RE: Support for Development Plan - 325 Duval Street

To: City of Key West Planning Board

From: Will Langley

Date: April 13, 2026

To the Members of the Planning Board,

I am writing this letter to formally state my full support for the proposed development plan at 325 Duval Street, which includes the addition of a new bar and live music concept.

As a neighboring business owner/resident, I have received notice of this project and have no objections to the plans as presented. I believe this project is a fantastic addition to our neighborhood. It is clear that a great deal of thought has gone into creating a space that enhances the energy and appeal of Duval Street while remaining respectful of the surrounding community.

Continued investment of this caliber is vital to the long-term success of Key West, and I am confident that this concept will be a positive asset for both locals and visitors for years to come.

I respectfully request that this letter be included as part of the official record for the upcoming hearing.

Best regards,
