Dear Ms. Haller:

RE: 1015 SIMONTON STREET, KEY WEST, FL 33040

We are requesting an extension of the existing easement agreement for 11 houses on Virginia Street at the above property for the purpose of allowing existing residents to remain in their homes until major agreed development is approved.

The actual signed agreement was not received October 2012 so perhaps it will be simple to extend it until October 2013.

Sincerely,

Annalise Mannix, P.E.
