supervised all aspects of public works construction projects.

He has managed and supervised many projects in the Miami-Dade area for Lanzo Construction Company since 2003. He is well versed and familiar with policies, procedures, requirements and expectations of South Florida governmental bodies, including but not limited to Metro-Dade County, Broward County, Florida Department of Transportation, City of Fort Lauderdale, Hollywood, Miramar and Palm Beach County.

As the Head Construction Supervisor, Gary has broad experience in all aspects of construction, specifically, the construction of sanitary sewer, collection, water distribution, storm drainage systems, roadways and earthwork construction in both in the private sector and municipal market.

He is responsible for coordinating the many disciplines required to successfully complete diverse and complicated projects. He acts as direct liaison between in-house staff, subcontractors, consultants and clients.

The following list of projects are just a few that Mr. D'Alessandro has supervised.

\$10,830,000 – Contract S-728 Sanitary Sewer

Design-build, permitting, installing and start up for 28,000 LF of 8-inch sanitary sewer and pump station

\$6,159,027 – DERM01-WASD-NLE EAST, Opa Locka Airport

Permitting, installing and startup services to construct 8,300 lf of 54 inch Force main

\$18,764,485 – S-633 Phase KK, Key Biscayne

Design-Build trestle & coffer-dam system including mechanical, structural and construction management.

Matthew P. Tilli

Vice President Operations

EXPERIENCE

Lanzo Construction Co., Fl.
1980 to present

Mr. Tilli brings over 39 years of construction experience. He has been the Company's Chief Engineer during that tenure and has been involved in well over 300 different projects the company has undertaken, working in Texas, Ohio, Michigan and Florida.

His work experience has included construction of Wastewater Treatment Plants, Off-Shore Outfall Pipeline, Rapid Infiltration Basins, Canal Crossings, Pump Stations and a series Micro Tunneling Projects. All projects have been of various sizes and capacities, with Pipeline dimensions from 8" to 120". Most recently completed work on FDOT roadwork and bridge construction, presently involved on two additional road projects for FDOT in Broward and Palm Beach Counties.

Prior to joining Lanzo, Mr. Tilli held various positions with other firms from project estimator to project manager for underground utility contractors. His building experience, has served Lanzo well in the construction of Water Treatment Plants and Wastewater Treatment facilities throughout Michigan and Florida.

Ilia Lyssenko

Project Manager/Estimator

EXPERIENCE

Lanzo Construction Co.
June 2010 to present

Gianetti Contracting, Florida
Jan 1997 to June 2010

Mr. Lyssenko is widely experienced in the construction industry, he began his career in 1997 with Gianetti Contracting of Florida, Pompano Beach. Starting in the field with the pipe crews, he gradually moved his way in to the office learning how to estimate and manage projects. His hands-on experience working in the field gave him a better understanding in the management and estimating disciplines. He is versed in contract administration, material and subcontract management, as well as all phases of inter office administration work. Fluent in Russian and English, he possesses strong technical and management skills.

The following are projects he has managed.

1997 Miami Beach \$2,500,000 Key Biscayne Watermain
1998 – 2000 Key West \$3,500,000 24" Watermain
2001 City of Coral Springs \$2,500,000 Woodside Drive Improvements
2002 City of Parkland \$2,500,000 Holmberg Road Extension
1998 Palm Beach County \$4,000,000 Andios Isle Development
2003 Pompano Beach \$3,800,000 Neighborhood Improvements
2001 Archdiocese of Miami (Tamarac) \$1,000,000 Addition to St. Malachy School
2005 – 2006 Three spec homes in Lighthouse Point & Deerfield Beach valued at 2.5 – 3.2 Million dollars

James M. Tilli
Estimator, Project Manager

EXPERIENCE:

Lanzo Construction Co., Florida
January 2003 to Present

Mr. Tilli is experienced in preparing proposal estimations for various types of bid delivery systems. Some of which include hard dollar bid proposals, request for qualifications and pricing, and design build proposals. Some clients that he has assisted in the preparation of proposals include Broward County, Miami Dade Water and Sewer Department, The City of Miami Beach, Palm Beach County, and The Army Corp of Engineers to name a few.

Mr. Till has experience in the planning management and construction of major utility improvement projects including storm water collection systems, water transmission lines, water distribution systems, waste water collection systems including vacuum collection systems. He has experience at the local and regional level for large scale projects requiring the coordination of various construction disciplines, knowledgeable of both private and public sector construction needs. Mr. Tilli is experienced in the procurement of all permits required for utility construction and compliance with permit requirements.

The Following are some project that Mr. Tilli has managed:

- \$11,740,791 City of Miramar
Miramar South Neighborhood Improvement Project
- \$1,141,090 Miami Dade Water and Sewer Department
ER 47609 Installation of 24" Force Main
- \$832,000 Miami Dade Water and Sewer Department
E8583-0/08 Emergency Repair of 36" Force Main
- \$138,760 City of Marathon in the Keys
Little Venice Phase 1A Stormwater Project

The following are some projects that Mr. Tilli has assisted in the management of:

- \$2,582,609 City of Ft. Lauderdale
Shady Banks downtown Ft. Lauderdale
- \$576,481 City of Ft. Lauderdale
River Oaks/ Jacobs Landing
- \$5,728,370 City of Oakland Park
Kimberly Lake Basin
- \$1,486,500 Village of Wellington
Water Transmission Main Extension Ph. 2 Proj No. 17-06/BMA
- \$5,632,296 Palm Beach County WUD
Northern Region WUD 05-061

Subject: Lanzo Construction

Over the past eight years Lanzo Construction has successfully worked on 12 projects for the Water and Wastewater Engineering Division of Broward County Florida. Those projects total \$125,570,112.45 nine of which have been completed on time and within budget. We presently have three active construction projects with Lanzo construction that are also ahead of schedule and within budget.

I have found Lanzo Construction to be an excellent contractor willing to go out of their way to satisfy owner requested enhancements. Their staff both in the office and on the construction site is knowledgeable and responsive. Broward County continues to short list Lanzo for all our most complex underground and Neighborhood Improvement Projects.

If you would like to speak with me personally about Lanzo's qualifications, please contact me at 954-831-0904.

Sincerely,

Patrick J. MacGregor

"I feel sorry for the cheaters."

Thank You!!!

The entire Board of Directors of the Greater Key West Chamber of Commerce would like to thank the City of Key West and Lanzo Construction Company for doing an exemplary job on the Duval Street Sewer Project.

All too often in our busy lives, we find the time to criticize poor performances yet fail to take the time to thank someone for exceeding our expectations. We applaud the efforts that have been made to finish this project before the "early finish" date of January 14, 2000.

Thank you for understanding and being sensitive to the needs of the merchants along Duval Street. Our hats are off to you for a job well done.

(305) 375-6143

John Chorlog, Assistant Director
Miami-Dade Water & Sewer Department
4200 Salzedo Street Room 315
Coral Gables, FL 33146

Dear John,

Thank you for your recent update of the construction schedule for the pump station replacement project currently underway in my backyard. I look forward to the job being completed, and it appears that all work will be finished soon.

I want to compliment you and the entire Water & Sewer Department staff that have been involved with the project. The private contractor, Lanzo Construction, has also been particularly cooperative and has made every effort to inform us about the work schedule. They have gone out of their way to ensure a safe work site and have always been available to answer questions. They have consulted me on the replacement of the landscaping and fence which was removed due to the project and we have agreed on how to proceed.

My four year old son has enjoyed the opportunity to watch the heavy equipment and all of the workers have been extremely friendly to him. He would actually prefer the project to go on indefinitely.

Once again, thank you for your personal attention to this project. As we discussed, I have seen similar pump station upgrades that appeared to take forever to complete, and therefore I was particularly concerned that this project would take just as long. Fortunately, just as you predicted, this contractor did not have the type of problems that affected the construction schedules of other similar projects.

Sincerely

A handwritten signature in black ink, appearing to read 'Scott Mendelsberg'.

Attention James Tilli

Dear Mr. Tilli:

Three months ago, it was hard to imagine how Greenfield Garden could return to its former haven of greenery alongside the Miami River.

Spring Garden residents all marvel at how well the Garden was restored and replanted. It has returned to being an oasis where all may enjoy a quiet moment with public access to the Miami River.

The Spring Garden Civic Association would like to thank you for the splendid job done by Lanzo Construction in returning the Garden to us; we are particularly appreciative of the addition of a water source so that plants may now be watered during dry months. Again, our thanks for a job well done.

Sincerely yours,

Jay Veber
President
Spring Garden Civic Association

Cc: Mr. William M. Brant, Director
Miami-Dade Water & Sewer

The Honorable Barbara Carey-Shuler, Ed.D.,
Miami-Dade County Commissioner

Hey Guys,

Just a small note to say thank you for all your hard work but especially for being considerate of the baby and I on our walks. You guys never ran over me, but especially you made sure of not frightening, nor making the baby.

And overall you all have been very friendly ☺

Wherever your work takes you next (whenever that may be), I hope it will have another Nanny walking by! ☺

Have a great day,
God Bless you all,

Melanie Strassheimer
(or Zelli Poppinz)

RE: CERTIFICATE OF QUALIFICATION

Dear Sir/Madam:

The Department of Transportation has qualified your company for the amount and the type of work indicated below. Unless your company is notified otherwise, this rating will expire 3/30/2012. However, the new application is due 1/31/2012.

In accordance with S.337.14 (1) F.S. your next application must be filed within (4) months of the ending date of the applicant's audited annual financial statements and, if applicable, the audited interim financial statements. Section 337.14 (4) F.S. provides that your certificate will be valid for 18 months after your financial statement date. This gives a two month period to allow you to bid on jobs as we process your new application for qualification. To remain qualified with the Department, a new application must be submitted subsequent to any significant change in the financial position or the structure of your firm as described in Section 14-22.005(3), Florida Administrative Code.

Your company's maximum capacity rating has been established. To access it, please log into the Contractor Prequalification Application System via the following link:

<https://www3.dot.state.fl.us/ContractorPreQualification/>

Once logged in, select "View" for the most recently approved application, and then click the "Manage" and "Application Summary" tabs.

