## **INSTRUCTIONS TO BIDDERS**

### **1. CONTRACT DOCUMENTS** **FORMAT**

The Contract Documents are divided into parts, divisions, and sections for convenient organization and reference. Generally, there has been no attempt to divide the Specification sections into work performed by the various building trades, work by separate subcontractors, or work required for separate facilities in the project.

#### **DOCUMENT INTERPRETATION**

The separate sections contained within these Contract Documents are intended to be mutually cooperative and to provide all details reasonably required for the execution of the proposed work.

Should there be any doubt as to the meaning or intent of said Contract Documents, the Bidder should request of the Project Manager, in writing, at least ten (10) calendar days prior to the bid opening, an interpretation thereof. Any interpretation or change in said Contract Documents will be made only in writing, in the form of addenda to the Documents which will be furnished through DemandStar to all registered holders of the Contract Documents. Bidders shall submit with their proposals, or indicate receipt of, all Addenda. The Owner will not be responsible for any other explanation or interpretations of said Documents.

The acceptance of the Bid will be by written notice of award, mailed to the office designated in the Proposal, or delivered to the Bidder's representative. In the event of failure of the lowest, responsive, qualified Bidder to sign the Contract and provide acceptable insurance certificate(s), the Owner may award the Contract to the next lowest, responsive, qualified Bidder. Such award, if made, will be made within sixty (60) days after the opening of the Proposals.

At the time of the award, the successful Bidder must show satisfactory documentation of such State, County and City licenses as would be required. Any permit and/or license requirement and subsequent costs are located within the documents. The successful Proposer must also be able to satisfy the City Attorney as to such insurance coverage and legal requirements as may be demanded by the Bid in question. **11. BASIS OF AWARD**

The Owner on the basis of that Bid will make the award from the lowest, responsive, qualified Bidder for all three scope elements combined (Right of Way Maintenance, Pressure Washing, Park Maintenance) that in the Owner's sole and absolute judgment will serve the best interests of the Owner.

If at the time this Contract is to be awarded, the total of the lowest acceptable Bid exceeds the funds then estimated by the Owner as available, the Owner may reject all Proposals or take such other action as best serves the Owner's interest.

**12. EXECUTION OF CONTRACT**

The successful Bidder shall, within ten (10) working days after receiving notice of award, sign and deliver to the Owner a Contract in the form hereto attached together with the acceptable insurance certificates as required in these Documents. Signature by both parties constitutes execution of the Contract.

**18. LICENSES, PERMITS, AND FEES**

The Contractor is responsible for obtaining and paying for all licenses, permits, inspections, and fees required to perform the work as stated in the sections of this bid document. The licenses, permits, and fees that are required by the City of Key West are listed in Part 1: City of Key West Licenses, Permits, and Fees. The Contractor shall verify the list with the appropriate City of Key West Departments.

**19. EQUAL BENEFITS FOR DOMESTIC PARTNERS REQUIREMENTS**

Such certification shall be in writing and shall be signed by an authorized officer of the contractor and delivered, along with a description of the contractor's employee benefits plan, to the City's procurement director prior to entering a contract.
