Report from the Key West Bight Preservation Association
regular Board meeting May 8, 2012

Report from Board meeting - Tuesday May 8, 2012

1 of 1

CALL to ORDER: 4:39pm

Directors present: Jack Anderson, Carla Bellenger, Tom Stroh, Leslie Levis

Directors absent: Steve Talbott, Keir Loranger, Evalena Worthington

KWBMDB member present: Harry Bowman

Approval of agenda: Approved 4 - 0

Old Business:

Commercial Marina tenant insurance: The Bight Board has agreed to review and possibly adjust the newly proposed insurance requirements to more match the reasonable and long established industry standard, which is \$1 Million liability coverage.

New Business:

KW Bight Fuel Dock prices: It's been reported that, as of this date, the fuel prices at the KW Bight Fuel dock were, for diesel fuel, \$.10 less than Conch Harbor and \$1 more than A&B (Commercial). Gas prices at KW Bight were \$.26 (commercial) less than the only other gas vender in the Bight, Conch Harbor. A fuel reward program was being proposed by CRA management that gave a greater discount overall and one bonus discount every 250 galleons.

It was suggested to just give the maximum discount across the board to maximize volume pumped, thus possibly getting the CRA a greater volume discount from the wholesaler.

Maintenance: It was reported that the cigarette butts around the Harbor Walk and landscaping areas are building up and not being addressed by the cleaning crew.

Good and welfare