FDOT APPROVED WORK CLASSES:

DRAINAGE, FLEXIBLE PAVING, GRADING, GRASSING, SEEDING AND SOILING, MINOR BRIDGES

FDOT APPROVED SPECIALITY CLASSES OF WORK:

UNDERGROUND UTILITY

www.dot.state.fl.us

LANZO CONSTRUCTION CO FLORIDA
February 8, 2011

You may apply, in writing, for a Revised Certificate of Qualification at any time prior to the expiration date of this certificate according to Section 14-22.0041(3), Florida Administrative Code. Please be advised if certification in additional classes of work is desired, documentation is needed to show that your company has done such work with your own forces and equipment or that experience was gained with another contractor and that you have the necessary equipment for each additional class of work requested.

Sincerely,

Juanita Moore, Manager
Contracts Administration Office

Re: Pre-Qualification to Bid - City of Clearwater

Dear Ms. Kuntze:

The City of Clearwater has pre-qualified your firm for construction in Clearwater as shown below:

Maximum Project Bid Value: UNLIMITED

Approved for the following construction categories: Concrete Flatwork (Curbs, Walks, Courts, Etc.)
Excavation / Site Work; Sanitary & Storm Sewers
Sanitary Pump Stations; Wastewater/Water Treatment Facilities
Water & Force Mains

Pre-Qualification Expires: March 28, 2013

Bid limits have been established based upon information submitted.

The Engineering Director reserves the right to adjust the maximum project bid value and construction type during the two-year approval period on the basis of direct work experience.

This pre-qualification applies to standard types of construction projects. Projects requiring special expertise or unusually difficult construction may require separate pre-qualifications.

Inasmuch as the financial statement you submitted has served our purpose we are returning it to you at this time.

We appreciate your interest and look forward to receiving your bids on City of Clearwater projects.

Very truly yours,

Michael D. Quillen, PE
Engineering Director

RE: DBE AFFIRMATIVE ACTION PLAN APPROVAL

Dear Mr. Beasley:

The Disadvantaged Business Enterprise Affirmative Action Plan submitted by:
LANZO CONSTRUCTION CO FLORIDA
has been approved for a period of three years. Please update and submit a new plan before the expiration date shown below. If you do not plan to work on any Florida Department of Transportation projects, it will not be necessary for you to submit a new plan.

If you need any additional information, please contact me at (850) 414-4742.

Sincerely,

Erica Miller
Contract Compliance Administrator
Equal Opportunity Office

EM/dg

AFFIRMATIVE ACTION PLAN EXPIRATION: November 15, 2013

This plan is one of the requirements to bid on contracts for the Florida Department of Transportation. This is not approval for Unified Certification Program Disadvantaged Business Enterprise (UCP/DBE) Certification. For additional information in becoming a DBE contact the Certification Section at (850) 414-4747.

DBE AFFIRMATIVE ACTION PLAN

POLICY STATEMENT

It is the policy of Lanzo Construction Co. Florida that disadvantaged businesses, as defined by 49 CFR Part 26, Subpart D and implemented under Rule Chapter 14-78, F.A.C., shall have the opportunity to participate as subcontractors and suppliers on all contracts awarded by the Florida Department of Transportation.

The requirements of Rule Chapter 14-78, F.A.C., shall apply to all contracts entered into between the Florida Department of Transportation and Lanzo Construction Co. Florida. Subcontractors and/or suppliers to Lanzo Construction Co. Florida will also be bound by the requirements of Rule Chapter 14-78, F.A.C.

Lanzo Construction Co. Florida and its subcontractors shall take all necessary and reasonable steps in accordance with Chapter 14-78, F.A.C., to ensure that disadvantaged businesses have the opportunity to compete and perform work contracted with the Florida Department of Transportation.

Lanzo Construction Co. Florida and its subcontractors shall not discriminate on the basis of race, color, religion, national origin, disability, sex, or age in the administration of contracts with the Department of Transportation.

Lanzo Construction Co. Florida has designated and appointed a Liaison Officer to develop, maintain, and monitor the DBE Affirmative Action Plan implementation. The Liaison Officer will be responsible for disseminating this policy statement throughout Lanzo Construction Co. Florida and to disadvantaged controlled businesses. The statement is posted on notice boards of the Company.

I. DESIGNATION OF LIAISON OFFICER

Robert Beaty will aggressively recruit disadvantaged businesses as subcontractors and suppliers for all contracts with the Florida Department of Transportation. The Company has appointed a Liaison Officer to develop and maintain this Affirmative Action Plan in accordance with the requirements of Rule Chapter 14-78, F.A.C.

The Liaison Officer will have primary responsibility for developing, maintaining, and monitoring the Company's utilization of disadvantaged subcontractors in addition to the following specific duties:

- (1) The Liaison Officer shall aggressively solicit bids from disadvantaged business subcontractors for all Florida Department of Transportation contracts;
- (2) The Liaison Officer will submit all records, reports, and documents required by the Florida Department of Transportation, and shall maintain such records for a period of not less than three years, or as directed by any specific contractual requirements of the Florida Department of Transportation.

The following individual has been designated Liaison Officer with responsibility for implementing the Company's affirmative action program in accordance with the requirements of the Florida Department Transportation.

Robert W. Beaty
Lanzo Construction Co. Florida
125 SE 5th Court
954-979-0802
59-2011933

II. AFFIRMATIVE ACTION METHODS

In order to formulate a realistic Affirmative Action Plan, Robert W. Beaty has identified the following known barriers to participation by disadvantaged subcontractors, before describing its proposed affirmative action methods:

1. Lack of qualified disadvantaged subcontractors in our specific geographical areas of work;
2. Lack of certified disadvantaged subcontractors who seek to perform Florida Department of Transportation work;
3. Lack of interest in performing on Florida Department of Transportation contracts;
4. Lack of response when requested to bid;
5. Limited knowledge of Florida Department of Transportation plans and specifications to prepare a responsible bid.

In view of the barriers to disadvantaged businesses stated above, it shall be the policy of Lanzo Construction Co. Florida to provide opportunity by utilizing the following affirmative action methods to ensure participation on the contracts with the Florida Department of Transportation. Lanzo Construction Co. Florida will:

1. Provide written notice to all certified DBE subcontractors in the geographical area where the work is to be subcontracted by the Company;
 2. Advertise in minority focused media concerning subcontract opportunities with the Company;
 3. Select portions of work to be performed by DBEs in order to increase the likelihood of meeting contract goals (including, where appropriate, breaking down contracts into economically feasible units to facilitate DBE participation);
- Page 2

4. Provide adequate information about the plans, specifications, and requirements of the contract, not rejecting subcontractors without sound reasons based on a thorough investigation of their capabilities;
5. Waive requirements of performance bonds where it is practical to do so;
6. Attend pre-bid meetings held by the Florida Department of Transportation to apprise disadvantaged subcontractors of opportunities with the Company;
7. Follow up on initial solicitations of interest to DBE subcontractors to determine with certainty whether the DBE company is interested in the subcontract opportunity.

Lanzo Construction Co. Florida understands that this list of affirmative action methods is not exhaustive and will include additional approaches after having established familiarity with the disadvantaged subcontracting community and/or determined the stated approaches to be ineffective.

III. IMPLEMENTATION

On contracts with specific DBE goals, Lanzo Construction Co. Florida will make every effort to meet contract goals as stated by utilizing its affirmative action methods. On projects with no specific goals, the Company will, as an expression of good faith, seek to utilize DBE subcontractors where work is to be subcontracted.

IV. REPORTING

Lanzo Construction Co. Florida shall keep and maintain such records as are necessary to determine the Company's compliance with its DBE Affirmative Action Plan.

The Company will design its record keeping system to indicate:

1. The number of DBE subcontractors and suppliers used by the Company; identifying the items of work, materials and services provided;
2. The efforts and progress being made in obtaining DBE subcontractors through local and community sources;
3. Documentation of all contracts, to include correspondence, telephone calls, newspaper advertisements, etc., to obtain DBE participation on all Florida Department of Transportation projects;
4. The Company shall comply with Florida Department of Transportation's requirements regarding payments to subcontractors including DBEs for each month (estimate period) in which the companies have worked.

V. DBE DIRECTORY

Lanzo Construction Co. Florida will utilize the DBE Directory published by the Florida Department of Transportation.

The Company will distribute Form Number 275-030-01, Schedule A Certification Form Number 1, to potential DBE contractors and assist in their completion.

Declaration of Fair Subcontracting Policies & Procedures

In keeping with our approach to fair practices in awarding subcontractors, Lanzo Lining declares that it has and shall continue to implement procedures, which will promote diversity in the usage of subcontracts. Lanzo believes that these procedures will present opportunities to as many qualified subcontractors as possible.

First, Lanzo's policy and procedures are geared to notify the broadest of local subcontractors of the opportunity to be awarded a subcontract. Second, Lanzo's policy and procedures are crafted in an effort to invite local subcontractors to submit bids in an uncomplicated and expeditious manner. Third, Lanzo's policy seeks to afford subcontractors avenues to procure the necessary information to shape and submit a bid. Fourth, Lanzo's procedures set out to afford subcontractors access to Lanzo personnel so that any questions and clarifications can be addressed. Fifth, Lanzo's procedures seek the ultimate goal of awarding subcontracts to those who have submitted good faith proposals in keeping with the projects goals.

The specific policies and procedures that Lanzo Lining Services, Inc., sets out to implement and exercise are:

- 1) Contacting Local Trade Associations for listings of firms.
- 2) Contacting local government bodies or owners for any community development program which seeks business development and maintains a register of vendors/subcontractors.
- 3) Advertising in construction trade journals.
- 4) Contacting local chambers of commerce for participating members and listings.
- 5) Faxing or calling identified vendors/subcontractors and provide same with details (as practical) of proposed project/bid and request response by return fax.
- 6) Designating Lanzo staff which will meet with inquiring subcontractors to view scope of work and responsibilities unique to subcontractor's anticipated work.
- 7) Awarding Contracts to the subcontractors which have submitted responsible and low bids consistent with the intentions of the project.

PROCUREMENT POLICY

IT IS THE POLICY OF Lanzo Construction Co. FL and Affiliated companies (Lanzo Lining Services) that in it's procurement practices, every effort shall be taken to secure materials, supplies and services from firms which meet the needs of the company in the most cost effective manner. It is our policy that we do not discriminate in our procurement practices and that we seek opportunities to secure commodities and services from as many local sources as is reasonably practical.

As with our company's Declaration of Fair Subcontracting Policies and Procedures, we will continue to implement procedures that will promote diversity in the usage of suppliers. It is expected from all employees involved in the procurement of goods and services that they commit themselves to identify all available resources. This effort will allow Lanzo to meet its goal of securing reliable source of product with a cost-effective result.

