

## COMMENDATION

It is with great pride that the City of Key West shall honor Kennedy Brester as the winner of the Key West High School Outstanding Achievement/Unsung Hero Award. This accomplished, focused young lady is a military dependent who has traveled across the United States and Europe, attending nine different schools. Kennedy has handled the numerous transitions with ease and style, adjusting quickly as she welcomes new friendships and cultural diversity. Her studies in theater, art and music, as well as her love of gymnastics and cheerleading have provided her with much pleasure. Additionally, she has reaped the rewards of altruism by volunteering to mentor younger students. At KWHS she is an honor roll student and a member of the KWHS Competition Cheerleading Squad. A teacher has noted that it is refreshing to work with Kennedy because she represents the epitome of student behavior and responsibility. She knows how to be a learner and takes her responsibilities to heart. Kennedy plans to attend college with the desire to become a pilot in the U.S. Air Force and aspires to attend NASA's Astronaut Training Program. The City of Key West is honored to have a student of such caliber and dedication as part of our community.

In recognition of this honor, the City of Key West hereby presents this  
Commendation to:
