

MEMORANDUM FOR THE FILE

DATE: January 23, 2012

RE: 1901 Flagler Ave

FROM: Karen DeMaria, Interim Urban Forestry Manager, City of Key West

An application was received for the removal of **one (1) Strangler Fig Tree**. A site inspection was done on January 20, 2012 and documented the following:

Tree Species: Strangler Fig (Ficus aurea)

1901 Flagler Ave cont....page 2

Circumference: 85" = 27.07" diameter

Location: 80% (near fence line area but doesn't seem to be impacting it. No utility lines or foundation issues observed.)

Species: 100% (on protected tree list)

Condition: 80% (appears to be in good health. Does have white fly but that does not effect the rating of the tree.)

Total Average Value = 87%

Value x Diameter = replacement caliper (dbh) inches = $.87 \times 27.07" = 23.5"$

1901 Flagler Ave cont....page 3