Matthew P. Tilli
Vice President

An Equal Opportunity Employer

Open-Door Policy

In keeping with Lanzo's philosophy of open communication, all employees have the right and are encouraged to speak freely with management about their job-related concerns.

We urge you to go directly to your supervisor to discuss your job-related ideas, recommendations, concerns and other issues which are important to you. If, after talking with your supervisor, you feel the need for additional discussion, you are encouraged to speak with Lanzo's president.

The most important relationship you will develop at Lanzo will be between you and your supervisor. However, should you need support from someone other than your supervisor, the entire management team, including Lanzo's president, is committed to resolving your individual concerns in a timely and appropriate manner.

Equal Employment Opportunity

It's Lanzo's policy to provide equal employment opportunity to all employees and applicants for employment and not to discriminate on any basis prohibited by law, including race, color, sex, age, religion, national origin, disability, marital status or veteran status. It is our intent and desire that equal employment opportunities will be provided in employment, recruitment, selection, compensation, benefits, promotion, demotion, layoff, termination and all other terms and conditions of employment. Lanzo's President and all managerial personnel are committed to this policy and its enforcement.

Employees are directed to bring any violation of this policy to the immediate attention of their supervisor or to Lanzo's president. Any employee who violates this policy or knowingly retaliates against an employee reporting or complaining of a violation of this policy shall be subject to immediate disciplinary action, up to and including discharge. Complaints brought under this policy will be promptly investigated and handled with due regard for the privacy and respect of all involved.

Drug- Free Workplace

Recognizing substance abuse (including Alcohol) is a detrimental problem facing society, Lanzo will do it's best to actively fight this problem. One of the ways we are addressing this problem is by implementing and maintaining a substance abuse policy to ensure that Lanzo will be a drug-free workplace.

We understand employees and applicants under a physician's care may be required to use prescription drugs; however, illegal use of prescribed medications is also substance abuse and will be dealt with in the same manner as the abuse of illegal substances. The ultimate goal of this policy is to balance our respect for individual privacy with our need to keep a safe, drug-free environment. We encourage those who abuse drugs and or alcohol to voluntarily seek help. This policy contains an employee assistance resource file which allows employees and their families to find help in dealing with alcohol or drug abuse. However, it is the employee's responsibility to seek help before drug and alcohol problems lead to disciplinary action.

Legal Drug: Included prescribed drugs and over the counter medications which have been legally obtained and are being used solely for the purpose for which they were prescribed or manufactured.

Illegal Drug: Any drug: (a) which is not legally obtainable; (b) which may be legally obtainable but has not been legally obtained; or (c) which is being used in a manner or for purpose other than as prescribed.

Lanzo's Standard of Conduct requires that employees of this company shall not use illegal drugs or abuse alcohol or prescription medications. Any employee determined to be in violation of this policy is subject to disciplinary action, even for the first offense. In order to maintain this standard, Lanzo shall establish and maintain the program and rules set forth below, under applicable state laws.

A. Post-offer job Applicant Screening

Lanzo will conduct a post-offer drug test designed to prevent the hiring of individuals who use illegal drugs or abuse prescription medications. If a job applicant refuses to submit the required drug test, tampers with or adulterates a drug test specimen or has a confirmed positive drug result; he/she forfeits his/her eligibility for employment.

B. Current Employee Screening

Lanzo will conduct drug and or alcohol screens, as outlined in this policy, to identify employees who use illegal drugs or abuse alcohol, etc, either on or off the job. It shall be a condition of employment that all employees submit to a drug and / or alcohol screen in accordance with the provisions listed below. Lanzo may suspend employees without pay, under this policy, pending the results of a drug and / or alcohol test or investigation.

1. Reasonable Suspicion Testing

"Reasonable suspicion testing" means drug and/or alcohol testing based on an employer's belief that an employee is using or had used drugs in violation of the employer's policy, drawn from specific visual or verbal facts that would lead a reasonable person, without any medical training but normal life experiences, to conclude the possibility of drug and/or alcohol use. Whenever possible, the supervisor who is suspicious of an employee's behavior should have the suspicious behavior confirmed by another supervisor or manager before requiring the employee to be tested. Employees who refuse to be tested will be terminated.

If there is reasonable suspicion that an employee is under the influence of drugs and/or alcohol, the employee will be required to undergo drug and /or alcohol testing at a laboratory chosen by Lanzo.

Occurrences that may be indicators of substance abuse and are considered grounds for reasonable suspicion are:

- a. Observable phenomena while at work, such as direct observation of drug use or of the physical symptoms or manifestations of being under the influence of a drug.
- b. Abnormal conduct or erratic behavior while at work or a significant deterioration in work performance.
- c. A report of drug use, provided by a reliable and credible source.
- d. Evidence that an individual has tampered with a drug test during his employment with the current employer.
- e. Information that an employee has caused, contributed to, or been involved in an accident while at work.
- f. Evidence that an employee has used, possessed, sold, solicited, or transferred drugs while working or while on the employer's premises or while operating the employer's vehicle, machinery, or equipment.

If an employee is arrested for or convicted of a drug-related crime, Lanzo will investigate all of the circumstances, and Lanzo officials may utilize the drug-testing procedure if cause is established by the investigation. An arrest for a drug-related crime constitutes reasonable suspicion of drug use under this policy. As a condition of employment an employee must notify the human resources of any criminal drug statute arrest or conviction within five (5) days of such arrest or conviction.

2. Accident and Injury Procedures

Any employee involved in a work related accident, which requires medical treatment, above and beyond first aid, must first receive treatment. The employee must then submit to a post-accident drug screen. A post accident alcohol test may apply. The employee must report for testing to the designated collection site within 24 hours of the accident, if the drug and/or alcohol collection is not performed following treatment. Failure to do so will be considered a refusal to test, resulting in immediate termination.

3. Routine Fitness-for-duty

Lanzo must require an employee to submit to a drug test **IF** the test is conducted as part of a routinely scheduled employee fitness-for-duty medical examination that is part of Lanzo's established policy **OR** that is scheduled routinely for all members of an employment classification or group. Employees subject to any routine fitness-for-duty testing will be notified in writing and be required to sign a routine fitness-for-duty consent form.

4. Return to work and Follow-up drug testing

If an employee in the course of employment voluntarily enters an employee assistance program for drug related problems, or an alcohol/ drug rehabilitation program, this company must require the employee to submit to a drug and / or alcohol test as a follow-up to such program. Advances notice of a follow-up testing date must not be given to the employee to be tested.

5. Random Testing

Lanzo may conduct random drug testing, as stated in applicable state laws. A third-party company designated by Lanzo will generate a computerized random list of employees who would be required to submit to a random screen. When an employee is chosen for a random drug screen, their name automatically returns to the pool for future random tests.

C. Basis for Discipline or Termination

1. Illegal Drug Use and Alcohol Abuse

Any employee using, selling, purchasing, possessing, soliciting or distributing illegal drugs and/or unauthorized alcoholic beverages on company property or company business will be in violation of this policy, resulting in immediate termination of employment. Any employee, who has a confirmed positive drug and/or alcohol test, as determined under applicable state laws as listed below, will be subject to Lanzo's disciplinary action, as outlined in the Employment Acknowledgement Agreement Form.

Table of Positive Drug Levels in Urine

Drug to be tested for:

Drug	Initial	Confirmation
Alcohol (blood)	.04 g/dl	0.4 g/dl
Alcohol (breath or Blood)	.08 g/dl	.08 g/dl
Amphetamines	1,000 ng/ml	500 ng/ml
Cannabinoids	50 ng/ml	5 ng/ml
Cocaine	300 ng/ml	150 ng/ml
Opiates	2000 ng/ml	2000 ng/ml
Phencyclidine	25 ng/ml	25 ng/ml
Barbiturates	300 ng/ml	150 ng/ml
Benzodiazepines	300 ng/ml	150 ng/ml
Methaqualone	300 ng/ml	150 ng/ml
Methadone	300 ng/ml	150 ng/ml
Propoxyphene	300 ng/ml	150 ng/ml

Any employee who has a confirmed positive drug and /or alcohol test may forfeit eligibility for medical and indemnity benefits in state's workers compensation law and may also forfeit unemployment benefits, under state law.

2. Refusal to Test

Any employee who refuses to submit to a required drug and/or alcohol test will be subject to immediate termination of employment. A tampered with or an adulterated drug and/or alcohol specimen, will be considered a refusal to test, resulting in termination of employment.

D. Confidentiality

1. All information, interviews, reports, statement memoranda and drug test results, written or otherwise, received by the employer through a drug testing program are confidential communications and may not be used or received in evidence, obtained in discovery, or disclosed in any public or private proceedings, except in accordance with this Rule, in determining compensability. Employers, testing laboratories, employee assistance program, drug and alcohol rehabilitation programs and their agents who receive or have access to information concerning drug test results keep all information confidential. Release of such information under any circumstances shall be solely pursuant to a written consent form signed voluntarily by the person tested, unless such release is compelled by a hearing officer or a court of competent jurisdiction, in pursuant to an appeal taken under this section, or unless deemed appropriated by a professional licensing board in related disciplinary proceedings.

The consent form must contain, at the minimum, the following:

- a. The name of the person authorized to obtain the information
- b. The signature of the person authorizing release.
- c. The purpose of the disclosure
- d. The duration of the consent
- e. The precise information to be disclosed

E. Prescription and Non-Prescription Medications

Lanzo will provide a standard form for the employee to confidentially report the use of prescription or non-prescription medications to the Medical Review Officer both prior to and after the drug or alcohol test. No prescription drug shall be brought upon the premises by any person other than the person for whom the drug is prescribed by a licensed medical practitioner, and shall be used only in the manner so prescribed. Employees must keep all such prescription medicines in the original container which identifies the date of the prescription and the prescribing physician. Employees should report the use of any prescribed medication which may alter the employee's physical or mental ability, prior to commencing work. Lanzo retains the right to change the employee's job assignment during the term of treatment.

F. Drugs to be Tested for: Common and Chemical Name

Over-the-counter and prescriptions drugs which could alter or affect the outcome of a drug test:

ALCOHOL: (booze, drink, beer, liquor, wine, moonshine) All liquid medications containing ethyl alcohol, Comtrex is 20% (40 proof) and Listerine is 26.9% (54 proof).

AMPHETAMINES: (beeenies, black beauties, crystal, speed, uppers, crank) Obetrol, Biphphetamine, Desoxyn, Dexedrine, Direx.

CANNABINOIDS: (marijuana, hashish, maryjane, grass, reefer, pot, dope, etc.) Marinol, (Dronabinol, TEC).

COCAINE: (coke, crack, blow, nose candy, toot, snow) Cocaine HCl topical solution (Roxanne)

PHENCYCLIDINE: (PCP, angel dust) Not legal by prescription.

METHAQUALONE: (ludes, qualude, optimal, parest) Not legal by prescription

OPIATES: (heroin, horse, smack, powder) Paregoric, Prepectolin, Donnagel PG, Morphine, Tylenol with Codine, Empirin with Codeine, APAP with Codeine, Aspirin with Codeine, Robitusin AC, Guituss AC, Novahistine DM, Novahistine Expectorant, Dilaudid (Hyfromorphine), M-S Contin and Roxanol (morphine and sulfate), Percodan, Vicodin. Etc.

BARBITURATES: (barbs, rainbow, downers, golfballs, reds, blues). Penobarbital, Tuinal, Amytal, Nembutal, Seconal, Lotusate, Fiorinal, Fioricet, Esgic, Butisol, Mebaral, Butabital, Butabital, Phrenilin, Triad, etc.

BENZODIAZEPINES: (Ativan, Azene, Clonopin, Dalmane, Diazepam, Librium, Xanax, Serax, Tranxene, Valium, Verstran, Halcion, Paxipam, Restoril, Centrax.

METHADONE: Dolphine, Methadose

PROPOXYPHENE: Darvocet, Darvon N, Dolene, etc.

Lanzo will test for the minimum of drugs which is described as a five (5) panel test (amphetamines, opiates, cocaine, pep, cannabinoids), but is allowed to test up to all 10 drugs and alcohol, as listed above.

G. Challenge to Test Results

1. A requirement of a drug-free workplace program is that within five working days after receiving notice of positive, confirmed test results, the employee must be allowed to submit information to the Medical Review Officer explaining or contesting the test results. If the employee's explanation or challenge of the positive test result is unsatisfactory to the employer, the employee must be notified within fifteen days that the explanation is unsatisfactory and shall be retained by the employer for at least one year.
2. An employee or job applicant may undertake an administrative challenge by filing a claim for benefits with a Judge or Compensation Claims pursuant to state law or if no workplace injury has occurred, the person must challenge the test result in a court of competent jurisdiction.

H. Employee's Responsibility

When an employee undertakes a challenge, it shall be the employee's responsibility to notify the Medical Review Officer and the sample shall be retained by the laboratory until the case is settled.

I. Laboratory Assistance

The Medical Review Officer, designated by Lanzo shall provide the clinical/technical assistance to the employee for the purpose of interpreting positive, confirmed test results which could have been caused by prescription or non-prescription medication taken by the employee. Additionally, employees and job applicants have the right to consult the laboratory for technical information regarding prescription or non-prescription medications.

J. Employee Protection

1. Upon implementation of a drug-free workplace program, the employer shall detail in writing, within seven (7) days after testing an employee who had exhibited suspicious behavior, the circumstances leading to a determination of reasonable suspicion of drug and /or alcohol abuse to warrant the testing. A copy of this documentation shall be given to the employee upon request and the original documentation shall be kept and retained confidentially by the employer for at least one (1) year.
2. During the 180-day period after written notification of a positive test results, the employee or job applicant who has provided the specimen shall be permitted by the employer to have a portion of the specimen re-tested at the employee's expense. Such re-testing shall be done by another AHCA licensed or NIDA approved laboratory chosen by the employee or job applicant. The second laboratory must test for equal or greater sensitivity for the drug in question. The first laboratory is responsible for the transfer of the portion of

- the sample to be re-tested, and for the integrity of the chain-of custody during the transfer.
3. The testing laboratory may not disclose any information concerning the health or mental condition of the tested employee.
 4. Lanzo may not request or receive from any testing facility any information concerning the personal health, habits or condition of the employee or job applicant, including the presence or absence of HIV antibodies in that persons body fluids.
 5. Lanzo may not discharge, discipline, or refuse to hire, discriminate against, or request or require rehabilitation of an employee or job applicant on the sole basis of a positive test result that has not been verified by a confirmation test. All initial positive results are automatically subject to a GC/MS confirmation test before any results are reported to the Medical Review Officer.
 6. Lanzo may not discharge or discriminate against an employee solely on the employee's voluntary seeking of treatment while employed by Lanzo for a drug-related incident, if the employee has not previously been tested positive for the drug, entered an employee assistance program for drug-related problems, or entered an alcohol and drug rehabilitation program.

K. Investigation

To ensure that illegal drugs and alcohol do not enter or affect the workplace, Lanzo reserves the right to search all vehicles, containers, lockers, or other items on Lanzo's property for visual inspection upon Lanzo's request. Searches will be conducted only where Lanzo has reason to believe that the employee has violated Lanzo's substance abuse policy. Failure to consent to a search or display personal property for visual inspection will be grounds for discharge or denial of access to Lanzo's premises. Searches of an employee's personal property will take place only in the employee's presence, all searches under this policy will occur with the utmost discretion and consideration for the employee involved. Individuals may be required to empty their pockets, but under no circumstance will an employee be required to remove articles of clothing or be physically searched. Because the primary concern is the safety of its employees and their working environment, Lanzo will not normally prosecute the employee in matters involving illegal substances. Further, Lanzo reserves the right to cooperate with or enlist the services of proper law enforcement authorities in the course of any investigation.

L. Collective Bargaining Right

This policy does not eliminate the bargaining rights of any employee covered under any collective bargaining agreement between Lanzo and any certified labor organization as provided in the collective bargaining process, if applicable.

M. AHCA (Agency for Health Care Administration) Certified Testing Laboratories and MRO

Lanzo uses only AHCA certified testing laboratories and AAMRO Certified Medical Review Officers. For information concerning laboratories and medical review officer services please contact:

Total Compliance Network /South Atlantic Testing Services
(954) 677-1200
5440 N.W. 33rd Ave. Suite 106

Fort Lauderdale, FL 33309

N. Employer Protection

This policy supersedes any information provided to applicants and / or employees, either written or oral. Lanzo reserves the right to change provisions of this policy and testing program at any time in the future.

O. Drug Referral Services and Support Groups

Nationwide:

1. Alcohol Hot line: 1-800-ALCOHOL, 24 hour referral line for information on programs designed for alcoholics.
2. Cocaine Hot-Line: 1-800-COCAINE, 24 hour referral line for information on programs designed for cocaine abuse.
3. National Drug & Alcohol Treatment Hot-line: 1-800-662-4357, confidential information on treatment, self-help, and support programs for drug users.

P. Educational Material On Substance Abuse

What is Substance Abuse?

Substance abuse is the harmful and dangerous use of alcohol and/ or other drugs. It affects all types of workers; male and female, young and old, production workers, executives, supervisors, clerical workers, and maintenance personnel. Anyone can have substance abuse problem. It can be prevented or treated by Substance Abuse Professionals. Alcohol and drugs may give the illusion of freeing you from the fears, responsibility, and petty hassles of everyday life. It can destroy you physically and mentally. Most people abuse drugs and alcohol as an escape from other problems such as families' problems, low self-esteem, financial worries and /or feelings of inadequacy. Many of us enjoy an occasional social drink or take legal drugs under a doctor's supervision. That is okay as long as we don't overdo it and misuse the substances. Various people handle alcohol in different ways. It isn't necessarily how much you drink; it's what happened when you drink; how it affects your life and those around you. Besides harming your body and mind, most abused drugs are illegal. Buying and using them could result in arrest, fines or even jail! The typical reasons given for taking the express train to Utopia with drugs are it helps me relax, it heightens the senses, it expands the mind and or it makes me feel confident. The truth is you can achieve these same feelings naturally without destroying your body and life. A "natural high" is legal. Hiding behind drugs or alcohol could lead to the biggest mistake of your life. Everyone pays for substance abuse. Abusers often have legal or health problems, conflicts at home, accidents on and off the job. Substance abuse is a major factor in half of all divorces. It contributes to domestic violence, child abuse and sexual abuse. Working with substance abusers can be unpleasant and dangerous. Substance abuse destroys work performance, resulting in reduced productivity, motivation, quality of work and increased employee theft.

It is never too late or too soon to change a substance abuse problem. If you suspect that you have a problem, don't think that it will go away if you ignore it. It will only get worse. The first thing you must do is accept the fact that abusing drugs and alcohol is like

playing with fire-it can and will destroy the lives of people just like you everyday. Pushing yourself to the limit with drugs and alcohol will only destroy all that you hope to be. Talk to a close friend about your problem, if your friends keep telling you that you have a problem, listen to them and take a good look at yourself. Sometimes it's not easy to see ourselves clearly.

Many companies have employee assistance program (EAP's) that refer you to professionals and groups to help you with your problem. They also provide information about insurance coverage for treatment. These programs are voluntary and confidential. No one can make you go or hold it against you if you do go. Lanzo realizes that anyone who is willing to seek help deserves Lanzo's support. Another source for help is your phonebook. Look in the yellow pages for health organizations, Social Services and Mental Health Organizations. Since substance abuse harms everyone, join with others to oppose it. Encourage those who need help to get it, at work or in the community. One of the most effective ways to fight substance abuse at work is for employees to unite against it. Make it clear that alcohol or drug use on the job is absolutely unacceptable.

THE MOST ABUSED SUBSTANCES AND THEIR EFFECTS ARE:

ALCOHOL – Alcohol is legal, socially acceptable and an inexpensive substance to use. Because it is an accepted part of many occasions, it's hard to recognize when you cross the invisible line from social drinking and abusive drinking.

The following check list may help you determine if you have a drinking problem. **Do You:** *lose time from work due to drinking? * want to drink in the morning? * have trouble sleeping? * drink to feel more confident or outgoing? * feel easily frustrated? * find you are overanxious or oversensitive? * blame others for your problems? * drink alone? * let family or job responsibility slide? * forget what happened when you're drinking? *find you have lost weight? *find your mind is not working quickly * have violent mood swings.

If you drink regularly, answering "yes" to any of these questions could indicate that you have a drinking problem.

Admitting that you have a problem is the first step. The best place to start solving it is by contacting **Alcoholics Anonymous**. An AA group is as close as your phone book.

Alcohol is a central nervous system depressant and is the most widely abused drug. About half of all auto accidents fatalities in this country are related to alcohol abuse.

Fact: A 12-ounce can of beer, a 5-ounce glass of wine and a 1-1/2 ounce shot of hard liquor all contain about the same amount of alcohol. Coffee, cold showers and exercise do not quicken sobriety. Each one-half ounce of alcohol takes the body about one hour to process. Alcohol first acts on those parts of the brain that affect self-control and other learned behaviors. Low self-control often leads to the aggressive behavior associated with some people who drink. In large doses, alcohol can dull sensation and impair muscular coordination, memory and judgment. Taken in larger quantities over a long period of

time alcohol damages the liver and heart and can cause permanent brain damage. On the average, heavy drinkers shorten their life span by about ten years. **Other Effects:**
***greatly impaired driving ability *reduced coordination and reflex action *impaired vision and judgment *inability to divide attention *lowering inhibitions**
***overindulgence (hangover) can cause: headaches, nausea, dehydration, unclear thinking, unsettled digestion and/or aching muscles.**

MARIJUANA – Marijuana is also known as “grass”, “pot”, “weed”, “Mary Jane”, “herb”, “a joint”, and “a roach”, among the other street names.

Fact: While alcohol dissipates in a matter of hours, marijuana stays in the body for 28 days. *Marijuana* alters sense of time and reduces the ability to perform tasks requiring concentration, swift reactions and coordination. The drug has a significant effect on judgment, caution, and sensory/motor abilities. **Other Effects:**
***increased pulse rate and blood pressure *rapidly changing emotions and erratic behavior *altered sense of identity *impaired memory *dulling of attention**
***hallucinations, fantasies and paranoia *reduction or temporary loss of fertility**

COCAINE – is a stimulant drug, which increases heart rate and blood pressure. As a powder, *Cocaine* is inhaled (snorted), ingested, or injected. It is known as “coke”, “snow”, “nose candy”, and “lady”. *Cocaine* is also used in a free-base form known as “crack” or “the rock” which is smoked. It acquired its name from the popping sound heard when it is heated. **Fact:** Many people think that because crack is smoked, it is “safer” than other forms of cocaine use. **It is not.** Crack cocaine is one of the most addictive substances known today. The crack “high” is reached in 4-6 seconds and lasts about 15 minutes. The most dangerous effects of crack are that it can cause vomiting, rapid heartbeat, tremors and convulsive movements. All of this muscle activity increases the demand for oxygen, which can result in a cocaine-induced heart attack. Since the heart regulating center in the brain is also disrupted, dangerously high body temperatures can occur. With high doses, brain functioning, breathing and heartbeat are depressed-leading to death. **Other Effects:**

***impaired driving ability *anxiety *reduced sense of humor *accelerated pulse, blood pressure and respiration mood swings *heightened, but momentary feeling of confidence, strength and endurance *paranoia, which can trigger mental disorders in users prone to mental instability *repeated sniffing/snorting results in irritation of the nostrils and nasal membrane *compulsive behavior such as teeth grinding or repeated hand washing**

AMPHETAMINES – are drugs that stimulate the central nervous system and promote a feeling of alertness and an increase in speech and general activity. Some common street names for amphetamines are “speed”, “uppers”, “black beauties”, “beanies”, “wake ups”, “football”, and “dexies”.

Fact: People with a history of sustained low-dose use quite often become dependent and believe they need the drug to get by. These users frequently keep taking amphetamines to avoid the down mood they experience when the high wears off. Even small, infrequent

doses can produce toxic effects in some people. Restlessness, anxiety, mood swings, panic, heartbeat disturbances, paranoid thoughts, hallucinations, convulsions and coma have been reported. **Other Effects:**

***loss of appetite *irritability, anxiety, apprehension *increased heart rate and blood pressure *difficulty in focusing eyes *exaggerated reflexes *distorted thinking *perspiration, headaches and dizziness *short term insomnia**

OPIATES – Opiates, including heroin, morphine, and codeine, are narcotics used to relieve pain and induce sleep. Common names are “horse”, “hard stuff”, “M”, “brown sugar”, “Harry” and “Mr. H”.

Fact: Heroin, also called “junk”, or “smack”, accounts for 90% of the narcotic abuse in this country. Sometimes narcotics found in medicines are abused. This includes pain relievers containing opium and cough syrups containing codeine. Heroin is illegal and cannot even be obtained with a physician’s prescription. Most medical problems are caused by the uncertain dosage level, use of unsterile needles, contamination of the drug, or combination of a narcotic with other drugs. These dangers depend on the specific drug, its source and the way it is used.

Other Effects:

***reduced vision, impaired driving ability *change in sleeping habits, drowsiness followed by sleep *constipation, decreased physical ability *short-lived state of euphoria, possible death**

PHENCYCLIDINE (PCP) – also called “angel dust”, “rocket fuel”, “super kools”, and “killer weed” was developed as a surgical anesthetic in late 1950’s. Later due to its unusual side effects in humans, it was restricted to use as a veterinary anesthetic and tranquilizer.

Fact: *PCP* is a very dangerous drug. It can produce violent and bizarre behavior even in people not otherwise prone to such behavior. More people die from accidents caused by erratic and unpredictable behavior produced by the drug than from the drug’s effect on the body. *PCP* scrambles the brain’s internal stimuli and alters how users see and deal with their environment. Routine activities like driving and walking become very difficult. Low doses of *PCP* produce a rush, sometimes associated with a feeling of numbness. Increased doses produce an excited, confused state including any of the following: muscle rigidity, loss of concentration and memory, visual disturbances, delirium, feelings of isolation and convulsions. **Other Effects:**

***impaired driving ability *drowsiness *thick, slurred speech *blank stare *involuntary eye movement *perspiration *repetitive speech patterns *incomplete verbal responses**

COMBINATIONS OF DRUGS – The number of drug variations that can be made, mixed and distributed is almost unlimited. Combining drugs makes physical and mental

effects unpredictable and often much more severe than if the same drugs were taken separately. Combining alcohol with depressants, cocaine, marijuana, etc. can be especially dangerous.

As long as there is a demand for drugs and alcohol there will be a supply, in ever-changing variations. The solution is preventing the demand for drugs and alcohol.

Hurricane & Severe Storm Plan

During such periods of time as are designated by the United States Weather bureau as being a hurricane alert, the Contractor shall undertake all precautions as necessary to safeguard the work and property, including the removal of all small equipment and materials from the site, lashing all other equipment and materials to each other and to rigid construction and any other safety measures as may be directed by the engineer.

In the event of a hurricane warning being issued, the following specific steps will be taken by Lanzo Construction to safe guard the construction work zone:

1. Lanzo will suspend all construction operations
2. Any open priority repairs will be made immediately
3. All open trenches will be backfilled
4. All material and equipment in the right-of-way will be removed
5. Secure any construction material in contractor's staging area
6. Remove all unnecessary traffic barricades and signs
7. Secure remaining barricades by "half burial" or "double sand bags"
8. Evacuate construction work zone.

All additional safety measures as may be directed by contracting agency, department or authority will receive Lanzo Construction's immediate attention.

Section 7

Equipment List As of May 2011

Unit #	Make	Model	Description	Serial #
Vehicles				
1	CADILLAC	CTS-V	Cadillac Cts-V	1G6DV5EP5B0107458
1-A	BMW	750iL	BMW 750iL Sedan	WBAGK2320WDH69567
1-B	CADILLAC	STS-V	Cadillac STS-V	1G6DX67D280120647
2	CADILLAC	STS-V	Cadillac STS-V	1G6DX67D980102694
3	LAND ROVER	HSE	Range Rover HSE	SALMF15449A300402
4	LINCOLN	Town car	Lincoln Town Car	1LNHM81V87Y602040
6	FORD	F-250	Ford F-250 Pickup Truck	1FTNW20F12ED07025
7	FORD	Ranger	Ford Ranger XH Supercab	1FTYR34V8YTA22920
8	FORD	EXPEDITION	Ford Expedition	1FMFU155X9LA03925
12	FORD	Focus	Ford Focus Wagon - Silver	1FAFP36N85W105942
15	FORD	Expedition	Ford Expedition	1FMFU20S65LA11754
16	FORD	Focus	Wagon Hatch Back Silver	1FAFP36N15W102931
18	FORD	Focus	Wagon Hatch Back Silver	1FAFP36N86W199871
120	FORD	F-350 XLT	F-350 Xlt Super Duty	1FTSX30F8YEB28365
121	FORD	F-350	F-350 Pick-Up Truck	1FDSX34F31EA96579
123	FORD	F-250 XLT	F-250 Xlt Supercab	1FTNX20F8YRC57231
126	FORD	F-250 XLT	F-250 Xlt Supercab	1FTSX20P97EA79016
128	FORD	F-250 XLT	F-250 Xlt Supercab	1FTSX20P97EA53685
140	FORD	F-250	Ford F-250 Supercab	1FTNX20P34EB47108
146	FORD	F-250 XLT	F-250 Xlt Supercab	1FTNX21F3YEB97485
150	FORD	F-150	Ford F-150 Supercab	1FTRX12W45NA75711
152	FORD	F-150	Ford F-150 Supercab	1FTRX12W55NA75646
154	FORD	F-250 XL	Ford F-250 X Cab	1FTSX20P66ED45042
156	FORD	F-250 XL	Ford F-250 X Cab	1FTSX20P96ED29532
160	FORD	F-250 XLT	Ford F-250 X Cab	1FTSX20P16ED59284
162	FORD	F-250 XLT	Ford F-250 X Cab	1FTSX20P96ED59193
172	FORD	F-250	F-250 Supercab	1ETHX25F7TEB74470
173	FORD	F-250	F-250 Supercab	1FTBX25F9VEA58867
174	FORD	F-150	F-150 Pick-Up	1FTZF17281NB07417
191	FORD	F-250	F-250 Pick-Up	1FTNX20F1XEC22240
192	FORD	F-250	F-250 Pick-Up	1FTNX20F5XBC22239
193	FORD	F-350	F-350 Pick-Up	1FDWF36F5XBC15964
194	FORD	F550XL	Mechanics Truck With Crane	1EDAF56PX5ED05547
196	FORD	F-150	F-150 Pick-Up	1FTDF1726VKB29899
197	FORD	F-250	Ford F-250 Pickup	1FTNX20F1XEF05447
5002	FORD	F-250 SUPER DUTY	4Dr Supercab 6.4L V8FI	1FTSX21R58EB20940
5003	DODGE	RAM 1500	2 Dr Standard Cab 4.7L V8Mpi	1D7HA16N38JH18225
5004	FORD	F-250 XL SUPER DUTY	4Dr 4X4 Supercab 6.4L V8 Fi	1FTSX20R38EC08239
5005	FORD	F-350 SUPER DUTY	4Dr Crew Cab 6.0L V8 Fi	1FTWW31PX5EC05597
5006	DODGE	RAM 2500	4 Dr Quad Cab 5.9L I6 Fi	3D7KR28C65G724969
5007	FORD	F-150	4 Door Supercab 5.4L V8 EFI	1FTVX12515NB70023
5008	DODGE	RAM 1500 MAGNUM V8	2 Door Std Cab V8	3B7HC12Y1WG219816
Dump Trucks				
100	MACK	DM690S	Mack Dump Dm690S	1M2B209C4YM026813
102	MACK	DM690S	Mack Dump Dm690S	1M2B209C7YM025770
104	MACK	DM690S	Mack Dump Dm690S	1M2B209C6YM026781
105	MACK	DM690S	Mack Dump Dm690S	1M2B209C4YM026925
222	CATERPILLAR	D20D	Cat D20D Back-Dump Off Road	09MG00114
223	CATERPILLAR	D25D	Cat D25D Back-Dump Off Road	1HK00407
Utility Vehicles				
202	FORD	F-800	F-800 Stake Truck	1FDNF80C0VVA06254
215	MITSUBISHI	FUSO	Mitsubishi 24' Flatbed Truck	1JW6DEP1E8XM000255
216	FORD		Ford Water Truck	1FDWR74N4CVA35268

Equipment List As of May 2011

Unit #	Make	Model	Description	Serial #
218	KENWORTH	T-600	Tractor Truck (Lowboy)	1KXADB9X1VJ739355
218	KENWORTH	T-600	Tractor Truck (Lowboy)	OVERSIZE PERMIT 7 AXLES
218	KENWORTH	T-600	Tractor Truck (Lowboy)	OVERSIZE PERMIT 8 AXLES
220	MACK	RW753	Tractor Truck (Lowboy)	1M2AY38Y2MM001752
220	MACK	RW753	Tractor Truck (Lowboy)	OVERSIZE PERMIT 6 AXLES
221	FORD		Ford Flat Bed With Crane	1FDXR90L4LV A35386
250	MACK		Mack Water Truck	2M2P138Y2FC013207
251	INTERNATIONAL	F2574	International Water Truck Conversion 2007	1HTCF2579CHEA10115
254	FORD	F-650	F-650 Water Truck	3FDNF6512YMA34292
306	FERR	Trailer	Ferr Tag-A-Long Trailer (Yellow)	734239
318	FONTAINE	TA55	Lowboy Trailer #3	4LF4S533XW3506415
319	HOMADE		Home Made Trailer - Red	NOVINO200557392
320	TRAILKING		Lowboy Trailer #1	1TKJO4935YBO89713
321	TALBERT	60 TON TRAILER	Talbert Lowboy Trailer #2	3764
323	CHNDY		Gindy Tagalong Van Trailer (New Tung)	1039635DQ unfound
324	TIGERLINE		Tigerline Trailer	30331
326	MILLER		Miller 40 Ft Flatbed	W10254
327	INTERSTATE		Intl Trailer	13K0BS307EA090012

Hydraulic Excavators

528	TAKEUCHI	TB015	Mini Hydraulic Excavator	1155099
577	CATERPILLAR	426B	Cat 426 B Loader Backhoe	5YJ00951
578	CATERPILLAR	446	Cat 446 Loader Backhoe	0CXP00748
580	CATERPILLAR	416B	Cat 416 B Loader Backhoe	8SG07718
583	CATERPILLAR	426	Cat 426 Loader Backhoe	6KL00262
584	CATERPILLAR	420D	Cat 420D Loader Backhoe	CAT0420DKFDP08494
591	CATERPILLAR	315BL	Cat 315 B1 Hydraulic Excavator	3AW09595
594	CATERPILLAR	345BL	Cat 345B1 Hyd Excav. Hoe	4SS01249
595	TAKEUCHI	TB-007	Takeuchi Hydraulic Excavator	1074352
596	TAKEUCHI	TB-007	Takeuchi Hydraulic Excavator	1074377
597	TAKEUCHI	TB-007	Takeuchi Hydraulic Excavator	1074204
598	TAKEUCHI	TB-016	Takeuchi Hydraulic Excavator	11607386
605	CATERPILLAR	225B	Cat 225 B Hoe	3YD01210
609	CATERPILLAR	325BL	Cat 325 B1 Hoe	2JR01702
610	CATERPILLAR	312	Cat 312 Hyd Excavator Hoe	6GK01434
614	KOMATSU	PC30MR-1	Komatsu PC30MR-1	12384
616	KOMATSU	PC35R-8	Komatsu PC35R-8 Excavator	3551
623	KOMATSU	PC650LC	Komatsu PC650 Lc Hoe	10554
624	CATERPILLAR	225B	Cat 225B Hyd Excav. Hoe	22D01393
625	CATERPILLAR	215B	Cat 215B Hyd Excav. Hoe	9YB01449
626	CATERPILLAR	235C	Cat 235C Hyd Excav. Hoe	5AF01301
627	CATERPILLAR	365	Cat 365 Excavator Trackhoe	9TZ00451
628	CATERPILLAR	330CL	Cat 330CL Excavator Trackhoe	CAP02137
629	CATERPILLAR	375	Cat 375 Hyd Excav. Hoe	1JM00096
637	CATERPILLAR	325BL	Cat 325B1 Hyd Excav. Hoe	02JR00225
636	CATERPILLAR	308C	Cr Mini Excavator	KCX01190
638	CATERPILLAR	308C	Cr Mini Excavator	CAT0308CP / KCX01188
681	CATERPILLAR	235C	Hydraulic Excavator	5AF01548
5017	CATERPILLAR	315L	Hydraulic Excavator	6YM01278
5018	CATERPILLAR	330BL	Hydraulic Excavator	CAT0330BL3YR01778
5023	IHI	552	Mini-Excavator	03005083
5028	KOMATSU	PC120-6	Hydraulic Excavator	61108
5029	KOMATSU	PC200LC-3	Hydraulic Excavator	31852
5032	TAKEUCHI	TB014	Mini-Excavator	11400449
5034	KOERING	666	Hydraulic Excavator	

Equipment List As of May 2011

Unit #	Make	Model	Description	Serial #
Hydraulic Loaders				
565	MUSTANG		Mustang Skid Steer Loader	563168D
566	CATERPILLAR	252	Cat Skid Steer Loader	FDG00497
566G	PIRANHA	ROOT GRAPPLE	72" Root Grapple - Machine Attachment	
568	CATERPILLAR	262B	Skid Steer	PDT02012
570	CATERPILLAR	262B	Skid Steer	PDT03062
574	CATERPILLAR	262B	Skid Steer	PDT02670
640	CATERPILLAR	936F	Wheel Loader	8AJ01408
642	CATERPILLAR	950E	Wheel Loader	22Z05233
643	CATERPILLAR	950F	Wheel Loader	08TR01134
644	CATERPILLAR	950F	Wheel Loader	81J11992
645	CATERPILLAR	950	Wheel Loader	81J2027
646	CATERPILLAR	966D	Wheel Loader	94X01120
647	CATERPILLAR	950	Wheel Loader	81J12065
649	CATERPILLAR	950F	Wheel Loader	8TK03128
654	CATERPILLAR	920	Wheel Loader	62KS332
658	CATERPILLAR	926E	Wheel Loader	94Z03848
659	CATERPILLAR	936F	Wheel Loader	8AJ00189
660	CATERPILLAR	928G	Wheel Loader / Quick Coupler	DJD00551
661	CATERPILLAR	950F II	Wheel Loader	5SK02328
665	CATERPILLAR	938F	Wheel Loader	IKM01004
670	CATERPILLAR	IT18	Wheel Loader	9NB01051
680	CATERPILLAR	938G	Wheel Loader / Ac Cab, Quick Coupler & Rake	CRD00373
684	CATERPILLAR	938G	Wheel Loader	4YS00956
685	CATERPILLAR	938G	Wheel Loader / Ac Cab	6WS01660
5016	BOBCAT	743	Skid Steer Loader	501947164
5019	CATERPILLAR	416 Turbo Series II 4X4	Backhoe Loader	PG14471
5024	JOHN DEERE	310G	Backhoe Loader	TO310GX910737
5025	JOHN DEERE	310G	Backhoe Loader	TO310GX910784
5026	JOHN DEERE	444H	Wheel Loader	DW444HX588741
5027	JOHN DEERE	544J	Wheel Loader	DW544JZ592858
5033	VOLVO	MC90	Skid Steer Loader	MC90P60091
Bull Dozers				
453	CATERPILLAR	D3C	Crawler Dozer W/ Pat Dozer Blade	5KG00366
465	CATERPILLAR	D4H XL	Cat D4H XL Dozer	8P300137
466	CATERPILLAR	D4C	Cat D4	6YL00611
5030	KOMATSU	D31P-18	Crawler Bulldozer	44330
Chain Trenching Equipment				
692	GROUNDHOG	T-4H	Trencher - Walk Behind (Honda Gx160 5.5Hp)	8630
694	VERMEER	T650	Trencher	1VRE250VSSK1000336
695	VERMEER	V430A	Trencher	1VRH04027M1000783
696	VERMEER	RT4150	Trencher - Side Shift	1VRX07211L51000653
697	TRENCOR	T1060	T1060 Trencher	T1060-168
698	VERMEER	RT60	Trencher - Walk Behind	1VRX051J221000369
699	VERMEER	RT1250	Ride On Trencher	1VR4112E571000240
700	DITCH WITCH	1030 TRENCHER	Ditch Witch 1030 Trencher	1W1668
5031	VERMEER	M-475A	Rubber Tired Trencher	1VRF102R4G1000106
Compaction Equipment				
481	WACKER	BPU3345A	Wacker Plate Compactor Bpu3345A	1531669
483	WACKER	BPU3545A	Plate Compactor Wc066	1521370
485	WACKER	BPU3345A	Plate Compactor Wc0071	1511065
486	WACKER	WP1550A	Plate Compactor / Honda Gas Engine	6612885
488	DYNAPAC	LH300	Plate Compactor / Gas	30031892
491	DYNAPAC	LH300HZSE	Plate Compactor / Diesel	30031756

Equipment List As of May 2011

Unit #	Make	Model	Description	Serial #
492	DYNAPAC	LF62	Plate Compactor / Honda / Gas	26203558
493	DYNAPAC	LF62	Plate Compactor / Honda / Gas	26203559
494	DYNAPAC	LH300HZSE	Plate Compactor / Diesel	30031575 (1012304032360)
495	WACKER	WPH135AW	Wacker Plate Compactor	6523031
496	WACKER		Wacker Plate Compactor	327433960
497	ROBIN	WI-280	Robin Plate Compactor WI-280	300642
498	WACKER	WPI550AW	Wacker Plate Compactor Wpi550Aw	5033287
499	WACKER	BPU 3345A	Wacker Plate Compactor Bpu3345A	725339602
500	WACKER	BPU 3345A	Wacker Plate Compactor Bpu 3345A	725333833
501	WACKER		Wacker Plate Compactor	1157138
502	WACKER		Wacker Plate Compactor	667801519
503	WACKER	DPU-5054	Wacker Plate Comp. Model # Dpu-5054	1144750
504	WACKER	VP1135AW	Wacker Plate Compactor (Water Tank Not Installed)	6531948
505	WACKER	RD880	Wacker RD880 Vib. Roller	67360361
506	DYNAPAC	CC142	Dynapac Cc142 Double Drum Asphalt Roller	60210482
507			Walk Behind Roller	63947-0008A
509	DYNAPAC	CA251D	Dynapac Ca 251 D Vibra Roller	58313659
510	DUO PAC		Duo Pac Walk Roller	50151
512	SUPERTRACK	S3-L2	3 Wheel Static Roller	05A10367
511	WACKER		Wacker Vibrator	
513	DYNAPAC	CC21	Dynapac Cc21	CD42390746457
514	WACKER	DPU-6055	Wacker Plate Compactor Dpu 6055	727432390
515	DYNAPAC	CA251D	Dynapac Ca 251 D Vibra Roller	58311843
516	BOMAG	BW85T	Bomag Bw 85 T Trench Roller	101720021000
518	CATERPILLAR	CB-224E	Vibratory Compactor Roller	22401430
522	BOMAG	BW80AD-2	Bomag Tandem Vibratory Roller	101460423225
525	CATERPILLAR	CS563C	Cat Cs-536C Roller	04KN01268
526	INGRAM		Ingram 3 Wheel 12 Ton Roller	496042-EB4

Grading Equipment

405	CATERPILLAR	12G	Motor Grader	61M14311
406	CATERPILLAR	12H	Motor Grader	4XM02925

Milling Machines

311	ASPHALT ZIPPER		Trailer For Machine	109FS10172U021248/100796
312	ASPHALT ZIPPER		Asphalt Zipper - Milling Machine	100796
314	ASPHALT ZIPPER	AZ500	Asphalt Zipper - Milling Machine	50000124
314T	ASPHALT ZIPPER	500T	Trailer For Az500	109FS082661023537
470	BOMAG	BOMAG MPH454R	Bomag Soil Stabilizer	109A22301520

Cranes

603	AUSTIN WESTERN	S410	Austin-Western S410 Crane	S4103706
604	P&H		P&H Truck Crane 70 Ton	31959
5021	GROVE	RT640C	Hydraulic Crane	220481
5022	GROVE	RT745-50	Hydraulic Crane	82737
5061	LORAIN	MC32M	Motor Crane 32 Ton Cable	344732
5062	PETTBONE	30	Multi Crane	761A1621

Concrete Equipment

325	MILLER	CURBUILDER	Curb Machine With Mold & Trailer	J12818
328	GOMACO	GT3600	Gomaco Curb & Gutter Machine W/ Molds	902900176
328M	GOMACO	GT3600 Molds	Gomaco Curb Molds	902900176
329			Concrete Scream	4427187
720	STOW		Stow Concrete Mixer	9210805
722	STONE	88	88 Stone Mixer	258594
723	ESSICK	560H	Essick 560 H Mixer	828-01444
724	STONE	90	90 Stone Mixer	439542
725	STOW	9CM	9 Cm Concrete Mixer	3441054

Equipment List 4 of 7

Equipment List As of May 2011

Unit #	Make	Model	Description	Serial #
726	STOW		Stow 3 Bag Mixer	9503458
730	MULTIQUIP	MC-94S	Concrete Mixer (Towable) Honda 8Hp W-Lift Hooks	AG752739
732	MULTIQUIP	MC-94S	Concrete Mixer (Towable) Honda 8Hp	AG752740
745			Grout Pump	901289500A
756	VERSA-MATIC	SMA3-A	Sludgemaster Sma3-A Pump	1654830
Electrical Generators				
727	BURCO		Burco Generator 15Kw	7035119
750	HOOD		Hood Generator Sets	8344
777	WACKER	CS5.6	Wacker Generator CS5.6	LCR000777
778	WACKER	CS5.6	Wacker Generator CS5.6	5103261
5047	YOKOHAMA	YK8500E	Generator Set	235
5048	YOKOHAMA	YK8500E	Generator Set	253
5049	INGERSOLL RAND	G5H	Generator Set On Wheels	0008343UA01
5072	YOKOHAMA	8500W	Generator	18CF*0026124329**
ForkLifts				
715	ALLIS CHALMERS	CP50 XL PS SNL G	Fork Lift - Lime Green	AKNS12.328LP
716	TOWMOTOR		Fork Lift - Yellow	
5020	CATERPILLAR	TH63	Telehandler / Highlift	5WM03918
200	MACK	CV713 FUEL/LUBE	Mack Fuel/Lube Truck - Off Road Diesel	1M2AG11C95M028261
210	MACK		Mack Fuel Truck - On Road Diesel	1M2N187YSHA015513
Miscellaneous Equipment				
702	ULTRASORB	MI-T-M 3500 PSI	Pressure Washer	15032096
704	TARGET		Street Saw	1717706582
718	UP-RITE	SL-20	Sissor Man Lift	
721	HYDROTEK	HX35005E3ICE	Pressure Washer / Shop Out Of Service	200501175
728	REED	UPC636	Reed Pipe Cutter Model Upc636	475B
744	BEAN		Bean Test Pump	NOVIN000081141970
746			Test Pump Hmde Tl	NOVIN000081442594
747	JETAWAY		Jetaway Steam Cleaner	16684
748			4 Cubic Clanshell Bucket	RB-1257
749	SLOAN		Sloan Test Pump Myers	DZ461149
751	REMANNN		Reinmann George 14" Hyd Saw	78722
752	MIGHTY MITE		Mighty Mite 516 Pipe Pusher	516R
753			V5 Driver/Extractor	25932
754			Hoe Hand	HH249360892M
758			35 Lb Pavement Breaker	SSK2652C
760		HPS1260	Hpsi 260 Vib Hammer Power Unit	940901P
760A		HPS1260	Hpsi 260 Vib Hammer	478001Z5932
761	MKT	MKT-17	Mkt V-17 Vibratory Driver / Extractor	940901
762	KOERING	HP105VIBST	Koehring Model#Hp105Vibst	1751104P
766			4" Pierce Arrow Pierce Tool	9T0096
779	RIDGID	600 COMPLETE	Tapping Machine W/Cradle	07F1136998
802	RIDGID	RT3422	Rigid Taping Tool System Kit	LANZO 802

Owner/Engineer Contact Information		Project Name and Scope		Project Detail	
City of Key West		Pump Assisted Storm Water Drainage Wells		Original Contract Amt:	\$3,399,125.00
Owner		Located in Key West in the Florida Keys this project was to relieve some of the flooding that would happen in these locations any time it rained. The scope included the installation of 6 EA catch basins, 3 EA large poured in place storm water pump station structures including pumps and controls, 3 EA Vortex filtration systems, storm piping 493 LF of PVC drainage lines 18"-36", and 4 EA 24" diameter drainage wells, Schedule A (Patricia Street and Ashley Streets) and for Schedule B (Duval North Street).		Start Date:	5/20/2003

Broward County OES		H-3-03-070-CF North County Neighborhood Improvements Project (Southeast Quadrant) Bid Pack 3		Original Contract Amt:	\$10,681,664.90
Owner		This contract was for the construction of a new water distribution system including 36,500 LF of 6" DIP, abandon and groud 24,000 LF of 4"-8" mains, New sewer collection system including 27,240 LF of 8" PVC gravity line with cuts up to 14' deep, 109 new man holes and 2,700 LF of new 8" force main to tie in the new pump station. Part of this sewer collection system was connecting homes to the system which resulted in 51,000 LF of gravity line installed on private property. The new drainage improvements included 116 new structures, 11,395 LF of 15" RCP solid and exfiltration trenches. The drainage installation included removing the old system 5,760 LF. All pipe installed on this project was installed in dewatered trenches, some sewer trenches were 20 foot deep. Surface restoration included new landscaping, pavement and driveway restoration, sidewalk and curbing. The final overlay included 67,700 SY of S-III Asphalt. Within the boundaries of NE 16th Terr. & NE 17 Ave along NE 33rd Street & between NE 17 Ave from NE 32 Place south to NE 30th Street.		Start Date:	12/10/2003
Contact: Alan Garcia, PE				Notice to Proceed:	9/8/2003

		Project Manager: Pablo C. Riafo	Superintendent: Jorge Garrigo	Percentage Self Performed: 65%	
Broward County WWS		West Ken Lark Bid Pack 2 Neighborhood Improvement Program		Original Contract Amt:	\$10,439,066.90
Owner		This project consisted of the construction of a new water distribution system including 17,990 LF of 6"-8" DIP, abandoning and grouting of 17,832 LF of 4"-8" mains. New sewer collection system including 15,910 LF of 8" PVC gravity line with cuts up to 14' deep, 71 new man holes and 3,387 LF of new 10" force main to tie in the 2 refurbished pump stations and the new pump station. The new drainage improvements included 87 new structures, 14,855 LF of 15"-36" RCP solid and exfiltration trenches. The drainage installation included removing the old system. All pipe installed on this project was installed in dewatered trenches, surface restoration included new landscaping, pavement, sidewalk and curbing and driveway restoration. The final overlay included 92,387 SY of S-III Asphalt. The project was bounded by NW 19 St on the north, SR 7 on the west, Sunrise Blvd on the south and NW 31 Avenue on the east.		Start Date:	2/28/2005

City of Miramar	Miramar-South Neighborhood Improvement Project	Original Contract Amt:	\$11,740,791.00	Start Date:	9/19/2005
Owner	This project was located South West of Miramar Parkway and SR7. The contract facilitated the construction of a new water distribution system including 7,049 LF of 8" DIP, 8,494 of 6" DIP and 26 wet taps. New sewer collection system including 24,122 LF of 8" PVC gravity line with cuts up to 20' deep, 92 new man holes and 1,488 LF of 8" force main to tie in the new pump station to the existing system. The new drainage improvements included 353 new structures, 31,427 LF of 15'-42" RCP and 2 large control structures. All the sewer pipe installed on this project was installed in dewatered trenches. The final overlay included 78,621 SY of S-III Asphalt, sidewalk and curbing. Pavement restoration covered the same area. The project was bounded by Miramar Pkwy on the N, SR 7 on the East, County Line Road on the South and SW 64 Avenue on the west.	Notice to Proceed:	6/16/2005	Final contract amt	\$12,373,000.00

Phone: 305-433-9044	Contract S-828 Site Preparation Black point	Completion Date:	11/12/2008	Number of Days:	395
Miami Dade Water & Sewer Dept	Located at the Black Point Wastewater Treatment Plant, this civil site construction project consisted of clearing and grubbing of organic material from the existing asphalt lined drying beds of the plant, excavation of existing fill material in various location and replacing it with compacted select fill material. The installation of new parking areas with curbing and pavement, large retaining wall, drainage works, install dewatering pipes to the N & S pond areas for future dewatering operations, installation of electrical duct banks for future service, relocate existing utilities, and renovate existing parking areas. Remove existing structures & piping (demo) abandon existing sludge bed piping including capping and plugging of said lines. Furnish long lead Ductile iron fittings and filter under drain piping. Support pile testing for future clarifiers & transfer pump station. Furnish and install construction management trailers. Install new mains such as 793 LF 20" DIP, 522 LF 10" DIP, 900 LF 8" PVC, 1,760 LF 8" DIP FM, 800 LF 12" WM (Potable), 780 LF 12" DIP Filtrate FM, 1950 LF 15" CMP.	Percentage Self Performed:	100%		
Owner	Project Manager: Robert Bealy	Original Contract Amt:	\$14,154,000.00	Start Date:	12/17/2007
Contact: John Chorlog	Superintendent: Bruno (Jack) Roth	Notice to Proceed:	12/17/2007	Final contract amt	\$8,192,808.00
786-552-8103	Service Areas 4 & 6 Wastewater Treatment Plants	Completion Date:	9/16/2009	Number of Days:	780/360
Engineer: Hazen & Sawyer	This contract was for the constructing two SBR Wastewater Treatment Plants in the Florida Keys. These two plants varied only in capacity and location. The Service Area 4 Plant consisted of the construction of a 0.400 MGD SBR Advanced Wastewater Treatment Plant located at 5601 Overseas Highway, Marathon, Monroe County, Florida. The Service Area 6 Plant consisted of the construction of a 0.200 MGD SBR Advanced Wastewater Treatment Plant located at Avenue J off of Coco Plum Drive in the City of Marathon, Monroe County, Florida. Included in the project is all clearing, site work, paving, sidewalk and curbing, auger-cast piling, concrete slabs, walls and foundations, new control building, process piping, SBR treatment plant, vacuum station equipment, automatic screening equipment, oxidizing air scrubber, chemical storage and pumping systems, nutrient analyzer system, influent flow meter, on-line process monitoring equipment, re-use equipment and control panels, standby diesel generator, laboratory and office equipment, plant maintenance equipment and required electrical modifications. Owner/Engineer Contact Information		Project Name and Scope		Project Detail	
City of Marathon		Service Area 5 Waste Water & Storm Water		Original Contract Amt:	\$19,126,484.00
Owner:		This project was located in the City of Marathon in the Florida Keys. The scope of work included excavation in cap rock formation throughout the project for the installation of a new AirVac Vacuum sewage collection system and an onsite drainage collection system. The vacuum mains are installed in similar fashion as gravity mains in that they have a design slope. The AirVac installation included PVC DR21 Vacuum mains - 51.315LF of 4", 21.475LF of 6", 10.270LF of 8", 4.100LF of 10" main, and 480 EA vacuum valve pits. The drainage system included the installation of 308 EA 30" diameter NYloplast catch basins feeding 43,232LF of Perforated 18" HDPE Drainage pipe installed in exfiltration trenches. Also 19 EA gravity drainage wells of various diameters from 8" up to 24" with concrete control structures. 1,800 LF of custom curb was installed to control surface water. Maintenance of traffic was critical to the success of this project; 10,000 LF of the vacuum main was installed in the travel lane of US1, the only road in or out of the Keys. All this work was installed along a public right of way and required pavement restoration and final overlay of the existing roads.		Start Date:	12/1/2008
Contact: Roger Hermsdorf		Project Manager: Bob Beatty / James Tilli		Notice to Proceed:	11/15/2008

City of Coral Springs		WTP and WWTF Improvements Project No. 356276/360923		Original Contract Amt:	\$17,600,000.00
Owner:		This project consists of a new membrane water treatment plant and wastewater treatment facility improvements on the same site. The membrane water treatment plant has a treated water capacity of approximately 7.4 million gallons per day (mgd) and includes the following components: sand strainers, cartridge filters, reverse-osmosis (RO) feed pumps, RO membranes/systems, various chemical storage/feed systems, degasifiers and off-gas scrubbers, transfer pump station, membrane building, process and effluent piping, diesel-engine generator set, civil-site work, electrical power facilities, and instrumentation/control facilities. The wastewater treatment facility improvements included the addition of a 2.4 million gallons per day (mgd) package-type wastewater treatment plant and appurtenances, and the demolition of existing plants "A" and "B". Facilities include the package-type wastewater treatment plant (comprising of biological reactor basin, secondary clarifier, RAS and WAS conveyance, and aerobic digestion), a RAS/WAS pumping station, elevated walkway extension, process and other piping, civil-site work, electrical power facilities, and instrumentation/control facilities.		Start Date:	4/3/2009
Contact: Ken Cassel		Project Manager: Joe Brown		Notice to Proceed:	4/3/2009

Broward County WWS		UAZ124 Bid Pack 2		Original Contract Amt:	\$4,834,126.00
Owner		This project is bounded by SR 7 on the East, Commercial Blvd on the North, Florida Turnpike on the East, and Mid River Canal on the South. The scope consisted of the construction of new water mains, sewer improvements and associated restoration of roadway. Work involves installation of 16,800 LF of 6" to 12" DIP water main, 15,925 LF of PVC 8" sanitary sewer, a canal bridge crossing with pipe supports for 12" DIP, landscaping and pavement marking also included.		Start Date:	9/20/2010
Contact: Carlton Harris, P.E.		Project Manager: Pablo C. Riaño	Superintendent: Ronnie Mezza	Notice to Proceed:	9/13/2010
Phone: 954-831-0907		Broadview Estates Bid Package No. 2		Final contract amt	In Progress
Engineer: Craven Thompson		This project is located within the City of North Lauderdale, west of SR7, east of Rock Island Rd, south of SW 18 Court and SW 18 Place, north of the Turnpike and NW 58 Street, east of NW 46 Avenue, and north of Bailey Rd. The new utilities installed consisted of 14,300 LF of 6" DIP-WM, 9,300 LF of 8" DIP-WM, 550 LF of 10" DIP-WM, 100 LF of 12" DIP-WM, 17,800 LF of 8" PVC-Sewer, 2,800 LF of 10" PVC-Sewer, 800 LF of 12" PVC, 1,800 LF of 6" DIP-FM, 680 LF of 10" DIP-FM, 106 Sewer Manholes, 3 Pump Stations, 1,900 LF of 16" RCP, 580 LF of 18" RCP, 355 LF of 24" RCP, 80 Storm Sewer Manholes, Pavement Restoration, Sidewalk and Curbing, establishing new Swales, Landscape & Irrigation.		Completion Date:	3/16/2012
Contact: Marc Woodworth		Project Manager: Pablo C. Riaño	Superintendent: Ronnie Mezza	Number of Days:	550
954-739-6400		Little Venice Phase 1A Stormwater Improvements		Percentage Self Performed:	65%
Broward County WWS		This work is located in Marathon in the Florida Keys. Work included excavation in cap rock formation for the installation of 2 each 30" diameter Nyloplast catch basins. The structures feed into 200 linear feet of new Perforated 18" high density polyethylene drainage pipe installed in exfiltration trenches along a public right of way. Also included was the installation of 2 each 8" Injection Wells with corresponding concrete control structures, and pavement restoration.		Original Contract Amt.	\$10,905,530.00

The new utilities installed consisted of 14,300 LF of 6" DIP-WM, 9,300 LF of 8" DIP-WM, 550 LF of 10" DIP-WM, 100 LF of 12" DIP-WM, 17,800 LF of 8" PVC-Sewer, 2,800 LF of 10" PVC-Sewer, 800 LF of 12" PVC, 1,800 LF of 6" DIP-FM, 680 LF of 10" DIP-FM, 106 Sewer Manholes, 3 Pump Stations, 1,900 LF of 16" RCP, 580 LF of 18" RCP, 355 LF of 24" RCP, 80 Storm Sewer Manholes, Pavement Restoration, Sidewalk and Curbing, establishing new Swales, Landscape & Irrigation.		Final contract amt	\$137,200.00
Engineer: Weiler Engineering		Project Manager: Bob Beatty / James Till	Superintendent: Jack Roth	Completion Date:	2/21/2011
Contact: Justin Stensland		Little Venice Phase 1A Stormwater Improvements		Number of Days:	120
Ph: 305-289-4161		This work is located in Marathon in the Florida Keys. Work included excavation in cap rock formation for the installation of 2 each 30" diameter Nyloplast catch basins. The structures feed into 200 linear feet of new Perforated 18" high density polyethylene drainage pipe installed in exfiltration trenches along a public right of way. Also included was the installation of 2 each 8" Injection Wells with corresponding concrete control structures, and pavement restoration.		Percentage Self Performed:	100%

Financial Statements

September 30, 2010

Section 9

Independent Auditor's Report

To the Board of Directors and Shareholder
of Lanzo Construction Co., Florida

We have audited the accompanying balance sheet of Lanzo Construction Co., Florida as of September 30, 2010, and the related statements of earnings and retained earnings and cash flows for the year then ended. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Lanzo Construction Co., Florida as of September 30, 2010, and the results of its operations and its cash flows for the year then ended, in conformity with accounting principles generally accepted in the United States of America.
